INDOOR BOWLS.

With some disasterous games by the oddbods and Marylands the four cannot be altered apart from the teams' in the four.

R.S.L. cannot lose top place but 2nd, 3rd and 4th place can change with all teams on equal points and playing each other in the last round remembering that first plays third and second plays fourth in the semifinals with the winner of each playing the grand final. It would be appreciated if all teams playing in the triples and doubles be given to the Secretary on this Monday night so as a draw can be made out.

The winner this week was the Kelly Girls!!

To the Women Supporters of the Marysville Football Club.

Thanks must go to these women for their unfailing support of not only the Juniors, but the Senior teams also a very special thanks go to the women and girls who put in their precious time, serving in the Canteen at each home game, as there is always hot food and drink available, and on these cold wet windy days this is a necessity.

Without the support of these terrific women the club could not survive.

I am sure that all supporters will join me in saying, Thanks girls you are appreciated.

Thanks must also go to " Green & Gold " for the terrific write up on the Juniors. Keep up the good work.

The Villians Supporter.

The under 17's had a bye so they collect an automatic four points plus they have a rest week-end.

The Reserves were toppled by the determined Silvan for the second time this year and almost certainly puts a stop to our finals chances.

The Seniors struggled to a long awaited win which most certainly helped the morale of all concerned. Our forward line will have to function better if we are to win the following games.
