TO WHOM THIS MAY CONCERN:

Just before last Yuletide I came to the Cross ways, nestling in this haven of peace, as I thought, where one could be forgiven for expecting to find a little charity - tolerance - and a kind word, but how wrong can one be? It's a sad reflection on the behaviour of a few local people, who have shown meanness for charity, commendation for tolerance and slander for the kind word, and lack of honesty to air their comments to me. I would like to state clearly and once for all times I was not driving my car when the accident happened on the Spur. I do not take to drunken bouts; I was not in my car, let alone be drunk.

So you don't like me? Well you can't win them all. As for your custom, you are entitled to go where you like, that's your prerogative. To those who truly have made me welcome, thankyou from the bottom of my heart.

I hope I have got my pointchome, so let me do my thing and you do yours. Live and let live

INDOOR BOWLS

Monday night saw most of the knockout matches played in the triples competition. What with some players away on holidays and others with meetings etc to attend, eleven teams lined up to do battle. There were some very interesting tussles at both venues with many teams going down by only one or two points. It is very pleasing to see some of the newer players performnig so well. There is one match left to play before the grand final. Joan, Ian and Basil meet John, Harry and Rex. The winner of this then has the chance to play Darren, Bob and Laurie in the final. Next Monday willbe back to the last three rounds of the Pennant Games.

GOLF NEWS Some good news and some not so good. Our team in The Valley Division lost to Eildon on Sunday 3 games to 2. Now Eildon play Nagambie for the Final. Our other team had a good 6-1 win against Lancefield at Seymour and now meets Kilmore 2 at Yea on the 27th. So here's hoping we can pull it off.

OF INTEREST

The Healesville Pre-School Committee is conducting a crime prevention evening, Courtesy of the Victoria Police, next Tues-day evening, July 22.

Topics of particular relevance to women will be fully discussed and films will support the lecture. The meeting will take place in the Supper Room of the Healesville Shire Memorial Hall and will commence at 8 p.m.

MARYSVILLE TOURIST & PROGRESS ASSOCIATION
This Association is in the process of printing a small booklet to be distributed to all businesses in the "Triangle".

Many businesses have receibed a circular advising about this. If your business
has yet to receive one this item will give
you some idea as to what is being asked
for.

Many visitors to the district seek
lots of information from people in shops
etc in Narbethong, Marysbille and Buxton.
To make the answering of these questions
easier the small booklet to be printed
will provide answers to such questions as:
"Where can I eat?", "What is there to see?",
"Where can I get Accommodation?" etc etc.

The Tourist and Progress Assoc. is financing the venture and all businesses will be given the opportunity to provide details of the services provided by them.

If your business has not received a circular giving details of the project it should in the near future.

Contact Ian Walshe on 633 233 if you have any questionsabout the scheme.
