THE BUXTON RED CROSS BIKEATHON - was a huge success. We started off with approximately 26 riders and all but four made the distance.

Thanks to Nona for such a terrific job of organisation, also to the cars and trailers that came along to pick up the debris, and of course without the riders, it would not be a bikeathon, so a great vote of thanks must go to all these plucky girls. Thanks go to Geraldine for once again holding open house.

Last but by no means least, to our new local policeman for escorting us, it was much appreciated and without the siren and his witty comments some of us would not have made it at all. Thanks to every participant for making it such a great day. The amount raised will be made known at a latter date.

Debbie Lorimer, President.

MARYSVILLE PRIMARY SCHOOL.

Many thanks to those people who so generously sponsored our children in the recent " For Every Child a Tree " programme. trees for the school and for the children's homes, and \$179.82 will be given to very worthwhile children's charities.

Next week (and I apologise for the unavoidably close proximity of the two drives) the children will again be seeking sponsors. This time the aim is to raise money through a" walkathon", to be held on Wednesday Next Tuesday at the Hotel election of officers 24th October, for the Guide Dogs for the Blind Association, and at the same time to boost school's really big money-raising effort for 1979, I appeal to you to be as generous as ever, and to sponsor a child for whatever amount you feel you can manage.

A word of warning, however: This time the sponsorship is not for a flat amount, but for so much per kilometre, and some of the children may walk ten kilometres or more.

PLEASE HELP. THE SCHOOL RELIES HEAVILY ON THE LOCAL COMMUNITY FOR SUPPORT.
