Friday 24th August 1979.

********** CHURCH OF ENGLAND NEWS.

Most Marysvillians (and that includes the Marysville villains) are now aware that the Rev. George Edwards is retiring at the end of October. Happily he has chosen to settle in Alexandra so we should not lose touch with him entirely.

In order that all his friends here can spend a happy evening with him before he leaves we are holding a public rather than just a Church farewell for him. This will take the form of a social evening - some dancing interspersed with items of entertainment arranged at " ENORMOUS EXPENSE ". Mr. & Mrs. Jim Darmody of the Marysville Hotel/Motel are very generously allowing us the use of their ballroom for the evening.

You are all warmly invited. A good supper will be served (if ladies will remember to bring a plate with something on it) Date: Wednesday 17th October Time: 8.0 p.m. to about 11.0 p.m.... - NO CHARGE * NOT EVEN A COLLECTION ::: Any enquiries or offers of star acts, ring Nell Henderson 633 376, or see Ernie Kelly

The quarter finals of the triples once again provided some very good bowling not only for the players but for the spectators too.

The girls found the juniors bowling at their best to do down 21 - 4 whilst L. Ritchie Mon. 10th Sept - Prep Day (no kinder) and H. Whiteley teams found lucky Lou on top.

It will be interesting to watch Father and Son - namely Lou and Russell compete against each other in the final. Two double matches were played and would like all other pairs to start on Monday night as we still have the singles and the return match against Healesville to go.

Saturday night after Whe Emerald game we are having the counting of the best and fairest votes of the three teams in the Pavilion. Casserole Tea - Everybody welcome.

On Sunday don't forget the GOLF DAY. All players and their wives or girlfriends to be at the golf course by 1.0 p.m. - day finishes with B.B.Q. tea.

Apart from an even first quarter, Thornton had the wood on our Juniors all day, although only two players gave us trouble. It was not very pleasing to see our boys copping high tackles. We hope they can finish off with a win on Saturday. Thornton 17.14. M'ville 5.4. Goals - D. Connell 2, P. Ridgway, T. Culhane, J. Goulding one each.

The Reserves was a very fast and fairly high standard game and apart from an even first quarter Thornton were slightly better on the day although we fought back in the third or words. and last quarters to finally go down by four goals. Thornton - 12.12. Marysville - 8.8. Goals - C. Price 3, D. Connell, M. Sund, C. Haden, J. Anderson, W. Rawlinson, one each.

The Seniors for the second time in two weeks, relished the wet and heavy conditions and apart about a " Young Buck and his panel van !!!. from Thornton getting within one goal we never really looked like losing, and ran out happy winners. This puts us one win from the four and next week we play Emerald at home who are also one win out - come along Saturday and have a look.

Scores - Marysville 12.5. Thornton 8.8. Goals - J. Serong and D. West 4 each, T. Ross 3, P. Gould one. All players please remember the team photos before each game on Saturday so be clean and be early.

WAIT FOR IT HERE IT IS ... A LETTER ... To the Marysville Football Club Trainers.

As a trainer for the full three teams, we realize that your job is not an easy one, but do think that you must be on the field at all times especially for the Junior games as you are most needed there. We also feel that instead of talking and barracking with your fellow supporters, you keep a better eye out for enjuries, I think that some of our women supporters should not have to let you know of this fact, and if you could see your way clear to get to these injured boys (or Seniors) a little quicker. I am sure it would be a appreciated by all. Nevertheless thank you for taking en such a difficult task, as we

The Villians Supporter. (This series of letters has created interest and with the football season drawing to an end we all wait with interest to see if the anonymous writer will reveal his/her identity . Editors).

Bob Graham, Marysville's Wild Irishman is the owner of the van and the article was meant in fun.

A letter from an anonymous writer has been received deploring the fact that somebody was being attacked becouse of the car he drives. Visa a see IIA annie amos de

Apologies if anyone else was offended but the article wwas meant as a joke - and Bob Graham accepted it in good spirit.

If the anonymous writer still wants his/her letter published we will do so if we receive word to this effect.

Actually it was pleasing to see somebody willing to put pen to paper to support a person who the writer believed was being maligned without cause and the letter is a well written argument.
