GENERAL MEETING

All parents of children at the Buxton School. and interested residents of Buxton are strongly urged to attend a meeting to be held at the school on Thursday October 4 at 8.00p.m.

It is not likely, as far as can be seen now, that the school will open for the 1980 school year. It should be in the interest of all to see that the school does not close; it is well equipped and, being 105 years old, forms part of the history of the Buxton township. Please come along to try and keep the school open in '80.

Any likely enrolments for next year please notify the teacher at Buxton within the next fortnight. with ved more eldelleve (88) etaxoli

## ANGLICAN CHURCH NEWS

Parishioners and those interested in becoming church members are hereby notified that two very important meetings will be held in Christ Church, Marysville at 8.00 p.m. on Thursday October 4 and Thursday October 11.

Archdeacon AlanSapsford will chair the meeting and our Rural Dean, Rev. Keith Edwards will also be present.

The purpose of the two meetings is to discuss the many points arising from the coming appointment of a new Rector, giving us the chance to hear the views of the Church Authority as represented by the Archdeacon and to express our own opinions. Why two meetings? The week's break will give time for thought and discussion on points raised at the first. As the meetings are thus closely related it is important that those interested attend both sessions.

To give us an idea of numbers please drop in at the Church and sign a sheet which will be placed on the block just inside the main door as from today. (The Church is always open) \*\*\*\*\*\*\*\*\*\*
