Plenty of Action on Gallipoli Park last weekend!

What a great weekend!

We had a lot of fun, great entertainment and now we have a new BBQ shelter in Gallipoli Park for which we have to thank a lot of people!

Firstly, the Alexandra Truck Ute and Rod Show Committee for raising funds, and putting it all together. The Alexandra Rotary Club for funding and cooking BBQ's.
So, thanks to: Upper Goulburn Freight Lines for the stage for Saturday night, Joe Talia singer and Prairie Oysters Band. Stuart Coward, John McKernan and Ben Shoesmith from E-Tec (electricians), Dean Connell, painter. Jeremy McCrae, Tim Whitfield and Devin Grant from Hedger Constructions. Marysville Police News

Police have heard that there have been a number of plant thefts occurring from private properties around the Marysville area, however these thefts have not been reported by the actual victims. If you or someone you know has had any plants removed or any other theft please contact the Marysville Police Station to report these incidences. If you have seen the persons responsible for these thefts, please contact the Police.

As more and more rebuilding commences we all need to be on the look out for any suspicious behavior. Please do not hesitate to contact the Police if you see someone on a property who you do not think should be there.

Marysville Police station Contact number is 5963 3222 or for all emergency calls contact 000.

MTCRC REPORT

It was great to see funding coming through for some of the community projects that had been given to the CRC. The Community plan which the CRC has been working on will now be reviewed with the projects which have been funded going to one side and a new top 25 projects to be selected.

There will be a new round of funding to be announced, hopefully before Christmas, so the MTCRC will be working hard to get these projects into VBRRA as quickly as possible. It won't be as hard this time around, as you, the community has already done most of the work by submitting your projects into the original plans.

With the weather improving, the whole triangle seems to be a hype of activity. There are blocks of land being prepared for building, houses being brought in on trucks, housing frames going up and it is great to see.

Plans have been submitted for some new shops for Marysville, so you never know, we might see something start before Christmas in the Main Street.

The Economic Working Group will be hoping to get together with business owners soon to get their views on how we can be of assistance to get the businesses up and going in Marysville again.
