Revamping of the Club

As we appear to have reached near rock bottom we have decided that drastic situations call for September 22 at 8.00 p.m. in the Pavilion. drastic actions.

It seems that the whole club is badly in need of one hage uplift. At the last Committee meeting lots of ideas were brought forward all of which were worthy of following up.

The first and most immediate step we believe is to dissolve the committees and call for new members which we hope will inject new life into the club. Nomination forms are to be distributed shortly and we hope these have the desired BILLIAN AND WHITE DATE OF BOTH W. BOTH BY BELLE effect.

An Annual meeting will be called shortly after the Presentation Night and if the people of Marysville realise the plight of the Club at the moment I would hope to see at least thirty interested people present.

Watch for further information. \*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*
