FIRE BRIGADE

As usual the junior fire brigade will be invilved in the Good Friday Children's hospital appeal again this year. We hope that everybody has their money ready to give to the boys between 10 a.m. and 12 noon. Some transport will be needed and the cars and juniors should assemble at the station at 9.30 a.m. Fish, Pies, Chups and drinks will be made available by Marylands Guest House at Peter Haycraft's home where the money See you there. will be counted.

FOOTY CLUB

The under 17's had their first run last Sunday against Thornton and, although beaten by 15 goals there is no doubt that they will win some games this year. It was pleasing to see the mew players trying so hard as were the regulars and special mention to Brett Weinberg for a great game. Our task has been made easier by the fact that the League has adopted the 16 players per team rule for this year only. Healesville have been unable to give us a definite number of players that we can have on loan but my feelings are that we will not need them anyway.

So come on all you under 17's...get down to training on Tuesday and Thursday and show

us you can win games.
