## INDOOR BOWLS

The Triples Championship got under way with some very good bowling by both winners and losers. One team worth a mention was the Gould family. Although next year anyway so I dont see how their size is o beaten by a large score, it was no indication of the any importance as they won't grow much in the game...Well done: Others to do well were young Darren Ritchie who sided his father and Mavis Hadfield to a very good win. The three juniors-Dean Connell, Russell Potter and Bill Boyle also bowled with great zest and I am tipping that they will take a lot of beating. The doubles draw has been made out and some games will start on Monday night at the bowling club. Team Greatorex V Team Rinkman and Team Gould V Team McGeary. Others shall be arranged as mats become available.7.30 start.

I would like to thank the V.S. for the constuct ive criticism in last week's Traingle-it's obviou you were at the game on Saturday and it's also obvious that you are a good supporter and worried about the well being of the club. First of all the reason for asking the Juniors to play two games has been created by our huge list of injuries ten of which are but for the season...this would send the best of clubs reeling. The second reason for us them is to avoid a forfeit which would be an embar assment and disaster to both club and supposters.

Most importantly, three of the four boys used in the reserves will be playing senior football cricket season. Also I gave P. Crosbie some of my votes as one of the best players. Lastly, my friend Villains Supporter, if you are worried about the well being of the club and you can find some extr players please talk them into coming along as we need players as much as we need your money. If you would like to contact me (T. Harrow) personally or remain anonymous over the phone I'm sure we could discuss the ideas that you have. Thank you.
