Other people wishing to register for insurance can call at the station Thursday nights 7.30 p.m. onwards or Sunday mornings 10.30 a.m. to 12 noon. Footy Club... according to all reports, most of the very large crowd who attended the Presentation Night at Marysville Hotel last Friday 26th really enjoyed themselves and really without the large crowd the night would only have been mediocre - so on behalf of the club thank-you for coming. Many presentations were made both to players and committee and most of the responding speeches were to the effect that the players must put in a big effort next year for that elusive flag. A highlight of the night was that Harry Worcester was named a Posthumous Life Member of his club.

Once again a really superb supper was presented by the Social Club and we can only apologise for the people who ate more than their share - special mention to B. Argent, who according to Charlie, could'nt sleep on Thursday night so she started -

counting chickens - Charlie awoke later to find Betty clucking.
