Lake Mountain Ski Patrol

WITH WINTER just around the corner, Lake Mountain Ski Patrol (LMSP) is recruiting additional volunteers to help look after the thousands of day trippers who head to the Lake Mountain Resort each season for some fun in the snow. Ski patrol is an integral part of the resort operations keeping the mountain safe for visitors, providing first aid services and general advice to the public and assisting with searches if the need arises.

On weekends the patrol, is operated by volunteers who compliment the work of paid patrollers who look after the resort from Monday to Friday.

Prospective patrollers need to be fit and competent skiers, or willing to learn. The importance of LMSP is highlighted by the fact that Lake Mountain is the closest alpine resort to Melbourne and averages about 100,000 visitors each year.

Since Belgravia Leisure took on the management of the resort 18 months ago, there has been a welcome injection of strong support for LMSP.

"Ski patrol volunteers do an incredible job looking after our visitors and keeping the mountain safe," said Scott Gamble, the resort manager for Belgravia which was recently reappointed by Lake Mountain Alpine Resort Management Board to continue managing the resort. "The patrol is an exceptionally important part of our operations and, if we are doing our job well to attract visitors to the resort, there is a flow-on of benefits to the local Marysville triangle region," Scott said.

The patrol team comprises a group of dedicated and enthusiastic volunteers who share a passion for the snow and the outdoors. The patrol is based in a modern first aid facility at the resort with a range of state-of-the-art equipment ready for any emergency that may arise.

Wearing their highly visible red ski patrol jackets and first aid packs, a typical day on the mountain sees patrollers rotate between the base, the extensive network of ski and snow shoe trails, toboggan slopes and other resort facilities.

"Ski patrolling is a great way to volunteer because, not only are you helping out, but you get to ski in a beautiful environment and work as a team, and have fun, with like-minded people," said Bronwyn Howell, an Alexandra resident and teacher at Alexandra Secondary College who joined LMSP in the mid 1990s.

"We're required to keep our (first aid) skills current through the Australian Ski Patrol Association (ASPA) which provides the best first aid course I have ever done," Bronwyn added.

Paramedic student at Monash University and ski enthusiast, Nicole Paulding said being a member of LMSP added a further dimension to her university studies in a fantastic setting.

On one of her first patrols, she assisted with the evacuation of a visitor who broke his leg after an awkward fall. LMSP Secretary, Cathy Sutton noted that, given their exposure to the first aid

response environment, several ski patrollers have opted for career changes and gone on to become paramedics. Patrollers are required to be 18 years or older and have a minimum Level 2 First Aid qualification. Regular patrollers are subsidised to gain further, national accreditation through ASPA.

Ski patrollers receive complimentary resort entry to Lake Mountain and on-mountain accommodation is available on rostered weekends.

There is also an expectation that patrollers are available to be rostered for a minimum number of weekend days throughout the winter season.

A training weekend for current and prospective patrollers for the 2014 winter season will be held at Lake Mountain on June 14 and 15.

For those interested in being a volunteer patroller, please contact Catherine Sutton, LMSP Secretary on 0403146378/ ccsutton@gmail.com

Marysville Golf Report

Last Saturday the Marysville golfers hosted an event promoted by Golf Victoria and in glorious sunshine the visitors and members played a mixed 4BBB stableford game. Visiting golfers represented Woodlands GC, Victoria GC, Bendigo GC and players from the Bendigo Bank. The visitors were impressed with the golf course and many promised to return and suggested the 'Marysville Challenge' becomes an annual event.

The winning combination was Keith McClaine from Marysville and Bev. Manallack from Woodlands with an excellent 48 stableford points. The runners up were Bendigo Bank players Matt White and Brock Pinner with 46 points. The nearest the pins were won by Liz Amos, Brock Pinner and Ray Jones. Our thanks to Steve Manallack from Woodlands and Ken Whittingham, Nick Williamson and Adam Littlejohn from Marysville for assisting with the organization of the event on Saturday. Members and visitors also wish to thank Rob Christie, Kellan Fiske and the volunteers for preparing the course which looked stunning in the autumn sunshine.

On Thursday the nine holers played stableford on the back nine holes. The winner was Geoff Ferguson with 17 points followed by John Moore with 14 points. Roger Thomas won the nearest the pin event on the 18th hole. Congratulations to all the weekly winners.

On Thursday six ladies will travel to Strathbogie to play in their annual Bowl. The finishing touches are taking place to the new clubhouse and the official handover will be within the next two weeks. Members are looking forward to moving in to the beautiful new facility and sharing it with the local community and visitors from far afield.

Next Saturday the men will play a stableford round and the ladies will play a stableford round for the second round of the silver spoon.

Good Golfing.

Mayor's Chair by Cr Margaret Rae

The alignment of State and Federal budgets at this time of year inevitably leads to much discussion and media coverage of the main issues. Whilst much of what is in either budget is dependent on whether the proposals are ultimately passed by the respective Parliament, there are some items which are part of current agreements and so will be implemented immediately.

One of these is the decision to freeze the amounts received by Councils through the Federal Assistance Grants - meaning that there will be no CPI increase for the next three years. The final impact of this on our budget is not yet known as a further part of the decision relies on how the Victorian Grants Commission decides to apportion the pool of funds across the recipient Councils. Negotiations are under way to determine how best this might be done so we must wait to see how that pans out.

We have to be realistic though and be prepared to adjust our budget, our future projections and our operations for this unanticipated shortfall in our revenue.

I say this, not from a perspective of doom and gloom but simply to share with you, in the context of 'no surprises', that this is yet another impact that we will need to include as we build our different models for future budgets. So many of the issues that constrain us from developing and growing as a shire are externally generated and/or imposed – not to say unexpected at times – that our ability to control and respond is severely limited.

This is why advocacy needs to also have a high priority and we are taking every opportunity we can to speak with political representatives of all persuasions so that they can gain a better understanding of the pressures and needs of our community. It is good to see that some are taking the trouble to come to visit us for firsthand information. In addition, over the past week, I have attended a range of forums including ones held by the Municipal Association of Victoria, Rural Councils Victoria and the High Country Councils Coalition, and this gives us the opportunity to articulate our messages and to access the additional strength provided by these peak bodies.

This might all sound somewhat intangible but we need to do the hard work, not only in the detailed analysis and preparation of our documentation but also to combine this with advocacy and representation. Whilst it is possible that we may not achieve what we are striving for, one thing is certain – if we don't try everything, then we certainly won't achieve anything!

So we're in it to win it – for our long term future.

Councillor Comment

There's so much chatter about budgets, taxes, levies and cuts it's hard to think about much else. However, as I'm writing, I can't stop looking around at a blaze of colour - vibrant hues of red, orange and gold juxtaposed against a backdrop of native evergreens. And I can see two Liquid-ambers within 4 metres of each other wearing contrasting, though many-coloured, jagged coats. As if that's not distracting enough, the sun is shining with glorious warmth on my face with barely a breath of wind to disturb the sensation.

I've been prompted to outline some of the impacts to Council from the Federal Budget but Black Cockatoos are flying over, alerting the bush of their haphazard foraging amongst the Blackwoods and taller gums, to the exuberant protest of neighbouring Kookaburras and flocks of adolescent Crimson Rosellas; a welcome cacophony compared to the squawks coming from talk back radio this morning.

And as I'm trying to think of Financial Assistance Grants and the Roads to Recovery Program my mind keeps wandering onto what to prepare for dinner - maybe soup with home-grown pumpkin and herbs accompanied by local olive bread and cheeses - while enjoying a cosy evening at home, sitting by a fire and enjoying a favoured beverage. In just a few hours the mist will start to hover and drape a gigantic lucent tarpaulin over the valley. The views that galvanise us are reminiscent of a treasured story book.

Goulburn River Valley Tourism recently launched its Destination Management Plan and details many opportunities to invest in our region. Just think how spectacular Eildon is at this time of year! I've often enjoyed rugging up late in the day and going for a stroll, looking out over the expanse of bejewelled water, watching the swans foraging on the pondage and seeing the neat rows of houseboats moored at the harbour; imagine then, the prospects for sensitive waterfront development. Walks along enchanted tree fern gullies at Toolangi and Marysville are features of our region as are superbly maintained parks in Alexandra and Kinglake, the boardwalk along the Steavenson River at Buxton and the more rugged hikes through the Cathedral Range. No one could forget the panorama of the Valley of a Thousand Hills around Strath Creek.

I wonder how many people are enjoying this splendid day on the cusp of winter, cycling the Great Victorian Rail Trail at Molesworth, Yea, Alexandra and Yarck. Where will they stop to revive with a cappuccino and carrot cake?

Try as I may, I can't focus on the current plethora of fiscal doom and gloom. There are too many diversions.

I'm not being trite, ignoring the fact that we will feel pain from the current 'financial tightening', nor would I understate its significance. We'll have difficult decisions and sacrifices to be faced by many in Murrindindi Shire. But to keep things in perspective, I believe we've much to be thankful for; we live in a breathtakingly beautiful part of the world, we often derive the most pleasure from the simplest things and we belong to strong, supportive communities. We're creative, resilient and resourceful. These are virtues that really matter and should come at the top of our 'advantages lists' when we have to weigh up our priorities.

Please refer to our draft Council Plan and Budget on www.murrindindi.gov.au, the Destination Management Plan on www.goulburnrivervalley.com.au and Victorian State and Australian Federal Government Budgets - only if you must.

The Biggest Morning Tea

The Biggest Morning Tea was held on Monday 19th. May in The Village Walk.

The weather was perfect after a cloudy start, about 45 people enjoyed sitting in sun having a cuppa and cake or sandwich, while our judges had twelve entries in our Chocolate Brownie Competition, the outright winner was Sue Pearce. Congratulations Sue.

Once again lots of goodies were raffled. Jill Christie won our lovely cup and saucer planter with her lucky door ticket.

Many Thanks to our sponsor Marysville Caravan and Holiday Park, our Judges Chris and Mike, and those kind people who gave donations to the Raffle Table, contributed to Morning Tea and gave to this great cause whether they were able to attend or not.

Special Thanks to all my helpers. We raised \$685.00 for the cancer council.

Early Years Conference delivers inspiration

After eight months of planning by the Murrindindi Children's Network Subcommittee, the Building Beyond Early Years Conference took place on 8 May at the beautiful 'El Kanah' Guest House in Marysville.

The setting was perfect for the 85 participants - early year's professionals from around the Shire of Murrindindi and others that had travelled from outside our Shire boundaries for the conference.

The Early Years Conference – the first of its kind in the Murrindindi Shire was opened by Marysville-born Bernie Geary, O.A.M. the Principal Commissioner of the Commission for Children and Young People.

MC for the day was Australian journalist, author and entertainer Gretel Killeen who kept the congregation in line with her trademark humour and grace.

Other speakers were Cathie Nolan from DEECD, Colin Slattery, Sabina Read, Tracy Dunkley, Annette and Margaret from Berry Street and Karen Glancy. Breakout sessions were held throughout the day with music from Kate and Karen from Family Care and a healthy party snack presentation from Jaimie Poorter.

Council's Manager Community Services Naomi McNamara said that the full program of speakers engaged brilliantly with the attendees sharing their inspiration and wide range of expertise.

"Feedback received at the end of the conference was positive and participants felt that the day brought about far more effective collaborations which we hope will lead to better outcomes for our vulnerable families", said Ms. McNamara.

The conference would not have been possible without the support of the Foundation for Rural and Regional Renewal (FRRR) and the Foundation of Graduates in Early Years Study, whose financial support ensured that inspirational guest speakers were able to be engaged and that participants costs could be kept to a minimum.

The continued support of Family Care, Berry Street, Family Day Care and Yea Hospital also assisted in making the conference a success.

The Murrindindi Children's Network Subcommittee are thrilled with the outcome of the conference and are already discussing the possibility of holding another conference next year.

Building Our Business Community

Murrindindi Shire Council staff attended the Building Our Business Community networking forum held in South Morang on Wednesday 21 May.

The event, now in its second year provides fantastic networking and learning opportunities to business operators, business support organisations and entrepreneurs from the region.

Pictured here are Council staff with some of the Murrindindi Shire business owners who were present at the function.

L-R: Anne Leadbeater (Anne Leadbeater Consulting), Grant Scale (Council Planning Officer), Ken Adams (Marysville Caravan Park), Margaret Rae (Mayor of Murrindindi Shire), Christine Adams (Marysville Caravan Park), Lisa Wallace (Council's Tourism Officer), Sarah Light, (Council's Events Coordinator), Bob Elkington (Council's Manager Economic Development), Sally Macdonald (Smack Creative) and Brad Quilliam (Member of Rotary and Building our Business Community event organiser).

Buxton Fire Brigade

Fire Station re-opening

While Buxton Fire Station has been off-line for construction works for several months, Buxton Fire Brigade has continued to be fully operational for turnouts to incidents by garaging the fire trucks nearby at members' homes and storing essential equipment in the tennis pavilion at Buxton Recreation Reserve and in Buxton Memorial Hall.

Construction works are mostly completed. Buxton Fire Station is operational again with the fire trucks now being garaged there.

There are lots of changes to the fire station and surrounds. It is being 're-opened' on Sunday 1st June 10:30pm, and local community members are welcome to drop in to eat a snag and inspect new facilities.

Marysville Football Report

Woori Yallock handed out a walloping to the Villains last Sunday. The final score was not a pretty sight for the 'green and gold' - 95 points in arrears and it could have been worse.

Woori clearly came to Marysville still smarting from the pain of their humiliating defeat at the hands of the Villains in last year's finals. From the first bounce they set about a ruthless and systematic 'goal fest'.

Unfortunately for the Vets, a number of recent injury woes saw them line up undermanned and clearly missing some of their key players. The 1st quarter saw Woori take a four goal lead but with straighter kicking the lead could have been far greater (3/6)

By half time the vets had only seen three single flags waved and Woori had sprinted to an eight goal lead.

More pain for the Villains was to come. The third session saw the Woori goal umpire flapping like an angry magpie (5/6) while at the other end saw no action (0/0).

In the final 20 minutes the Villains secured 2 super goals thanks to the superb finishing skills of Luke Schacner. But Woori were not yet finished as they added another 5 goals to put paid to any hopes of a remarkable Villains fight back.

Clearly Woori Yallock was the better side on the day.

On the positive side the Villains fought hard all day. Our backs continual pressure caused their opposition to miss the 'big posts' 19 times! Coach Dean Connell paid tribute to his team who, though clearly undermanned and outclassed, put in a "mighty effort" nevertheless.

Best players Ritchie Timms, Tony Carr, Ralph Hume, Leigh Fisher, Luke Schacner, Matt Rogers and Adam Littlejohn.

In a 'call to action' Dean would love to hear from anyone who could add to our depleted numbers by pulling on the boots.

The Villains next match is Sunday June 1 away against Wandin.
