Friday February 23, 2007

President Jan Emblin

Vol. 34 No. 6

A special Sunday morning in Buxton

Some days are just a whole lot better than others! Last Sunday I spent 2 delightful hours visiting and chatting with Motorhome Club members at Buxton Reserve. This group would have to be described as HAPPY and STRESS- FREE. Yes, in capitals!

As I sat amongst the forty one members, under a huge shady tree, I was offered pancakes and a cuppa. "Oh, am I interrupting your breakfast?" I asked? "No this is morning tea; will you have yours with maple syrup or lemon and sugar?" I took the lemon and sugar. The best I've ever tasted!

There was so much cheerfulness and bursts of laughter that I had trouble noting all of the wonderful comments I was hearing.

Carol: I belong to a Chapter of the club called 'Eastern Rosellas'. We were first a group of solos but now we have some couples; many of them met through this club". Some travel for part of the year - others have sold up their homes and live permanently in their MH (motorhome).

This is our 5th annual meeting at Buxton. Many of us have a genuine fondness for the area and some a family history here. For most this is one venue we will not miss. Audrey is having her 77th birthday this week and was dancing at the Buxton Pub last night. And she bought the tee-shirt to prove it.

TN: 77 years of age and still driving yourself solo around Australia! But like everyone here you look so healthy, I sus-

pect you are not the only one who looks decades younger than you really are.

Jean: Buxton is my favourite get-together. I come from Gippsland but would drive across Australia to get to this particular meeting spot.

Dorothy: My parents lived here in the 70's when Buxton had a much smaller population. We owned Moondai Farm and nieces and nephews attended local schools. One of them is coming to Buxton this year from the Whitsundays to celebrate her 50th birthday. I love it here. I spend 8 months of the year on the road.

Mike: I am on the road full time - have been for 7 years. Done 195,000 kms and the wheels have been around 308,000,000 times. But don't ask me the time of day!!!

Most of our readers will know Cliff Charlton. Until a year ago Cliff had a property at 60 Eagles Nest.

Cliff: For 12 years I travelled every year to Queensland in the winter. Now I have bought a home in Lilydale and spend 4 months a year in my MH.

This is not a singles club but a support group for solo travellers. It is such a free and easy lifestyle - just like being part of a huge family. You can voice your true feelings whenever. If feeling stressed you can 'do a runner'. And the next time you turn up at a group meeting you do not have to explain and no one will ask why. Everyone has a mobile phone and everyday, at the same time, you can call if you are in trouble and someone will soon be with you.

Yvonne: I was widowed, got myself a MH and travelled up the east coast of Australia. I met Graham in March last year. He was also a solo club member and we got together. We have just sold our vehicles and bought a new larger one together. We live mostly on the road but rather than 'solos' we are now 'fossils' (friends of solos).

This is such a strong support group. At

the moment we have a member who is ill. She was taken to hospital yesterday and one of our group is looking after her little dog and we will look after her van and keep an eye on her. Another time when another solo was sick, a member answered her call then drove her, in her van, to where she needed to be. He then got on his bike and rode the 60 kms back to his MH.

Twice a year we have a major rally. 205 solos met in Wellington, NSW last August. The following week at the CMCA Rally there were 1200 MH's and 2000 people.

Jack: I call my daughter regularly and she immediately asks "Where are you now?" Ah yes, you have got to live long enough to get your own back on your children.

TN: The vehicles vary from smaller homes, so compact and yet with every imaginable item you could need, right up to larger 5 star homes with dishwashers and every conceivable luxury.

Cliff: Each year, here at Buxton, we take up a collection and donate the CFA and the Reserve Committee. This year we have collected \$400. This makes a total \$1200 over the years we have been coming.

Yvonne: We don't allow ourselves to be pinned down. If anyone asks when are we moving on, I answer 'About half-past'. Don't know which hour. Or which day for that matter - but about half past!

TN: Buying a MH, joining a motorhome club and hitting the road sounds very attractive! I would like to personally thank the group for their outstanding hospitality. They really are a joy to hang out with!

The group wishes to thank the Buxton Pub for supplying their bus for the group whilst in Buxton.

Murrindindi Shire Council

CEO Visiting Schedule

The CEO, Danny Hogan is available to meet with residents and
ratepayers on an appointment basis at various locations throughout the
Shire on a rotating basis.

This process is to provide advice and resolve issues, as well as providing
information to clarify uncertainty about Council actions or positions taken.

The visiting schedule can be viewed on council's website at
www.murrindindi.vic.gov.au click on the heading Council then
Management. Otherwise details and appointments can be obtained by
calling Tammy Blakeney on 57 720 337

Around the world in 80 ways.

When you have been a professional musician for thirty years or so, you have the luxury of being able to perform the best of all the music you have discovered during your career. If you are lucky enough to also have a diverse musical palette, then the result of this accumulated experience is a musical treasure chest to delight even the hardest of critics. The Bohemian Nights trio is the epitome of a long and colourful musical career. The trio comprises Ernie Gruner on violin, mandolin and vocals, Phil Carroll on accordion and vocals and Eugene Belenko on double bass and vocals.

On Friday, March 2nd the Triangle region will be treated to an evening of entertainment by this multi-talented group of musicians.

Bohemian Nights have recently been delighting audiences in small regional Victorian towns as far away as Swifts Creek and Horsham. Irrespective of their geographic location, they manage to win the audience over at every show. Their repertoire embraces many cultures and covers much European music. The marvellous skill level of all three of the musicians allows them to travel freely between musical styles.

In the one night you will hear music from Italy, Russia, Greece, Hungary, Turkey and France at the very least.

Bohemian Nights is the first act in the Café Concert Series 2007 which is a concert series that has been touring to regional Victoria for the past ten years. The rest of the program for the year includes stunning Russian singer/songwriter "Zulya" with her classy band "The Children of the Underground". The third concert will be performed by George Butrumlis, one of Australia's finest exponents of the piano accordion playing a selection of his favourite music from Brazil. The year ends with the formidable 6 piece Gutbucket Jug Band.

The Café Concert Series is supported by the Victorian Government through Arts Victoria and the Community Support Fund. The Café Concert Series is only available locally through the wonderful work of the handful of volunteers who form Marysville's Cultural Community Inc.

Benefits of purchasing a Seasons Tickets include generous discount on the ticket price which is the equivalent of buying 3 shows and getting one free. Seasons Tickets holders also receive preferential reserved seating and automatic entry into the "That's Blotto" draw at each show. Tickets are also transferable.

Tickets are on sale now at Marysville Auto & Hardware or Fig Leaf Café In Alexandra. Seasons Tickets price is only \$ 75 for all 4 shows. Tickets for Bohemian Nights are \$ 25 each if purchased from the ticket outlets or \$ 28 at the door. Doors and bar opens at 7:30pm at the Marysville Country Club and the show starts at 8pm sharp. Supervised children are admitted free of charge.

Farewell for Val Jefferys

Kirstie and Richard would like to take this opportunity to wish Val and David all the happiness they deserve in their upcoming move to NSW.

Val has been an essential part of "Hugo & Friends" and we will all miss her very much! Val's last day in Marysville will be on Sunday 25th February, and she has chosen to work at Hugo's for one last time.

Please feel free to come and say goodbye, we will be open from 10am - 4pm.

The organisers of the Cambarville Sawmill Community reunion would like to contact anyone who worked or went to school at Cambarville. The sawmill and its community was set up in the Cumberland Valley east of Marysville in 1939 following the 1939 bushfires. It operated until the early 1970's. Cambarville boasted its own school from 1943 to 1967. Everyone who was associated with the Cambarville Sawmill Community is invited to a reunion at Cambarville and Marysville on Sunday 11 March 2007. For details contact Marlene Fiske 9872 4279.

WORLD DAY OF PRAYER

Friday, 2nd March, 2007

Press Release

"United under God's Tent"

CHRISTIANS AROUND THE WORLD JOIN TOGETHER TO PRAY FOR THE WORLD'S NEEDS

On Friday, 2nd March, over 3 million people will be taking part in a Day of Prayer that circles the globe from the time the sun rises over the islands of Tonga until it sets off the coast of the islands of Samoa.

The central act of worship will be a service using material prepared by Christian women in Paraguay, from the heart of South America.

This will be an exciting day. Services will be held in over 170 countries and islands world-wide. In Victoria alone there will be more than 300 services across Melbourne and country areas. The services will bring together women, men and young people from every background, and a wide variety of Christian traditions.

'United under God's Tent' is an appropriate theme because World Day of Prayer unites people internationally and between denominations, not just on the day, but in the extensive preparations that are necessary.

In this year's service the women of Paraguay bring the needs of their country to us. Paraguay has had a turbulent history, marked by two major wars and military dictatorships. Since 1989 there has been a return to democracy. Progress towards social and economic rights has been slow. But the people are young and full of enthusiasm. The prayer must be that their energy will be used positively and for the common good.

Service resources are available in various formats, including contemporary worship ideas, a children's program, a youth service, large-print abridged service for retirement villages and nursing homes, together with the main service.

Freshwater Fish Circuses Keep Rolling On

The Yea Wetlands were a great location for a World Wetlands Day celebration on Saturday 17 February. Over 100 people attended the day, and enjoyed a wide variety of activities. There were talks about river critters, freshwater fish and wetland wildlife; plenty of games and funky art & craft for kids; and an electrofishing demonstration in the Yea River. Perhaps the greatest hit was The Connies; a pair of performing tram conductors who distributed a range of colourful swap cards featuring Victorian plants & animals, and entertained everyone with great stories about each card subject. There was free fish & chips, fresh fruit & salads, and even the opportunity to taste some carp. Given the heat, many children also had great fun playing in the river.

The free freshwater circuses that are currently running across the Shire are being implemented to connect communities and support individuals and families, and are supported by the Murrindindi Drought Strategy Committee. A range of business and community support service representatives, such as Rural Finance Counselling, are participating in each event, enabling access to drought support services and advice in an informal setting. The events have been organised by Alexandra staff from the Department of Primary Industries and the Department of Sustainability and Environment. Come along, chat with neighbours and have a look at how our freshwater life is fairing.

The next event will be hosted at Taggerty on the Little River on Saturday 24 February starting at 3.30pm. Sponsored by Regional Development Victoria and the Goulburn Broken Catchment Management Authority, we will not only provide great fishy family entertainment, free fish and chips, but a bush dance into the bargain! Why not let your hair down and come along for a fun afternoon and evening. The festivities start at 3.30pm through till 9.30pm. Please RSVP to Cathy Olive, Department of Primary Industries on 5772 0278 for catering purposes.

Fun evening of barefoot bowls

When?

Monday 19 Feb at 6pm
(*rock up a bit earlier if you want to practise*)

Where?

Marysville & District Country Club Inc.

956 Marysville Buxton Road

Just bring yourself, your friends, your children (if they're old enough to hold a bowl), and a pair of flat-soled shoes, or you can go barefoot.

We'll supply the bowls and show you how to play.

Cost?

\$5 per adult, \$2 per child

Enquiries: 5963 3241

Lawn bowls—the sport for all ages

THANK YOU

A very special thank you to David Littlejohn from the Lions Club, for the power connection to the rotunda in Lions Park. The power was used for the first time on Australia Day.

We would also like to thank Geoff Creighton for the trenching at a considerable discount and Middendorps at Lilydale for their special prices.

To use the power, Community Groups should contact Lions.

Marysville Golf Report

This report starts with the results of the Ladies 2006/7 season.

The Club Championship and the Handicap Championship were both won by Liz Amos. Liz also won three monthly medals.

Jenny Coleman was successful in the winter Aggregate, Eclectic and the Barton Cup. She also won the November Medal.

After winning the September Medal, Leslie Rundle went on to win the Medal of Medallists trophy.

Glenna Parker won both the Norman Trophy and the Mavis Hadfield Trophy.

The summer Aggregate trophy was won by Sandra English who also won the January Medal.

Helen Howard was a triple Medal winner, other Medal winners were Helen Elliott, Barbara Birkett and Bev Bellman.

Last Saturday's predicted high temperature kept the field down for a Stableford comp, with only 17 men and 4 ladies competing.

Clear winner with a good 42 pts was Laurie Wright from Peter Phillips and Dennis McCarthy on 38 pts. Peter won the countback.

Ladies winner was Barb Birkett on 37 pts, two points clear of Liz Amos.

Nearest the pin winners were: 4th Len Tricarico, 9th Jason Stirling, 11th Liz Amos, 18th Murray Curnow.

It was good to have Joe Tricarico's eldest son Len join us for the day.

A stroke round on Wednesday attracted only 9 starters with Len King winning with a net 72 on a countback from Robb Kidd. Adam Littlejohn was third with 76, and also won the nearest the pin.

A larger Thursday group of 13 played Par on the front and for a change there was some competition. Andrew Martin and Rob Christie tied on +4 ahead of Gordon Rayson +1. Andrew won the countback but Rob compensated by taking out the nearest the pin.

In other golfing news, Jason Stirling competed in the pro-Am at Yarram on Friday and was runner-up in B grade with 36 points. Well done Jason. It shows what our juniors can do and we should help them as much as we can as they are the future of the club.

MARYSVILLE CRICKET

Under 10 Cricket

What a cliff hanger!!!!

This week we played Mt Evelyn at Mt Evelyn. Hayden won the toss and sent them in to bat. A great team effort saw Mt Evelyn finish at 4/67 all wickets fell to good catches. C. Hodson 1/1, H. Bates 1/3 (a great C&B), J. Bebbington 1/7 and D. Kaempkes 1/9. Then it was our turn after a slow start we needed 35 runs off 36 balls Heath and Brady were given the task they gave it a good crack when Brady was caught, Anthony went in and we took it right down to the line with everyone (parents and players) standing and shouting. We needed 2 off the last ball but just missed it. We made 6/66. A brilliant game with everyone contributing. H. Bates 11, B. Hoskin 5, A. Maguire 3.

BENDIGO BANK ENCOURAGEMENT AWARDS

H. Bates A. Maguire L. Whittingham

Every week we are improving and have grown into a team to be proud of.

The under 16s continued their winning streak on Saturday as the defeated Seville by 41 runs. This task was even more impressive as we only had seven players. The opposition helped out with 2 fielders but the task was really done by some impressive bowling and high energy fielding in trying conditions. All the bowlers did well with Judd 3/21, Ben 2/9, Mitch 1/5, Jaye 1/9, Caleb 1/22, Beau 1/22 and Justin 0/10. Next week we travel to Warburton for our last match before we start finals and hopefully a good win might secure a home final.

Our finger 3 side game was cancelled due to fires.

The senior side played Powelltown and although beaten it was good to see some of the boys get some runs, Levi 31, Sherm 28, Adam 26 and Plugga 23 were the best.

HW GREENHAM & SONS

DOING GREAT THINGS TO SAVE WATER

There has been a lot of talk in the recent weeks about large companies being allowed to use as much water as they like during water restrictions. However, very little is heard about those companies doing great things to save water. Goulburn Valley Water would like to recognise and congratulate HW Greenham & Sons in Tongala for their world's best practice approach to water conservation.

Goulburn Valley Water's Chief Executive Mr Laurie Gleeson said that a water use study was recently conducted at HW Greenham & Sons abattoir in Tongala. "The study found that Greenham's is close to world's best practice for total water consumption per tonne of meat processed," he said. "Greenham's used approximately 4730 litres for every tonne of meat processed."

Peter Greenham, Executive Chairman of H.W. Greenham and Sons, said today that he was delighted that a recent independent study of water use and salt generation at their Tongala abattoir had concluded that operations at the facility were very close to "World's Best Practice."

"We have always tried to be a responsible member of the local business community and are very proud to be identified as an environmental leader within the Goulburn Valley industries" said Mr Greenham.

In commenting on his company's approach to the environment Mr Greenham said "H.W. Greenham and Sons has deliberately worked in close cooperation with Goulburn Valley Water on all environmental matters, believing that a cooperative approach produces the best result for both parties."

Mr Gleeson said that the study conducted at Greenham's was part of an ongoing cleaner production program run by the Authority and EPA within the Goulburn Valley region. "The aim of the cleaner production program is to help large industries reduce water consumption, trade waste discharge and the amount of salt in the wastewater."

"Reducing the amount of salt in the wastewater has numerous benefits for the company, the Authority and the Environment," said Mr Gleeson. "Benefits include cost savings for the company on products and trade waste discharge fees, less impact on wastewater infrastructure and a higher quality recycled water is produced resulting in an environmentally sustainable product that can be used for irrigation."

"The study has also helped Greenham's identify additional ways of reducing their water consumption and wastewater flows."

THE 6TH MARYSVILLE REUNION

Labour Day Long Weekend - March 10th 2007.

An open invitation to all Triangle Residents, 18 to 80 years, to come along and relive the good ole' days. 130 souls sat down to dinner at the Crossways in 2006. So join us for the fun and frivolity in 2007.

Historical Society will have school photo displays.

**Contact: Terry Ross 0419 512 363
for bookings & more information.**

Wirreanda Festival Weekly update

23rd - 25th February 2007

This week we have the final programme for The Wirreanda Festival. For full details on each event, please go to our web site, have a look at the windows in 18 Murchison St or pick up a programme at the VIC. We look forward to seeing you on the weekend at least one event.

Wirreanda Festival Marysville

Last weekend in February
www.marysvilletourism.com

Murrindindi Business Breakfast

Date 5th March 2007

Time 7.30am - 10.00am

Where: Tulips Restaurant at Kooronga

Guest Speaker: Tom Hafey.

For over twenty-five years Tommy Hafey has motivated thousands of individuals and teams to greater levels of personal performance. As a legendary football coach, his reputation for developing winning teams is unparalleled. Want to hear more? Then this is an event you can't miss.

Places filling fast.

Cost: NIL RSVP: 26th Feb to the VIC 59634567

Well it is here at last. What more can we say. We have kept you informed. We have given you the timetable. You can see how much is happening. It is now all up to you. We the committee very much look forward to seeing all the events with lots of people attending from far and wide. Especially the locals. We believe we have something for every one.

Friday - Young Youth Disco
Official Opening.

Saturday - photographic display, plenty happening around the street, the family fun night.

Sunday - Children's Festival, Sunday Market, Fish Out, Troutorama

It's all on the back. Highlight the events you are going to attend and put it on the fridge.

Of course Sunday is not the end of it. We then have 20 days of events that you can join in or ensure your guests (accommodation people) know about. This programme is on the web, posted on 18 Murchison St window, in the Visitor Information Centre and will be emailed out to all members of MMT. Look for the Yellow Balloons!!!

We will be taking surveys over the weekend to see how we can improve next year. So if you have any comments ensure you fill out a survey and let us know.

A BIG THANK YOU TO THE COMMITTEE - Sam, Sharen, Glenys, Ken, Val, Judy, Pam, Greg, Gillian and Jaquie. You have all worked so hard.

Last Minute Cancellations -

Marysville Car Museum will not be open.

Gilberts Restaurant will not be opening on the 3rd March. Stay tuned for more on the opening.

More Info needed? - CHRISTINE ADAMS 59633247 -

AIM OF THE WIRREANDA FESTIVAL

To have a family oriented festival that invites the community and visitors to participate in an event that includes local trade, increases the awareness of Marysville and surrounding district, reignites the spirit of Wirreanda, is an iconic event, generates enough funds for it to be successful and to put something back into the community. But most importantly ensures that people have a good time.

Wirreanda 23rd - 25th Feb 2007

Brief Description of events, for more information on each event please check web site get programme from Visitor Information Centre or check out the window at 18 Murchison St for all the latest and up to date information.

 Toss the Trout!
 Fly Fishing Demo
 Touch Tank
 Fly Fishing Demo
 How many fish in the Jar
Duck Race (Steavensons River)

Cambarville Sawmill Community Reunion.

Past residents of the tiny Cambarville Sawmill community will meet for a reunion at the deserted mill site near Marysville on Sunday 11 March. In its heyday Cambarville consisted of a sawmill, office building, blacksmith shop, 16 mill houses, 7 single men's huts, boarding house, and a one room schoolhouse. It had its own water supply system and in latter years electricity was supplied from a generator at the mill.

Cambarville was established in 1939 following the 1939 bushfires to salvage and mill the giant Mountain Ash forest in the area which had killed in the fire. Mill owners Alex Cameron of Toolangi and Fred Barton of Marysville combined their surnames to create the name Cambarville. The sawmill was burned down twice in its history, the second fire in December 1970 forced the closing of the site and the end of a part of sawmilling history in the area.

Cambarville State School No. 4600 began taking students in 1943 and on its closure at the end of 1967 had educated 204 students. Past students have fond memories of growing up in a most beautiful part of Australia, amongst the tallest hardwood trees the southern hemisphere.

Reunion organizers have arranged for an informal gathering at Cambarville on Sunday afternoon between 1pm and 4pm followed by a dinner at the Crossways Marysville at 7pm. Sunday night. All past residents and students are most welcome. For more details contact Marlene Fiske (Halliday) on (03) 9872 4279.

ANGLICAN PRIEST LEAVING

On Sunday, 18th February, Father Norman Gray, Priest in Charge of the Anglican Parish of Marysville, informed the congregation that he intended to retire from the Parish on Sunday, 6th May this year.

Father Norman has been in charge of the Parish for the past two and half years (plus) and he will leave a void in the Parish.

He came to Marysville after two years of the Parish waiting for an appointment, and has endeared himself to many people in the general community. His ministry has been highlighted by the care and concern for all people in the Parish and beyond. He had been a great support to the sick, bereaved and others who needed the support of his ministry.

Father Norman, 72, is wishing to spend more time with his family in Melbourne.

He will be sadly missed in the Triangle area and we wish him all the best for his retirement and thank him for being with us and serving us over the years.

Marysville Police News

Marysville Police are currently investigating a residential burglary which occurred in Mt Kitchener Avenue during the weekend of the 10th and 11th of February. During the incident unknown offender(s) entered the premises by forcing a window. There has been nil property reported missing resulting from this entry.

Police have also received a complaint that youths were observed in the rear yard of a residential residence in Darwin Street. The occupants of the house observed youths in the rear yard after hearing noises during the early hours.

A new sign which was placed in front of the Buxton Hotel has been removed. The sign advertises the purchase of a block of ice for \$40 and includes other items for free (includes seafood & drink). Suspects have been named but the owners want to give them the opportunity to return the sign prior to making an official complaint to the Police. If the sign is returned there will be no Police involvement.

Between 10 p.m. Wednesday 14/02/07 and 2 am. Thursday 15/02/07 a car battery was taken from a Ford Sedan parked in Darwin Street, Marysville. The victim is one of our CFA volunteers and was attending a callout when the theft was discovered.

Please contact Marysville Police or leave a message on the notice board if you are able to assist with any of these investigations.

Thankyou for your assistance.

Parks Victoria Advises

Fox Control -

Bellel Creek section of Yarra Ranges National Park

Parks Victoria is committed to protecting and enhancing the natural values of parks and reserves across the State. Examples of this conservation management are the control of introduced plant and animal species which can impact on these values.

As part of an ongoing strategy notice is hereby given that Parks Victoria will be laying buried baits containing Sodium Monofluoroacetate (1080 poison) on public land for the control of fox. Baits containing 1080 poison will be laid from **Thursday 1 March 2007 until Saturday 31 March 2007.**

Baits will be laid at strategic sites and other known areas of fox habitat within the parish of: **Taponga.**

1080 poison signs will be posted throughout the baited area and members of the public who are living, visiting or working in the above named parishes are advised to take particular care not to disturb or interfere with bait stations. Domestic dogs and cats are particularly susceptible to 1080 poison and should be under effective control, muzzled or kept away from the poisoned areas.

Operational details may be obtained from Rhyl Shaw by calling the Parks Victoria Information Centre on 13 1963.

And from the fridge for lunch or dinner: Antepasta plate, Cheese platter, Sweet chilli & soy chicken wings, spiced lamb meatballs with two delectable salads.

COUNCILLOR COMMENT

This year I hold the portfolio for Administration and Finance. The portfolio covers how council does its business and most importantly the budget. During my time as a Councillor, the setting of the rates has often proven to be a difficult and interesting time. I believe our budget is really no different to any household budget, only we are on a bigger scale. Just like any household we need to take care of what we have and see if we can afford to have anything new. Council will commence the budget process during March.

Another part of the Administration portfolio is governance. For me, this is about how we do our work on behalf of the communality. We set standards of behaviour that are developed into a Code of Conduct. These standards include acting - with honesty and integrity, in the best interest of the public, being fair and impartial, using the position appropriately and complying with legislation and policies. All councils must form or review a Code of Conduct at the beginning of their term and it is available for residents to read.

Over the coming year I will provide more information on this portfolio. If you have any specific questions in this area we will be more than happy to talk with you about them.

As we continue to experience the serious drought conditions it is now

more important than ever to ensure anyone who is feeling the pressure that help is available. At council offices and stock and station agents brochures providing information and contact telephone numbers are available. Please contact those on the list and don't fall into the trap of self-assessment.

Until Next time a Thought for you -
"Life is not about winning or losing but what we do and how we do it."

Mayor's Chair

Good access is good for business. Access is an issue for all, particularly older adults, people with disabilities, parents with prams and strollers and delivery personnel. The council is committed to improving access across the shire and to this end has commenced an inclusiveness planning project. Alexandra, Marysville, Yea, Eildon and Kinglake will be surveyed, issues identified and priorities for improvement determined. If you know of any places where access is poor please contact the Manager of Community Services at the Council. The draft report will be presented to Council in April and there will be further public consultation in May. The final report will be used as a basis for decisions made by Council in improving access across the shire.

Additional staffing hours have been allocated to our libraries. The Yea library will conduct storytime for children 0 to 5 years on Wednesdays at 11am. Children and their parents will enjoy stories, songs, poems and craft activities. 'On the Couch' is an opportunity for Yea book lovers to enjoy a preview of some of the many books that are acquired by the library. This will be a regular on the Yea library calendar on the third Tuesday of the month, beginning at 7 pm. Thankyou to all at the Yea Men's shed who have built the trestle table for the storytime craft activities, and who are tackling the task of designing a box for the after hours bookchute.

The 'Freshwater Circus' is coming to Taggerty on Saturday 24 February at 3.30pm at Little River. Forget the drought and come on a short tour and take a fresh look at what's left in our fresh water. Bring your hat, sunscreen, sturdy footwear, picnic rug and the kids. RSVP - 57720278 for catering purposes by Thursday, 22 February.

Murrindindi Construction has recently completed work on Toohey's Road, National Park Road Kinglake, Andersons Lane Narbethong, Old Melbourne Road Marysville, Killingworth Road Yea, Forrest Road Flowerdale, Topsy Gully Road Yarck and the Yea Wetlands Cum-

ming Reserve access track.

All dust suppression works have been completed. Bell's earthmoving have commenced to load and cart blasted material at the Topsy Gully quarry for crushing and stockpiling.

Drought assistance is now open to all farmers in Exceptional Circumstance declared areas - and for the first time is also available to small rural businesses. Drought assistance has been extended until 2008. **Do not self assess**, call the Drought Assistance Hotline on 13 23 16, contact the shire office or Berry Street in Yea or Alexandra.

Murrindindi Shire Council

PAYMENT OF RATE INSTALMENT

Ratepayers are advised that Murrindindi Shire's third rate instalment for the 2006/2007 period is due and payable by the 28th February 2007.

Payment received for rates after the due date will be charged penalty interest. Penalty interest rate applicable is 11%pa.

Credit card payments, are now accepted at all Council offices and from a secure section on Council's website www.murrindindi.vic.gov.au. If paying by Credit card, you will incur the bank merchant fee (currently 0.98%).

Any queries regarding rate payments should be directed to the Rate department.

Your Health and Well-Being

From Community Health

Healthy ageing - stay physically active

Only around one in 10 Australians over the age of 50 exercises enough to gain any cardiovascular benefit. Some estimates suggest that about half of the physical decline associated with old age may be due to a lack of physical activity. It has been suggested that people over the age of 65, more than any other age group, require adequate fitness levels to help them maintain independence, recover from illness and reduce their high risk of disease.

Without regular exercise, people over 50 can experience a range of health problems, including: **Reduction in** muscle mass, strength, physical endurance, coordination, balance, joint flexibility, mobility, cardiovascular and respiratory function, and bone strength. **Increase in** body fat levels, blood pressure, susceptibility to mood disorders, such as anxiety and depression, and risk of various diseases including cardiovascular disease and stroke.

It is never too late to get fit. The human body responds to exercise, no matter what its age, and there are many health benefits. If you are over 40 years, obese, suffer from a chronic illness or have been inactive for some time, it's best to check with your doctor before embarking on any new exercise routine.

- Choose activities you find interesting. You are more likely to keep up with an exercise routine if it's fun rather than a chore.
- Exercise with friends. Make physical activity an enjoyable social occasion.
- Safe, easy and comfortable forms of exercise include walking, swimming and cycling.
- Start off slowly and aim for small improvements. Keep track of your progress in a training diary for added motivation.
- Don't overdo it.
- Choose appropriate clothing, footwear and safety gear.
- Don't let yourself dehydrate - drink plenty of water.

Organised exercise groups suitable for older people in Murrindindi Shire include Lifeball, Strength Training, Gentle Water Exercise and Gentle Land Exercise. More information available from Community Health staff.
