## CFA's New Flag

### MARYSVILLE FIRE BRIGADE NEWS

We have a new Australian Flag!

On Sunday last we played host to a dozen or so members from the Kinglake Fire Brigade and they brought with them an Australian Flag with an interesting history.

This flag flew above the home of a Kinglake ambulance driver, who wishes only to be known as "Dave", on black Saturday.

"Dave" insisted that the Kinglake brigade present us with the flag, after hearing about our old one being stolen a few weeks ago on Jon Faine's radio program.

We had a great BBQ, well cooked and presented by John and Judy, and then a couple of hours of "getting to know you" with the Kinglake members. This was followed by a tour of the town as they hadn't been here since the fires.

We sincerely thank "Army Dave" for the flag, and Captain of Kinglake, Craig Lawless and his crew for bringing it over. Thank you

## FREE ENTERPRISE AT WORK

Local business proprietors Nat & Beryl Morandi and Greg & Lianne McEwen joined Derek Reynolds with temporary accommodation on 1st June.

Examples of what a free enterprise country is all about.

Unable to rebuild their shop premises in time for this year's snow season, they have made an investment in the weather. They have not waited for the snow to fall, a grant to emerge, or an income flow to commence, they have made a commitment to the future with no guarantees.

Congratulations to you all.

It has a couple of scorch holes in it from embers and so it has an honourable history attached.
