To the Marysville Football Club Coaches and Players....

We must I think say thanks to our 3 coaches for doing such a good job all season. I feel that if our players (the seniors in

particular) showed a bit more dedication and determination, it would make the coaches job so much easier. Perhaps if a few more boys showed up at training even if only one night a week, and tried a bit harder on Saturdays, it would boost the coaches morale a bit, they could certainly use it.

Thanks for doing your best coaches. The Villians Supporter.

MARYSVILLE & DISTRICT

FOOTBALL CLUB.

The Juniors saved the face of the club on Saturday with a fine team effort win while the Meserves and Seniors went down once again.

The Juniors never looked like losing all day and played some good open football with the average players winning many kicks and our forward line were kicking accurately to give us a final score of Marysville 20.7 . Yarra Juniction 2.3.

Goals - T. Culhane 5, D. Connell, P. Ridgway 4 each, R. Potter, M. Flannagan 2 each, J. Goulding, P. Crosbie, S. Lorimer one each.

The Reserves were jumped in the first quarter and never fully recovered all although they steadied from the second quarter onward but couldn't quite bridge the gap. Scores... Marysville 8.5. Yarra Junction 12.19. GOals- T.Egan3, W. Rawlinson 2, M. Sund R. Vain and Les Gianforte one each,

The Seniors game was something of a fiasco as Ybura Junction wanted to fight everytime they went near the ball. The villains remained fairly calm towards this treatment but like the Reserves, never fully recovered from a first quarter barrage of goals by Junction. The way we pegged them back slowly was a credit to a handful of players as we had quite a few players down.

Final Scores... Marysville 8.13. Yarra Junction

3.13.

Goals - J. Serong 3, T. Ross 2, S. Argent, G. Fisher and D. West one each.
