RODEO REPORT.

After a very busy weekend we can relax with the thought that we have put on a grand show for the people to watch and also made a dollar out of it. After providing \$1500 for bucking stock, chutes, and yards as well as \$1600 for clowns, judges, announcer, chute boss and other things there will be money for a worthy charity.

None of this would be possible without the support of many people who supplied their time and energy or financial support mainly in the form of prize money. We appreciate the efforts by the stall holders for supporting us on such a very hot day and made it a better all round show for the people. Many thanks must go to Lion Jim Darmody and hos wife Muriel for the use of the dance hall and kitchen in the Hotel. The dance was most successful.

Thank you one and all. Rodeo Secretary.

Marysville's resident from the land of the leprechaun apparently returned home after a poor opening to this year's duck season. He was complaining of sore arms and explained to his wife that he spent all morning throwing the dog up in the air but the *+!!@/? hound didn't catch one duck! Bob Graham has since found how it should be done.
