## Press Release

### **RATES REDUCED BY \$700,000**

The Commissioners announced today that the rates required to be collected from the community will be reduced by \$700,000 for the 1995/96 financial year. Under the pre-amalgamation structure \$4.7 million would have been required from the community to operate the Shire, but consolidation of council finances and the development of a new organisational structure have lowered the rating requirement to 4 million.

This \$700,000 represented the first financial windfall for the public from the amalgamation process and it comprises savings of \$350,000 in salaries and associated on-costs and a further \$350,000 from economies of scale in service delivery. Further savings should also result as examination is carried out on other recurrent costs and economies of scale as capital projects are realised. The aim is to complete this review prior to the budget being finalised in June 1995.

In the post amalgamation period, that is during the course of the 1995/96 year, savings should also become available as a result of the implementation of compulsory competitive tendering (CCT). It is intended that these savings can be identified for inclusion in the 1996/97 budget. The Local Government Board made no predictions in the area of CCT savings and at this stage, while it is accurate to say savings will occur it is far too early to quantify them.

The Commissioners indicated they were very pleased with the pace of change and the progress made to this stage. They concluded by saying that a good start had been made but there was still quite some distance to be travelled in the future.

#### CONGRATULATIONS JANICE!

Our Club Champion Janice Dunston had a great day last Thursday when she won three matches to become Association Champion of Champions in the playoff at Sassafras. The Final, against Tossie Smith of Yarra Glen, would have compared well with most Jack High games.

This week Janice will meet other Association Champions at Mornington to find the Zone Champion.. Good bowling Janice.

Everyone is welcome to come to our BBQ and Novelty Auction at 7 p.m. on Friday 24th March. If you are interested in bowls come at 5 p.m. A great time to get started in a great game.

## Press Release

The entrance to the Flowerdale Hall will be improved in the near future to decrease the traffic risk associated with vehicles moving in and out from the Yea Whittlesea Road, Commissioner Carlson announced today.

"This issue has to be addressed to ensure the safety of the people leaving the facility, particularly the elderly. The works costing approximately \$3000 will commence shortly. A grant has been applied for by the Shire from the Department of Health and Community Services for the construction of entrance ramps and heating to the building.

The Murrindindi Shire is at present undertaking an asset survey of all public buildings to ascertain requirements for the future. Once the facts are gathered a policy will be determined as to the level of support that can be afforded to each facility. It is highly likely there will be a rationalisation of assets in this area. This will allow a greater benefit to be derived by the whole community from the limited funds available," Commissioner Carlson concluded.

## ARTHRITIS WEEK - MARCH 19 - 25, 1995

### TAKE YOUR JOINTS FOR A WALK

An active lifestyle has important health benefits for everyone regardless of age or physical capabilities. Many people with arthritis become less active because of joint pain and stiffness. In the long term this does not help the joints and means the person with arthritis becomes less and less fit.

A regular exercise program is important to the overall management of arthritis. This should include:

- \* Flexibility and stretching exercises to relieve stiffness and improve joint mobility.
- \* Strengthening exercises to increase muscle tone and protect joints.
- \* Aerobic exercise to enhance general health and fitness

#### What is aerobic exercise?

Any activity which improves the efficiency of the cardiovascular system by stimulating the heart and lungs. Walking is one such activity. Others include swimming, cycling, dancing, aerobic classes and jogging

#### Why is aerobic exercise good for you?

- \* improves circulation and efficient functioning of heart and lungs.
- \* lowers blood pressure and reduces risk of heart disease.
- \* helps control body weight.
- \* aids digestion and relieves constipation.
- \* maintains bone strength.
- \* enhances sleep and relaxation.
- \* reduces levels of stress, anxiety and depression.

Walking is an ideal form of aerobic exercise suitable for most people with arthritis. It is easy, safe, convenient, inexpensive and effective.

### TAKE YOUR JOINTS FOR A WALK - THURSDAY MORNINGS 9.30am AT THE COMMUNITY HEALTH CENTRE

.....

Just musing while reading the costs of buying a home these times. Shockin', eh. I remember about 14 Wirreanda Festivals ago; a young local man put a lot of effort into his housing display on a tray body truck as a float in Wirreanda Street Parade. All the material in the exhibit was gathered in the bush where logging was taking place, at no monetary cost. Slim but strong sapling sticks formed the framework, lashed where necessary with narrow strips of narrow inner bark.

Morewide slabs of bark, fitting exactly, overlapping and anchored in place with more sticks and bark for tying formed the waterproof roof. Walls were a complete enclosure of vertical bark sections except for the doorway. Propped up parts allowed for window light. This was called a bark hut and I have seen one with earth floor where a man lived long ago.

When Maroondah Dam was being built in the 1920s, there was a complete village for workmen which sprang up right on the site. Whole families were in residence in a tidy settlement of houses of whitewashed bags and canvas stretched a framework of various size poles. The occupants even grew flowers around the door. This plan would never be allowed now, thank goodness, but these people were there from 1920 till 1926, when the bushfires destroyed the village - which sported a general store and boarding house - and all their personal possessions. 200 men were engaged on this great project at Healesville - most lived in the town as it was a long walk to the schools.

Around 1927, when the tragic Pitman family was leaving "Kooringa" - their then guesthouse business, the need arose for the Misses Pitman to have a new residence. This resulted in the building of the Log Cabin. Notice it there, in the centre of our town. Mr Percy Postlethwaite was the builder. Messmate logs cut from spas on Mt Kitchener were brought in and fitted in this picturesque design. Hand-adzed beams were cleverly installed after preparation in the bush and handcut shingles covered the roof.

The house is a wattle 'n' daub style, although no wattle is used. The daub was made from earth dug near the creek and mixed with creek water. The hole was left for later when water from this handy creek was channelled in to form a tiny lake. Above this lake a beautiful white blossom shrub was planted, making a perfect reflection on the water in spring.

All done with materials for homemaking in simple form. "Just naturally."

LAST YEAR THE AWARD WINNER WAS ANNOUNCED AT OUR ANNUAL LIONS CLUB CHANGEOVER DINNER WHICH IS A VERY BUSY AND COMPLICATED NIGHT AT THE BEST OF TIMES. WE HAVE CHOSEN THE 21st APRIL 1995 FOR THE SPECIAL AWARD DINNER, TO COINCIDE WITH THE ANNIVERSARY OF OUR CLUB'S HUMBLE BEGINNINGS WHEN IT WAS CHARTERED BY THE HEALSVILLE CLUB ON ANZAC DAY, 25th APRIL 1973. THUS FOR THE PAST TWENTY TWO YEARS THE LIONS HAVE BEEN INVOLVED IN HELPING THE COMMUNITY; BOTH PHYSICALLY AND FINANCIALLY.

ALTHOUGH THIS AWARD IS SPONSORED BY THE MARYSVILLE & DISTRICT LIONS CLUB, WE FEEL IT IS A COMMUNITY AWARD AND HOPE THAT THE WHOLE COMMUNITY WILL NOT ONLY PARTICIPATE IN THE NOMINATIONS BUT ALSO ATTEND WHAT SHOULD BE A GREAT NIGHT OF ENTERTAINMENT AT THE SPECIAL AWARD DINNER.

AS YOU ARE NO DOUBT AWARE, THE MARYSVILLE & DISTRICT LIONS CLUB INTRODUCED THE "LIONS AWARD FOR COMMUNITY EXCELLENCE" LAST YEAR AND NOMINATIONS ARE NOW BEING CALLED FOR THE 1995 JUDGING. THE INITIAL PURPOSE OF THIS AWARD WAS TO NOT ONLY ENCOURAGE AND RECOGNISE EXCELLENCE WITHIN OUR COMMUNITY BUT TO REWARD IT. WE SEE THIS AWARD AS A WAY OF PUBLICLY ACKNOWLEDGING ANY CHILD, ADULT, ORGANISATION, BUSINESS OR CLUB WHICH HAS MADE AN OUTSTANDING CONTRIBUTION TO ANY ONE COMMUNITY ORGANISATION, A COMMUNITY PROJECT OR THE COMMUNITY IN GENERAL.
