BUXTON & TAGGERTY

Friday June 29th 2012

President Neil Guscott

Vol. 39 No. 24

## Lions Club Changeover Dinner

Marysville & District Lions Club Annual 'Changeover' Dinner was held last Wednesday at the beautiful Narbethong Hall.

After two years as President of the Marysville & District Lions, Glenn McFadzean has stepped aside for the new President-elect, Neil Guscott.

'Friends of Lions', volunteers who have assisted the Club throughout the year were guests for the evening.

Past District Governor Phil Wensley, accompanied by wife Lorna both long time friends of the Club, officiated for the installation of the Board.

Before stepping aside, Glenn made some presentations:

Firstly a cheque to Simon Prior of Buxton Primary School to assist with the cost of transport of the students to the Boite choir event in Melbourne.

Jan Emblin was presented with the President's Appreciation Award for her work with the Dalton Fiske Foundation.

Glenn also presented Neil Guscott with an award in Appreciation for Community Services.

Norman Fiske received a Helen Keller Fellowship plaque in recognition of his dedication to the Community and particularly to the Tool Library.

Last but not least, Helen Maunsell was awarded a Helen Keller Fellowship plaque in recognition of her dedication to the Community and particularly to Children's Mobility through the Lions National project.

Thanks go to My Chef Mike and his staff for the delicious meal.

## Men's Shed works start!

In an appropriate way to begin, volunteers have provided the labour and equipment needed for preparation of the site for the construction of the Men's Shed in Pack Road.

Bruce Ackerman and Dave Harrison both put in many hours on a beautiful June day a couple of weeks ago.

On behalf of the Men's Shed members, many thanks guys, well done!

**Marysville & Triangle Youth Group**  
**AGM**

**5.30 pm Tuesday, 24th July, 2012.**

Pathways Office, Village Walk, Marysville.

All welcome.

## Local residents honoured in 2012 Queens Birthday Honours List

Not one, but two Order of Australia Awards (AM) for life-long Marysville residents Leigh Jowett and Bruce Ackerman. Leigh and Bruce have both lived and worked in Marysville all their lives and during the February 2009 bushfires, both of them assisted emergency services in the horrific aftermath of Black Saturday.

As Bruce says, "There are many who deserve an award for their actions during and after the bushfire, and that the community should acknowledge their bravery and actions."

Awards will be presented at Government House in September and I'm sure we all look forward with the boys to this exciting event!

Merran Guest

# Australian Red Cross

THE POWER OF HUMANITY

The Australian Red Cross would like to thank the residents of the Marysville Triangle for welcoming us into your community.

Unfortunately we were not able to visit everyone and many of you were not at home when we called. If you would like one of the Community Information Kits that we were distributing please pop into the Pathways office to collect one.

## VILLAINS FIGHT TO THE END

Marysville's veterans footballers travelled to Emerald last Sunday on what turned out to be a cold blustery day on the hill. Once again with a full side and players on the bench the boys were confident going into the match. Emerald opened the scoring with a supergoal through a 50m penalty and the villains were one player down due to red card, but kept themselves in the game with some hard running and strong tackling. Donko kicked a great running goal to keep the scores close at the first change.

The second qtr was dominated by the home side as they kept pushing forward, and would have scored more freely if not for the great efforts by the villain defence, led as usual by Deany, and supported by Greeny and Ritchie. Greeny was injured late in the qtr witch hurt the defensive lines as the home team kicked late goals to stretch their lead.

Once again the villains were up and about for the third term, with Fish, Milky and Schinky getting on top in the mid field, and giving our forwards plenty of the ball to work with. Two goals to Heardy and one through Wally put us right back in the game, as Trout and Paul Renouf got plenty of the ball.

Emerald kicked away early in the final term, but a goal from Nev gave the visitors some spirit as they fought the game out all the way to the final siren. Once again a fantastic effort and proving that no matter what the score the villains will fight to the end. The Emerald coach praised our efforts and admitted that the scoreboard was not a reflection of the game.

## Mayor's Chair

The 2012-13 Budget has been completed and many thanks to all those who made submissions.

While it is a key step, the Budget is not the end of the work instigated with the Service Review. Our pursuit of increased efficiencies continues and managers and staff are revising their processes to ensure the required level of service is achieved within the tight limits that have been imposed.

With only a few months left before the next elections there are two major tasks still to be undertaken. A review of the method for rates allocations was commenced at the start of the year and then held over until the Services Review and Budget consultations had finished. We now plan to resume that review which will include consultation with the community of the various options for determining rates.

The second task is to develop a long term vision providing a broad description of the Shire we want by 2030. Do we want to retain the cur-

rent balance of forests, farms and residential housing? Do we want to develop more industry and have a higher population? How should we prepare for a world running out of oil? Do we want to hold back the spread of the Melbourne metropolitan development or become part of it? If we want to retain our youth in the area what options are we willing to support? How do we support our aging population? How can all these aspirations be accommodated and integrated?

Producing Vision 2030 is a major task that we started in January 2009 but deferred until the crisis and subsequent recovery were under control. Our aim in the next few months is to provide the opportunity for the community to provide their aspirations for the Shire. These can then be consolidated for subsequent Councils to build into a long term Vision to support applications for major projects and to influence Regional plans.

Cr John Walsh

## Marysville Golf Report

There are many die hard golfers who will attempt to play regardless of the temperature or the conditions. The die hard Marysville golfers were certainly challenged this week with low temperatures, heavy rain and chilly winds.

Apparently golf balls are not as resilient in cold weather and the air is denser resulting in a loss of distance. The Wednesday golfers braved the conditions to play a stableford round but the scores suggest that they were unable to adapt to the conditions! The winner was Laurie Wright (30) with 26 points followed by Ian Wilton (20) with 23 points. The Thursday nine holers preferred to stay at home rather than adapt their game and the competition was cancelled.

By Saturday, despite being able to see snow on the nearby Mount Margaret, conditions on the golf course had improved and a good number of players played in a 4BBB stableford event. The winners were Ron Jones and Ken Whittingham with 46 points followed closely by Daniel Archibald and Keith Mc Claine with 45 points.

The nearest the pins were won by Ken Whittingham and Ming Kuan. Congratulations to all the weekly winners.

The area to the right of the 10<sup>th</sup> fairway has been changed from GUR (ground under repair) to OOB (out of bounds) and during the presentation after play it was announced that Ken Whittingham is the first player to hit his 10<sup>th</sup> Tee shot out of bounds!

Next Saturday the ladies will play the third round of the Club Championship and the men will play a stroke round.

For information about the club, membership, room hire and forthcoming events please contact Barbara at the club on 5963 3241 or visit the website on [www.marysvillegolfandbowls.com.au](http://www.marysvillegolfandbowls.com.au)

### Regional Catchment Strategy Forums

The Goulburn Broken Catchment Management Authority (CMA) is renewing the Regional Catchment Strategy, which sets the priorities for managing natural resources.

We have spoken to people around the catchment about issues for local communities and the environment. Now we want to get your input to see if we are on the right track.

We invite you to come along for a cuppa and a chat with others from your community.

Check out our progress at [www.WeConnect.gbcma.vic.gov.au](http://www.WeConnect.gbcma.vic.gov.au)  
For more information or to RSVP for catering purposes please contact Goulburn Broken CMA on 03 5820 1100 or via [reception@gbcma.vic.gov.au](mailto:reception@gbcma.vic.gov.au)

## Councillor Comment by

On 15 and 16 May I represented the Mayor at Katoomba (from *kattatoon-bah*, waters tumbling over hills) for the inaugural Australasia Cittaslow AGM. Cittaslow is part of a cultural trend known as the 'Slow movement'. Yea, along with Goolwa and Katoomba is the third Cittaslow town in Australia and part of an international network of cities where the living is easy and where the quality of life is protected and preserved.

Whilst Yea is a designated Cittaslow town there is no invisible boundary across our Shire that marks where Cittaslow starts. Our whole shire can reflect the Cittaslow values of caring for the environment, community decision making, encouraging local food producers and artists, supporting local businesses, encouraging a healthy lifestyle, preserving our history and celebrating the unique qualities of the area and welcoming visitors to our region.

Essentially Cittaslow is about creating a great quality of life that brings benefits to the community.

Cittaslow towns take the time to identify what is important and special about their town and region and then implement ideas to preserve these unique qualities.

It is easy for anyone in the shire to mention that Yea is a Cittaslow town and then talk about how their business or project fits with that. Businesses can apply to display the Cittaslow snail logo and like the Ruffy Produce Store who plan to display the snail, make the link with what they do.

President of Yea Cittaslow Adele Anderson believes, "Cittaslow sets the shire apart as a point of difference and it is there to be used to promote the whole area. We think that slow tourism offers us a great way to promote all sorts of things.

It is possible for other towns to become accredited, Yea's experience was very positive and a wonderful way to learn about the town and made us proud of all we discovered through this positive process".

Slow down, go for a walk through our picturesque towns and buy local, seasonal produce, supporting small producers and restoring time-honored methods of the production of slow food.

Cittaslow enquiries can be directed to Adele Anderson on 03 5797 2650 or [adele@cittaslowyea.org](mailto:adele@cittaslowyea.org).

## Murrindindi Shire Council POSITION VACANT Executive Assistant Part Time Fixed Term .4 EFT

Council is seeking a self motivated, enthusiastic person to undertake the role of Executive Assistant, based at Council's Alexandra Office. The position is a job share role (2 days per week), commencing in August 2012 for a period of 12 months.

Murrindindi Shire Council is committed to providing a challenging and rewarding professional environment for staff. Here is an opportunity to work with, and for the betterment of, your community.

This senior administrative position will provide high level executive support to the Chief Executive Officer and Councillors. You will be highly organised, professional and demonstrate strong administrative skills in this pivotal role.

A position description and additional information can be obtained from Council's website at [www.murrindindi.vic.gov.au](http://www.murrindindi.vic.gov.au) or by contacting Tammy Fallon on (03) 5772 0337. Please address the selection criteria in the position description.

Applications must be in writing and should be clearly marked "Confidential – Executive Assistant" and addressed to Margaret Abbey, Chief Executive Officer, Murrindindi Shire Council, PO Box 138, Alexandra 3714; or may be emailed to [msc@murrindindi.vic.gov.au](mailto:msc@murrindindi.vic.gov.au)

Applications close 5.00pm Friday 13 July 2012.

## Works improve Yea facilities

Significant drainage projects are close to completion in Yea, with the works to significantly support storm water mitigation and reduce pooling.

Council's Asset and Infrastructure spokesman Cr Chris Healy said the works in Miller Street and the Yea Recreation Reserve would alleviate nuisance drainage issues in times of rainfall and storm events.

"There has certainly been pressure placed on our drainage system over the last couple of years because of the increased rainfall we have experienced," Cr Healy said.

"By undertaking these Yea works, we aim to eliminate pooling and to create a drainage network that can better handle significant weather events."

Works in the Yea Recreation Reserve have included ground leveling, drainage works to lessen pooling at the western end of the oval, and laying crushed rock for better patron and vehicle access.

The \$55,000 project is being carried out by Shaw Excavations.

Council has also installed three drainage pits in Miller Street to support storm water run-off. The new pits will redirect water into the Yea River. The \$14,000 project is in its final stages.

Miller Street has also received a considerable upgrade to the footpath.

The \$120,000 footpath project has created an all weather access path from the Town Hall to the hospital. The project is being carried out by Tytan Concrete.

"The result of these works will certainly assist many in the Yea community and visitors to the town," Cr Healy said.

**Photograph:** Murrindindi Shire Council staff enhance Yea's drainage network.

## Works to stabilise and improve Break O'Day Road

Works to stabilise Break O'Day Road have started with more than 25 sections to be improved under the \$290,000 program.

Global Contractors are undertaking the works which are expected to take two weeks to complete – weather permitting.

Council's Asset and Infrastructure spokesman Cr Chris Healy said identified patches would be secured with a lime and concrete stabilisation technique and would be bitumen-sealed.

"We ask that motorists do take care while travelling the road," Cr Healy said.

"The works will certainly enhance the road surface that has deteriorated overtime from a number of factors including adverse weather and age in general.

"It is important that people do drive to the road conditions and respect that there could be some minor delays while the works are carried out."
