## MOPS "CLAYTON'S" OFFICIAL OPENING

The Official Opening you have when you're not having an Official Opening A very casual event, with no "top brass" invited, only the VIPs who helped to get it all up and running, and we know that Andrew was there as well, even if only in spirit. The minimum speeches thanked those that had helped with funding, fixtures and time and effort.

Mrs Fusspots and friends provided a lovely Country, Home Made Morning Tea. A true Community effort. The Community wanted MOPS to return, so in typical Marysville style, and with extraordinary determination and effort, made it happen. Congratulations to all involved.

Photos: Above, the street sign for the original Mops and below, the new, with some of the 40 + volunteers. Upper left, speeches over, the bubbly was opened, and below left, the interior of the shop.

Due to an abundance of donations, we request that NO CLOTHES be donated until further notice.

The shop is going well, and we thank everyone for their support.

## MARYSVILLE & DISTRICT HISTORICAL SOCIETY INC.

### *Razed and Raised*

Our old premises were totally destroyed on Black Saturday - along with a lifestyle, as environment and many friends.

The journey back has been difficult to say the least, but the generosity of people from all over Australia and the world has been extraordinary. We wish to acknowledge the assistance of Mr Andrew McKenzie who collected many artifacts for us and Mrs Janet Schultz who as facilitator has enable us to do the alterations to the building bought from Mr Michael Darmody. We were able to buy the property because of the generosity of an old friend, Mrs Yvonne Knight, who left the Society a bequest. How grateful we are!

So now we can tell the story. Our displays follow the pattern of the story which was told in our former premises - Pioneers, Timber, Tourism & Marysville general e.g sport, school, personalities etc., and the RSL story.

Now, add tot his mix a beautiful Art Gallery, all donated, and an incredible Photographic Display in framed pictures and thousands of photographs in albums, camera, DVDs, CDs etc.

The Melbourne Meccano Club wanted to remember our wonderful Manical Mechanicals shop, hence the super display which is now a permanent addition to our own story.

Kitchenalia, a Dentist's chair, a magnificent Library, a Bottle collection - all great to see.

Part of the story of Marysville & District now includes the events of Black Saturday 2009. We remember those who died and celebrate the renewal of life within our district.

**Visit the Local History Centre in Darwin Street over Cup Weekend.**
