FIRE BRIGADE NEWS - Winner of last week's Meat Hamper was J. Sherlock. Jim donated same back to the Brigade which was re-drawn to be won this time by Len Dickinson. The M'ville Fire Brigade recently entered itself and the Town into the Fire Prevention Competition. The competition is based on many things, including equipment level(cleanliness and regular testing) Fir hazard removal (slashing & burning) Maps of the Town and surrounding areas, publicity of Brigade, Major & minor Fire Breaks, Frotection of individual properties, and many other items. We were pleasantly surprised to learn that we won the Alexandra Group Section and were being re-submitted to be judged for the Region. Unfortunately we failed to catch the judging panel's eye, but we had some stiff opposition. To all those who helped in the preparation for the Competition, I would sincerely like to thank you all. T. Harrow. (Capt)
