INDOOR BOWLS.

With only three pennant rounds left before the finals, positions in the final four can still be taken over by a number of teams. Monday night again say considerable changes to the ladder, the W-butts, S-downers & M-lands managed to hold on to the three top positions, but two good wins to the R.S.L. saw them come from ninth spot to take over fourth position from the Goodies. Kerami also had two wins which lifted them two rungs and they will certainly make their presence felt over the remaining games. R.S.L. were the winners of the Tattstickets

this week. Next Monday night will be the start of the Triples, we will still take some entries if you would care to make up a threesome. NEWS FROM THE GOLF CLUB

This Sunday is a big day for our golfers. Over the past three weeks we have been playing in our pennant competitions and so far we have had good results.

In our handicap section we will be playing Eildon at Alexandra for the flag. Third time lucky as Eildon has beaten us the last two years. In our other game (open section) we will be playing at Seymour against Lancefield in a semi-final. This is the first time we have got this far in this ebent, so good hitting to all.

Also would any boys (under 20) interested in attending a free golf clinic by the Seymour professional, on Sunday 20th July between 9.0 a.m. & 12 noon at the Wildon Golf Club please contact Ted Norman or Dick Dent this week-end. This clinic is open to any who are interested in the sport and no previous experience is necessary. ********

NOW ITS FOOTY NEWS

The under 17's pushed their claim for fourth spot on the ladder a little further on Saturday with a one sided victory over Powelltown.

There were many good players but it was pleasing to see some other players coming into the game. The moment of truth comes this this Saturday at Alexandra, and if we can beat Alexandra, we will certainly be playing in the semi-final on our own ground this year. We must beat Alexandra to hold fourth spot. Scores - Marysville 18.14 Powelltown - no score. Goals - D. Connell 8, R. Hoskin 3, J. Goulding 2, R. Lovett 2, B. Weinburg 2, K. Suffern 1.
