EL KANAH'S COMMUNITY OPENING !

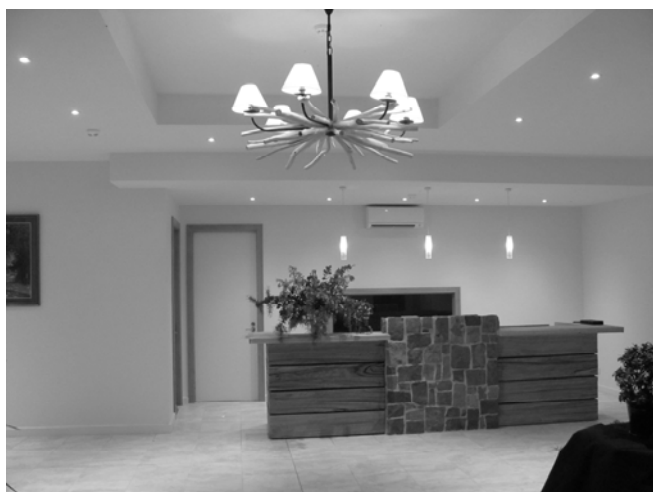

What a wonderful night we had welcoming our guests from the Marysville/Buxton area and beyond. It was a great night of celebration with guests eating in our new dining room with delicious food prepared and presented by Chris Muir, Terracotta Room, and our busy dining room efficiently managed by Barbara Muir, our Operations Manager, with her team, Letitia, Briana and Victoria. A big thank you to all of them plus Terry, Elizabeth and Liz, the cleaning staff, our volunteers and others in El Kanah and in the community who all worked so hard to ensure that El Kanah was ready for the grand opening on Friday, 1st March. In addition, a large number of our guests very much enjoyed the Marysville Cultural Community's Concert held in our Conference Room. We also had the pleasure of showing many people around and received very positive comments. It has been a

long journey to rebuild with many frustrations along the way. However, we are delighted with our new building and it has turned out very much as we desired. The journey of getting the site in order has still some way to go as there is still a huge amount to do with landscaping and replanting gardens, etc., but we will get there.

Thank you so much to the community for all your encouragement and support, it has been very much appreciated. Please feel free to drop in to El Kanah and have a look around if you would like, we would be very happy to see you.

With best wishes,

Vera and Peter Gill

First stage of skatepark is ready for action

With school holidays fast approaching the things to see and do in Marysville have increased with works completed on a new skatepark at Gallipoli Park.

With a design that caters for all ages, the skate facilities have been put together by Independent Concrete Constructions which have also been responsible for skateparks in Kinglake and Flowerdale.

Cathedral Ward Councillor Christine Challen said attention would now turn to developing a half court basketball area, landscaping and construction of a shelter.

"This project has been supported by Regional Development Victoria, the Lions Club of Marysville and private contributions. It is pleasing to see the works completed after some time in the making," Cr Challen said.

The works have not been without challenges, with significant rain last year during major construction stages throwing out work schedules.

"It is pleasing that the skatepark will be available to young and old coming into the school holidays. It will add to the family atmosphere that has been created across Gallipoli Park," Cr Challen said.

"We have received positive feedback from young people in Marysville who have been eagerly overseeing the works. We look forward to the skatepark being fully landscaped and blending in to what is a fabulous area."

Marysville Golf Report

It was another busy Saturday at the Marysville Golf Club when the annual Lakeside Marysville challenge was held. Lakeside Golf Club is situated near Albert Park and when preparations for the Grand Prix are taking place the golfers do not have access to their course. Hence the establishment in 2010 of the Marysville Lakeside Challenge. Last Saturday in hot and humid conditions ninety golfers played a stableford round for the fourth annual challenge. The winning score is calculated by adding up the best 20 scores from each club and this year the Lakeside golfers won the trophy with 682 points just 13 points ahead of Marysville.

Congratulations to all the Lakeside golfers. The Marysville daily winner was Beverley Bellman (28) with an impressive 39 points on a count back from Ming Kuan. Ming's round included an excellent eagle on the Par 4 6th hole. Lakeside winners included Les Cox, Jack Goodlass, Rose O'Connor, Ron Angove, Dave Hickleton and Charlotte Paton The nearest the pins were won by Ron Angrove, Jack Goodlass, Mark Doherty (Alexandra Golf Club) and Neil Campbell. Dean Connell won the men's longest drive competition. After play all golfers enjoyed socializing over a delicious lunch prepared by Mike the Chef and his team.

Our thanks to all those involved with organizing this event especially the two club captains Don Read and Sean Williams. The Marysville golfers will look forward to trying to regain the trophy in 2014!

The Wednesday golfers played a stableford round with Laurie Wright (22) winning with 36 points and the in form Helen Howard runner up with 31 points.

The Thursday nine holers played stroke on the front nine holes and Ron Denmead won with nett 33 which included just 13 putts. The runner up was Graham Page with nett 34 and Bob Emblin won the nearest the pin on the 4th hole.

On Thursday six ladies played in the Phyllis Williams Bowl at Seymour. In searing heat 60 ladies from many Dalhousie clubs and further a field played a stableford game. Home club Seymour won the Bowl and Marysville golfer Beverley Bellman was the C Grade runner up with 35 points. Our thanks to the Seymour ladies for their hospitality. On Thursday 14th March Liz Amos and Lesley Rundle will play in the Woodend Bowl.

Next Saturday both the men and ladies will play a stroke round when competition fees will be donated to the Anti Cancer Council.

Good Golfing.

MAYOR'S CHAIR

The Australian Honours and Secretariat at Government House in Canberra has advised that they have received thousands of nominations for National Emergency medals in relation to the 2009 fires and the 2010 floods.

We hope to be advised soon of the outcomes for our first set of nominations at which time we will determine an appropriate way to present the awards and thank the recipients.

The final batch of nominations submitted to Council's National Emergency Medal Committee will be sent off shortly once final checks have been completed.

If anyone still wants to make a nomination, Council will provide advice on the criteria and the process to be followed. I thank all the members of the Committee for their excellent and valuable work in supporting this important process.

Last week I had the pleasure of opening the HiArts Exhibition at Highlands.

It was the 10th anniversary show and the standard of paintings and

sculptures on display demonstrated how far the show has progressed.

The expanded craft activities over the weekend further enhanced the breadth of artistic endeavours that have become a feature of this unique event. It is a credit to the work of a vibrant committee and supporting community and provides another great advertisement for the Murrindindi shire.

I congratulate all involved and look forward to the next 10 exhibitions.

The fire at Trawool and the continuing hot weather remind us that even though we are getting late into the fire season and despite the good rain two weeks ago, we cannot afford to be complacent.

Please make sure your fire plans are still in place; protective clothing is still at hand; pumps have been tested and gutters are still clear. We all need to keep playing our part to support our own wellbeing and to assist all our volunteers.

Council continues to meet planned expectations

Murrindindi Shire Council continues to meet the goals of its 2009-13 Council Plan.

In the latest report tabled to the Council, more than 80 activities had started, were in progress, or had been completed.

Mayor John Walsh said the figures were pleasing, but the challenge remained to deliver on the four year plan.

“Council has continued its advocacy to the State Government on the securing of resources to contribute to the cost of the operating, maintaining and renewing of the gifted and novated assets as a result of the 2009 bushfires,” Cr Walsh said.

“This process has been positive and our CEO Margaret Abbey continues to meet with State Government- appointed consultants providing advice to Local Government Victoria who are investigating the full extent of our circumstances.

“We are providing addition information information to the government consultant and we are continuing to get a good response from Spring Street.”

Cr Walsh said other activities highlighted under the plan including an up-to- date Vulnerable Persons Register that could be accessed by a number of emergency service providers.

“We also continue to recognise the great work of our volunteers including the annual Volunteer Week events. And of course our Positive Ageing community event held in February was an outstanding event with around 90 participants and we have worked with the Alexandra District Hospital on an integrated Diversity Plan.

Tourism and economic development have seen some outstanding work completed assisting in the support and development of the new Marysville Hotel and Conference Centre. Council provided a strong role in an open day that was held in November last year for members of the public and business operators to view the plans and discuss opportunities with the developers and operators.

“And Council officers continue to fulfil the agreed outcomes of the Goulburn River Valley Tourism agreement including the conduct of the second Tourism Industry Leadership Program. All 12 Murrindindi participants graduated from this program.

“As I say it is very important to promote the heart of Victoria.”

Cr Walsh said another key achievement was the adoption of the Murrindindi and Lake Mountain Draft Municipal Fire Management Plan.

“Council and our staff are committed to delivery great things for our community,” Cr Walsh concluded.

Dear El Kanah,

Welcome back! How lovely you are. Splendid and stylish on the outside, and impressive and elegant on the inside. The entire effect is graceful and romantic. More than a hint of yesteryear and yet, casting your mind back to the previous building, Oh yes! Soooooooo different! For example, the staircase with its backdrop of glass, the chandelier reflected at night, the acoustics whisper quiet in the auditorium and so on. Lots of space, even your dining room is bigger than before. What a joy you are!

Congratulations to your architects and engineers, craft and tradesmen. Special thanks to the brave team of cleaners, so often forgotten, the ones who mopped and mopped again and endlessly clean. Congratulations also to the El Kanah Board, headed by the amazing Vera and Peter Gill. You have created a WOW factor for everybody to feel proud of. Well done! Often the statement is heard why can't all of Marysville look like that? Well we did ask, didn't we?

You have enough strength and fortitude to stand up for centuries AND high rating accommodation, BYO licence plus delicious food.

So El Kanah, you are looking forward to a large clientele including the residents of Marysville. All of your old guests are looking forward to visiting, and will be charmed by your good looks, services and a warm welcome.

Hopefully smart guests will take advantage of the Bowls and Golf Club facilities, and everything else in Marysville, as they did previously, (where else is there anything similar, or so classy and beautiful). Several groups have booked in already commencing last weekend.

By the way, the original building was built in the shape of an aeroplane. You are now built with one wing missing. Will you build that wing later? Your landscaping is coming along nicely, and much more is planned. Yet to be finished are other small details. But all this is very exciting.

There are lots of events coming up to which local residents will be invited to join. New staff are arriving as we speak. Some are to take up residence within your grounds in staff houses. Local lady Barbara Muir is the Operations Manager, dotting her i's and crossing her t's, a young couple and his family are arriving soon and Vera and Peter Gill are still with us guiding the ship.

The name El Kanah, means God's Possession. El Kanah is a "not for profit organisation" and registered charity and it's heart is to help those in need. Counselling has continued post fires, and this together with Marriage Education programs, Retreats, Conferences, Seminars and many other events will recommence. El Kanah welcomed the Marysville Cultural Community on Friday, 1st March 2013 together with many members of the community to its opening night. There was a great warmth in this gathering and a very enjoyable evening was had by all.

Congratulations and best wishes for your fabulous future.

Nancy Leslie.
