057 747 374 A WIRREANDA THOUGHT

With this year's Festival over it is mow time to count the profits and pay share holders. In past years groups who have been shareholders have received up to \$150 each for their Wirreandaccontribution. The animomet Took Mua, 91H2

This might seem like a lot of money but, like all similar amounts, is usually lost in the Beryl Bell, Council Rep. - Hazel Hill. general running of the group. To desayal rade .

As the Festival is a town and district event it seems a pity that all the profits of each Wirreanda are not povested until a worthwhile sum builds up to carry out a really worthwhile project.

One project that comes to mind is a group of senior citizens' retirement cottages built on , say, land next to the Community Care Centre. The above idea is not being pushed by any organisation....it is a personal thought but one worth thinking about. There would be other interesting ideas for large community projects so if you have one let us know.

MORE WIRREANDA.

Just as the Festival always seems to turn out well there is also another certainty....the large number of pwople who see Wirreanda "on the cheap" by not paying to go in or by standing if needed. on the road to watch. Even the hard working announcer is hard pressed to shame some of the onlookers into paying. To be fair to some of the people watching along Falls Road they do pay at the gate and then choose to watch from along the road for a better view. The announcer's sometimes caustic remarks are not intended for the latter group but in the crowd up there there are some who should indeed "wear the cap"....it certainly fits! value and

MARYSVILLE PRIMARY SCHOOL

The Council of the school wishes to thank Pet evo appire to stages V workers Tomor smap texil - Peter Juergens and J.L. Gould Sawmills for th eir time and use of their equipment in carrying out developmental work in the school playground last Saturday.
