BERNIE ON THE MEND

After a recent serious accident, Bernie Culhane is reported to be on the mend in the Box Hill Hospital.

Bernie's many friends will be pleased to hear this news as a lot of people have been keeping their fingers crossed since the accident.

Word has it that it took a patrol of nurses to ambush Bernie and put him back to bed the other day as he was on his way home.

LIONS CLUB CHANGE OVER DINNER.

The old brigade is being turned out to pasture and a new President and set of officers are being installed tonight at the "Pumpernickatel".

Peter Halliday, the outgoing President, is handing over the reins to Peter Haycraft who will have Mick Greatorex as Secretary and Ernie Kelly as Treasurer.

Peter Halliday has carried out his task for the year in the usual tradition of Lions Presidents and can be happy with the Club's year-marked as it was by the successful running of the Bistrict Convention.

NARBETHONG, MARYSVILLE & DISTRICTS RATEPAYERS' AND RESIDENTS' ASSOCIATION

The meeting of the Shire Council on Tuesday June 26 proved most interesting. There was some heated debate at times. Quite a number of interested members of the public were present.

Council passed a motion thatfuture Council meetings be alternate night and day meetings.

It was obvious that those members of the public who were present wanted night meetings to continue and were relatively pleased with the motion.

It was also noted on the agenda that consideration of the I.D.O. Report has been deferred until a special meeting of Council to be held on Tuesday July 17 at 3.30 p.m. This is two days after our meeting with the Planning Consultants on July 15 at 7.30 p.m.

Please keep both these dates in mind.

SUCCESSFUL FANCY DRESS BALL

The Buxton Branch of the Red Cross would like to thank all those who participated in the Fancy Dress Ball last Friday. There were some novel costumes and T.V. characters seemed a popular choice.

The Poster Competition held in conjunction with the event yielded many good posters. Some of these were used for advertising and the remainder were displayed at the hall for the Dance. These were later forwarded to Red Cross Headquarters for their use.

Thank you to all who participated.

FOOTBALL

Our trip to Powelltown last Saturday was a disappointment as all three teams lost and our injury stream continued. However there was no excuse for our poor showing except for the fact that our kicking for goal was atrocious. For those who are interested the final score was P/Town 19-9...M'ville 11-23.

We did find out that the wastly improved
P'town have only been narrowly defeated by the
top teams lately and perhaps we were taking them
too lightly. The fact remains that we are still
in the four and we intend to stay there even
though we play Thornton at home this week
