Over 100,000 visitors for Lake Mountain this season

On Saturday 21st August Lake Mountain held their annual Lake Mountain Cup toboggan race day. With big dumps of natural snow falling during the week and plenty of snow being produced with the snow making equipment, the toboggan runs were all in pristine condition.

There were over 150 entrants competing in various age categories throughout the day, with many more spectators and supporters. A frosty morning meant that conditions were perfect for racing with the juniors clocking up some very quick times.

The teenage heats were started by Minister Tim Holding who was up enjoying some cross country skiing for the day. The most competitive entrants were definitely the 'big kids', with the adult category having more entrants than any other heats for the day.

For those not interested in toboggan racing there was a snow sculpting competition and special appearances from the Lake Mountain mascot Lenny the Leadbeater's Possum.

Snow showers throughout the day added to the fun filled atmosphere. Concluding event proceedings was the staff race, with onlookers in fits of laughter observing hilarious costumes and ridiculous race antics.

The Lake Mountain Cup is just one of the successful events that the resort has held this

year. Other events this season have included the Family Fun Day opening event, Mini Series and Bullfight Charge run by the Mt Bullfight Ski Club.

Lake Mountain is experiencing a wonderful season so far with over 100,000 visitors coming through the gates and with further snow falls predicted in coming days the season is far from over yet.
