## CONGRATULATIONS TAMARA

Tamara Wilson, aged 8, from Marysville, was the winner of the Junior Category in Yarra Valley and The Dandenongs Marketing photography competition.

As part of the region's Bushfire Recovery and Response, Yarra Valley and The Dandenongs Marketing hosted a free to enter, online photography competition to encourage visitation and showcase the rejuvenation of the region in springtime.

Tamara's image "Sweet September" was selected by the junior judges, Alanah Chapman and Duncan Peat. Alanah and Duncan chose this image as the most complete story of rejuvenation, showing nature's regrowth and the rebuilding of human lives. Tamara won a \$500 Kirks Camera voucher and a Pentax Optio W80 for her school, Buxton Primary.

The competition received over 100 entries from both Junior and Professional photographers and all entries can be viewed on [www.redbubble.com.au](http://www.redbubble.com.au)

The winner of the Professional category was John Munro for his image "Strathewen Smoko". John won a Tamron lens worth \$1,300 donated by Maxwell International.

Professional category judge, Michael Emmett said "Strathewen Smoko" stood out as the winner, telling a story in one frame, and using the rebuilding of a fence as a symbol, shows a new start.

The Junior finalists' photographs are on display at the World of the Platypus Healesville Sanctuary until 8th Nov, along with the top ten adult finalists.

and... Thanks and Congratulations to the Alex Truck, Ute & Rod Show, and to everyone else who helped..... a great job well done!
