## Marysville & District Football Club.

Well the club enjoyed the bye on the long week-end especially the hard working committee but despite the rest, still managed to hold a stall in fron of Chris Barton's shop which was quite successful.

The winner of the food hamper was the 'Corner Shop ' - I've heard of cheap ways to buy goods but thats one for the book.

Thanks to all who patronised and helped. The U/17's held their line of coins once again and arrived a a magnificent figure of approx. \$100.00. Well done boys and thanks to Lou Ackerman for organising it.

This Saturday all three teams travel to Powelltown and we are hoping for some wins to lift our morale. Our next Social Function is a supper dance at the Hotel on Saturday 30th June. Admission is \$3.00. Music by Breakaways and supper by Footy Club.

The Club would like to pass on their best wishes to Bernie Culhane who has been injured at work and is in Box Hill Hospital.

At least we have one player who is keen to tackle Powelltown. The Secretary received a phone call from this player who works on a famm at Narbethong, last Saturday asking where everyone was - he was calling from Gilderoy which is only a few miles from Powelltown.

Footy News - continued....

Have you noticed the Senior Teams running out on the ground with their new tracksuit tops. Look great don't they? . Many thanks to Simon and Geoff Cuzens for the Cumberland's sponsorship.

U/17's be at ground 8.0 a.m.

## NARBETHONG, MARYSVILLE & DISTRICTS RATEPAYER & RESIDENTS ASSOCIATION...

Meeting in Healesville 14th June.

The meeting of the Healesville Shire Association on 14th June was very interesting and four Councillors were in attendance. A good attendance was also made by members of this Association.

Several Councillors expressed their dissatisfaction with the manner in which a motion was passed in a prior Council Meeting for the spending of \$300,000 of ratepayers money for acquiring land for " municipal purposes". To investigate this and other matters, a sub-committee was formed in which this Association is represented.

More information later.

As previously discussed a meeting with the Planning Consultants has been finalised. This will be held on Sunday 15th July at 1.30 p.m. at the Narbethong Hall. A large attendance would be appreciated.

MEETING..... MEETING.... MEETING.... II MEETING.... MEETING....

There is a Council Meeting commencing around 3.30 pm. and continuing into the evening on Tuesday 26th June.

One matter which is to be raised is the discontinuance of night meetings. It is felt by some Councillors and others that night meetings are necessary to facilitate more public participation and to enable a wider range of working person to consider standing for Council.
