LIONS DONATE \$500.00 TOWARDS

NEW DUPLICATOR.

As the Marysville school's duplicator is in need of many repairs after sterling years' of service, the Marysville District Lions Club has offered \$500.00 towards the cost of a new machine.

The Club has had a lot of use from the School Dublicator, especially in printing your 'Triangle News'.

To further offset the cost of a new machine the Lions will be holding a bottle and glass drive on SUNDAY 5th AUGUST so this will be your chance to contribute towards the new machine.

Please stockpile your bottles and glass for <u>SUNDAY 5th AUGUST</u>- they will definitely be collected and if you would also like to help in the collection you would be most welcome....

With four games to go R.S.L. and Sundowners consolidated their place in the four with third and fourth place still open to five teams. It was good to see the inter est and the cheers taken in the last between the Oddbods and Greasies which the latter won, their first game, watch out you top teams. There has been a protest entered against Marylands for playing unfinancial members which is to be dealt with by the match committee.

R.S.L. was this weeks winner.

In Hospital - part two....

Mr. Frank Bock was admitted to Eildon Hospital, on Wednesday (18th) for a few days, he has a respiratory condition - we wish Frank a speedy recovery.

Mrs. Gladys Lieshman was successfully fitted? with a ' Pacemaker' at the Royal Melbourne last week, and is now recuperating at daughter Jan's home at Noble Park, Glad is hopefully expected home this week-end.

Most of us are anxiously waiting to see if she improves the TV reception - or whether she will 'bug' us all !!!

Well Done " Lieshy ".

Why is it that the Marysville Supporters are such sore losers ?. While you are winning everything is fine and good including the Umpire, the minute Marysville look like losing, the supporters and in some instances the Club immediately blame the poor Umpire.

It might pay you to look towards your players for a change, as they are not always all that they should be either. The Umpire in most cases play the game as they see it and to the best of their ability and some of the abuse .they have shouted at them is disgusting. So come on Marysville WAKE UP.

MARYSVILLE & DISTRICT

FOOTBALL CLUB.

Many thanks to the 'Villains Supporter' for the constructive criticism in last weeks 'Triangle News '. This person may not be aware of our situation, where we have too few people trying to do too much, however we have been assurred by team manager G. Ridgway that hopefully we will see a more detailed description of the Juniors in the ' Alex. Standard ' and ' Mountain View ' papers from now on. This does not apply to 'The Triangle News 'where space is often limited. The limited of the ville vi

Saturdays games saw a lot of fighting spirit come back into the three teams but unfortunately all teams went down to the very strong Metropolitan Fairpark.

The Juniors in their last encounter scored only 2 goals to their 35 goals and Saturday it was 4 goals to 18 goals which is quite an improvement with 16 players. Scores - Marysville 4.5. Fairpark 18.21. Goals - P. Ridgway 2, R. Potter, T. Culhane one each. The Reserves put in a tremendous first half with some hard tackling and good pressure football but after half time the stronger faster Fairpark took over and slowly went away to a good win. Scores - Marysville 4.5. Fairpark 16.14. Goals each to W. Rawlinson, S.McGettigan, C. Hadfield and R. Jones.

The Seniors started well kicking 5 goals to one but in the second and third quarters Fairpark ren riot and went away to a lead that we could not overcome, although we put in a desperate last quarter we finally went down by 3 goals.

Scores - Marysville 12.11. Fairpark 15.13. Goals - I. Barton, J. Serong 3 each, G. Walker Footy News continued

T. Ross 2 each, D. West, S. Argent one each. Casserole tea after Silvan game ... all welcome - this Saturday.

FELIX AND MORE FUN STORIES,

As an effort for International Year of the Child, the pupils of Sandringham Primary School recently had published a small book of stories and poems, written by themselves.

You may have seen the book's launching, some weeks ago, on the Channel Two News. It is believed to be the first time in Australia that such a publication has been undertaken.

Some of the children's stories make quite delightful reading and are beautifully presented. Copies of the book, at \$2.50 each, are available from Marysville Primary School.
