CR. JACK HAYCRAFT SERIOUSLY INJURED.

While helping to service the hot water system at Marylands Guest House Jack Haycraft fell from the building's roof.

Admitted to Melbourne's Austin Hospital early Monday afternoon, Jack underwent surgery to correct a bad skull fracture that night and apparently surgeons were pleased with the result of the operation.

Jack also sustained serious shoulder and chest injuries as a result of the fall.

Still in intensive care, his condition is nevertheless encouraging and the whole district will be thinking of Jack in his fight back to good health.

Our thoughts go, too, to the rest of the Haycraft family at this time.

************** N.T. WEINDERG SIGNS "FORM 4" WITH ST. KILDA.

Although only born at 12.10 a.m. on Wednesday in the Alex. hospital, Nathan Trent Weinberg shows promise of a great football career...if size is any indication.

Judy and Graeme Weinberg's new son tipped

the scales at 12 1b 4 oz!

Congratulations Judy and Graeme, not forgetting Nathan's brothet, Brett.

THANKS

Many thanks to all the people who supported the Swimming Club Carnival last Wednesday evening. Thanks also to the shopkeepers for donations of goods.

A healthy profit of \$300 was realised.

LETTER Dear Sir,

I am writing to let you know how much my family and I enjoy reading "The Trianglecompetitions for this year will be for the News".

Mrs Rose Walker has been sending it to us ever since its inception. I sit down straight away and read it. The family read it when they come home from work and school and then I give it to our eldest daughter, Karen, who is married to a cane farmer at Childers.

A lot of names are new to us as we left Marysville in 1969 after Riving there for 20 years. I ran the first dancing school in the town and when I read about my ex pupils' children it brings back memories of "the good old days".

I read the Golf news and that also brings back memories of some good times we had at the Golf Club, especially the "Dilly Tea" and biscuits. I could go on and on but will not do so as I don't want to sound boring.

Could I send, "greetings to all our Marysville friends from Roma, Dob, Karen, Michelle and Simone" through your news sheet.

We would like to especially thank Rose and Dill Walker for taking the time and effort to send the paper to us each month. We are lobking forward to the (1980 news) sheets. Mon. J. Ratcliffe (continued over).

JUNIOR CRICKETERS IN GRAND FINAL

The boys have had an excellent season losing only one game and now must be favorites for the Final to be played at Thornton against Yea Gold tomorrow. The game starts at 8.30 and goes to 12 noon. We hope that all parents supporters and senior players will be there to urge the juniors on to the premiership they deserve. After the game the boys will be treated to lunch in the beer garden at the Buxton Hotel Hosted by John and Val Anderson.

Last Saturday's game showed how well the team is palying. High School batted first and scored 5/90 (Weinberg 2-8). Marysville replied with 5/188-Ridgway 33 ret., Connell 33 ret., J. Goulding 31 ret., Weinberg 25, R, Goulding 17., K. Boyle 12, R. Lovett 12. Well done boys, good concentration in the field won the day.
