THE NIGHT OF NIGHTS Which last Saturday night will be remembered for sometime to come-referring , of course, to the dance held at the Buxton Memorial Hall.

A good time was had by all; but then, we had it all.

A Number One Professional entertainer in Ross D. Wylie, phenomenal music by the "Classics" and the of course the crowd (from reports, the biggest for many years) who braved the elements from surrounding districts-many from Melbourne. To each and everyone of you, on behalf of the Hall Committee, sincere thanks.

An extra special thanks to a very special person also for without his expertise, donations and lighting etc etc none of it would have been possible. To you, John Bishop, &Thank you".

Thanks to the local Constabulary for keeping a watchful eye for trouble. Decause of this vigilance, trouble was conspicuous by its absence.

The door prize donated by Wilga Fiske was

The Raffle prizes were exceptional-thanks to J. Bishop. The other prizes that we threw around with great abandon were bought from Hall Funds but used up a lot of time to get variety and of course decorations to a certain figure. Thanks to you Val.

Thanks again, one and all. John Higgins.
