Visiting Grandchildren

My daughters bring their children here -

And each to me is very dear.

They climb up trees; they play in mud

And sometimes draw a little blood

When twigs break off and scratch their legs.

They draw with crayons, play with pegs,

Deflate the multi-coloured ball

That fascinates and pleases all.

Exhaust the batteries of my torch,

With dollies' clothes bestrew the porch;

They scatter toys and papers too.

One thing they specially like to do

Is winding up a Tootle train

That plays one tune again, again

Until the mother cries "Enough!"

Or gives her child a curbing cuff

Which generates a flood of tears

And bellowings that vex the ears.

I'm glad to see them any day

But grateful that they go away.

Harold Taskis

ALEXANDRA CITIZENS ADVICE BUREAU

The Alexandra Citizens Advice Bureau needs people to train to become volunteer workers.

If you can read, write, communicate well, have an interest in people and have time to commit to community service, then consider becoming a C.A.B. Interviewer.

The necessary steps to become a volunteer are -

1. Indicate interest by contacting Alexandra CAB.
2. Attend a selection interview.
3. Attend Basic Training Day. (22nd February)
4. Attend 12 day, (over 12 weeks) TAFE Accredited Community Information Workers Course. (course starting 1st March)
5. After a probation period working under supervision
6. Become an accredited CAB Interviewer.

You will learn new skills. Meet new people. Gain satisfaction helping others and by feeling part of the community.

Please take that first step by phoning the CAB on 722 239
or Co-ordinator Barbara Stepan 722 081
