FOOTY CLUB NEWS

Under 17s: After months of not being sure if we would be able to field a team or not, we turned out on Saturday with 17 players against the top-rated Fairpark Juniors.

The ground was hard, the sun was hot and some gusty wind made things difficult. The Villains tried hard all day and there were some excellent passages of play, but we fell down on our forward line. All we need is another big boy up forward. Nevertheless the whole team played well and if they display that same tenacity each week, they will cerainly win games. Final scores: Fairpark 14.13 M'ville 2.5

Goals: P. Ridgway 2

The reserves started with a full team and showed lots of endeavour, but skills and fitness are badly lacking. Although they have improved slightly on last year they must realise that training is a must.

Final scores: Fairpark 12.11

M'ville 3.10

Goals: J.Ratcliffe, R.Potter, J.Steavenson one each.

The seniors also mustered 20 players, despite the fact that the coach has a broken arm and there are still several good players to come into the team. The first quarter saw Marysville turn on some football that would be the envy of a first division team, and for most of the second quarter they kept on adding to the total. At half time we were 7 goals up and everything was looking rosy, but in the third quarter the slump came. For some reason we stopped and Fairpark kept on running, and at three-quarter time we were only two goals up. A hectic last quarter developed with the ball see-sawing from one goal to the other until the siren went, showing the scoreboard: Fairpark: 17.15 M'ville: 16.11

Goals: D.West 7, S.McGettigan, J.Serong 3 each, Jim Serong, T.Henderson, L.Blundell 1 each.

This Sunday the three teams travel to Emerald, and we should remember that the three teams haven't won there since the last blue moon.

Juniors should leave Marysville by 8.00a.m.

Urgently needed each Saturday - one boundary umpire for reserves, dressed in white. \$5.00 for 1 3/4 hours' work.
