SIREN TEST:

The siren will be tested THIS SUNDAY at, MIDDAY and all future tests will be carried out on Sundays at Midday. So, please don't rush down to the station this week. All members should be at the station at 11:00 a.m. for regular training.

FOOTY CLUB Villains strike double - Juniors had a bye. After a pathetic game last Saturday against Emerald, the reserves improved slightly to take the honours from the persistent Silvan. The whole team battled

Silvan 6 - 11

GOALS: S. Lorimer, C. Brown - 2 each.

The seniors were hopeful of carrying on their recent good form and they did just that. There was some excellent passages of play of which some were topped off by good goals a lot of chances were wasted but on the whole, full marks to all the boys for not tiring. At half time we were only 9 points up, but ... finally crept away from the vastly improved Silvan to win. Marysville 15 - 22, Silvan SUNDAY, 4th MAY, 12:30 START 11 - 12.
