Vol. 41 No. 23

NEW AMBULANCE COMMUNITY OFFICERS IN TRAINING

Two local people are currently undergoing training as new volunteer Ambulance Community Officers (ACOs) to serve our Community and ensure that this district has the best possible ambulance coverage; continuing a tradition of over 60 years.

Alexandra District Ambulance Support has, for some time now, been providing ongoing assistance to the local Ambulance Victoria service by raising funds for extra training and equipment to ensure that our region has the best possible emergency care.

With ADAS support, Bill Terhaar and Grant Edward are currently in training under the watchful eye of Ambulance Victoria Paramedic, Ian Leister, in pursuit of their goal of becoming a qualified ACO. ACO training is delivered online and locally under supervision of the local AV team leader.

ACOs are an integral part of the ambulance service providing flexibility and also freeing up Paramedics to enable better coverage of our area. An ACO can assist a Paramedic on ambulance trips that sometimes require a five hour turn around which, in the past, meant that two Paramedics can be taken out of the area for often 20 hours a week or more, leaving residents vulnerable in the event of an emergency.

Faster response times are another

positive aspect of the scheme and during the ski season at Lake Mountain, a permanent Paramedic backed up by ACOs is stationed at Marysville for the duration of the winter season. In summer, any emergency on Lake Eildon can be dealt with by a similar team in Eildon.

Initially, becoming an ACO is a voluntary position, although ACOs are paid for the time that they are on duty. However, it is proving to be an extremely good career path. Four of the full time Paramedics at Alexandra and four at Yea started their

careers as ACOs, went on to train as Paramedics and returned to the area as permanent employees of Ambulance Victoria.

If you are interested in finding out more about becoming an ACO, please contact Andrew Woollard on 5772 1580 or drop into the Ambulance Station in Wattle Street below the hospital.

Marysville Golf Report

Last Thursday whilst the nine holers played at Marysville four ladies were playing at Avenel Golf Club in the Silver Salver event. One of the few courses in the State to have sand greens it is always a challenge to play at Avenel but Liz Amos had a successful day winning the A Grade with 31 stableford points. Liz also won the Veterans section and a nearest the pin. Well played Liz. Our thanks to the Avenel ladies for hosting the event and congratulations to the ladies from Strathbogie for winning the Salver.

The nine holers played stableford on the front nine holes and the winner was Graham Page with 21 points. The runner up was Lois Hardham with 19 points on a count back from her husband John. Rob Christie won the nearest the pin with his tee shot on the 4th hole. During the week a number of people assisted with transferring items from the temporary site offices into the new clubhouse. Thanks to all the helpers and to Bob Emblin and Rob Christie for their landscaping work around the clubhouse. This work enabled the members to use the clubhouse before and after play on Thursday and Saturday.

On Saturday some men played the second round of the individual match play competition whilst others played a stroke round. Steve Krueger, Steve Coker, Brendan Krueger and John Norfolk will proceed to the next round of the individual match play. The winner of the stroke round was Ian Wilton (25) with nett 69 on a count back from Ming Kuan. The ladies winner was Rebecca Lee (28) with nett 79 followed by Helen Howard (21) with nett 80. The nearest the pins were won by Ming Kuan, Steve Krueger and Adam Littlejohn who also won the golden shot. On Thursday three ladies will play in the annual tournament at Euroa and next Saturday the men will play the third round of the Par Shield whilst the ladies will play a Par round. Good Golfing.

Mayor's Chair by Cr Margaret Rae

We recently had a Special Meeting of Council to hear submissions as part of the budget process and I would like to thank those who took the time to present their ideas for Council's consideration.

Now that we are reaching the end of that process, our attention is occupied with many other issues but the theme of affordability underpins many of these considerations.

We have already indicated that we will be canvassing future strategies with the community in the event that the support we need might not be forthcoming. However, that does not mean that we have thrown the towel in. Quite the contrary. Amongst other things, we are regularly meeting with politicians of all persuasions in order to advocate for the needs of our community and to ensure that each and every person we speak with goes away with a very clear understanding not only of the challenges still before us but also of how far we have come and what has been achieved.

The very clear message we give on your behalf is not a 'sob story' or a begging for a handout but an articulation of the unanticipated consequences of the generosity our Shire has experienced. The reality is that the situation has to be managed going forward and no matter how resilient and resourceful we are, support is both necessary and appropriate.

Councillors and council officers are working as a team to deliver this message loud and clear but to be most effective we need you to be part of the team as well. We do not want our communities to experience reduced services, increased costs, deteriorating infrastructure, loss of amenities or increased rates, all of which are potential consequences of our current financial projections.

Until rebuilding and development have progressed to the extent that there is sufficient revenue to meet our expenditure in a sustainable way, additional support will be required in order to avoid such stringent measures. Rather we are striving to be in a position where we can support our communities more directly to help them grow and prosper. And, whilst we are putting plans, frameworks and structures in place to encourage and facilitate future development, it is clear that such things are progressing more slowly than originally anticipated and we need to bridge the gap to allow appropriate growth to happen. This is not meant to be a 'doom and gloom' message but a realistic appraisal of the situation. With your understanding, your help and your support over the coming weeks and months, we can make our message a clear and coherent one as we work together for our long term future.

Afternoon Delight

A visit to the Marysville History Centre by officials from the Royal Victorian Historical Society on Wed. June 11th. left Mary and Reg Kenealy speechless. The visit, a supposed catch-up, was planned as a surprise for the former secretary and president of the Marysville & District Historical Society. Professor Don Garden, president of the RVHS presented Awards of Merit to the stunned and emotional couple who have served the local Historical Society for many years.

A lovely repast was made available by the Society members and was enjoyed by all. Thanks go to our visitors for making the trip to Marysville and for everyone who made such a delightful afternoon possible. Who says you can't keep a secret in Marysville?

Upwey take the points despite strong performance from Villains

Our home match against Upwey Tecoma saw the Villains fight hard all day but in the end just couldn't get over the line. Spectators were treated to numerous displays of quality team play by both sides. Thanks to excellent passing by hand and foot the ball was often delivered quickly into the Villain's forward line only to be repelled by the determined Upwey defenders. The away side got off to a good start and held a four goal lead as the siren sounded to end the first quarter.

The second term saw the Villains fight back and win the quarter, kicking 3 goals 4 behinds to Upwey's 2 goals 3 behinds. With the Villains still having every chance of victory, the third quarter continued the monumental struggle. 10 minutes into the 3rd term and the Villains got to within a couple of kicks of the lead. But a few late Upwey goals took the gloss off a great effort by the "Green and Gold".

As the final quarter got underway the Villains still had a sniff of victory and with their 'never say die' attitude fought hard to the end.

Best players – Lucas Russell, Tony Carr, Leigh Fisher, Rod Grotaers, Brain Heard and Richie Timms with Brodie 'Biscuit' Arnott also deserving of special mention. The Villains next match sees us head to Croydon North on Sunday 29th June in what will be a tough encounter, but the boys are keen as mustard to take the four points.

Final Scores Marysville Villains
6/8/44 V Upwey Tecoma 11/17/83 (2 super goals)

Have your say on Council's Draft Waste Management and Resource Recovery Strategy

During April Council consulted the community on what they believed was important in the delivery of waste services within the Murrindindi Shire. Comments were sought through the completion of a survey and via community engagement sessions held at Resource Recovery Centres.

The feedback received during this consultation period has informed the development of a Draft Waste Management and Resource Recovery Strategy.

Infrastructure and Waste Portfolio holder Councillor Bernie Magner, said that the strategy would provide Council with a clear plan in addressing priorities in relation to the delivery of waste and recycling services.

"The consultation period that led to the development of this draft document allowed us to seek the community's satisfaction with the current level of waste services provided and understand their attitudes to various recycling initiatives.

"The valuable feedback that we received has assisted us in being able to set priorities for the next five years in relation to our waste and recycling program and services," said Cr Magner.

Over 300 people put forward their comments on Council's waste management services either through completion of the Waste Management Survey online or by attending the community engagement sessions held at the Alexandra, Yea and Kinglake Resource Recovery Centres. Those that participated in the survey had the opportunity to go into a draw to win an iPad Mini.

"I am delighted to inform that the winner of the draw was a gentleman from Alexandra who braved the cold and rather wet weather to attend one of our 3 comment.

The document can be viewed at Council's offices in Alexandra, Yea and Kinglake, or is available online at www.murrindindi.vic.gov.au/publiccomment.

Feedback will be accepted until Monday 7 July 2014.

RECORDS FALL AT 18TH ANNUAL ALEXANDRA TRUCK UTE & ROD SHOW

Just about every historic record was broken on the Sunday of the June long weekend when the 18th annual Alexandra Truck Ute & Rod Show eclipsed most of its historic records.

Firstly a pleasantly comfortable sunny winter's day drew what is considered a record attendance.

"We are a free public event held in our main street Grant Street and surrounds so we really can't calculate the total attendance.

"But we are confident on anecdotal evidence that it was a record attendance" Show President Matt Ellis says.

"There were strong entries in all vehicle categories including a record 152 trucks which entered in the truck section which extended over several kilometres along Grant Street.

"There must have been at least \$25 million value of trucks, towing and logging equipment on show together with classic cars, utes and rods".

On the previous Saturday afternoon the Victorian Truck Drivers Memorial established in Rotary Park was officially opened before almost 300 guests.

The official dedication was performed by the Rev. John Bottomley director of the Creative Ministries Network in the presence of local member Cindy McLeish with Parliamentary Secretary for Transport Gary Blackwood MLA representing the Victorian Government.

The Memorial has been built as a community project with major support from transport industry sponsors, the Murrindindi Shire Council, together with the Grief Support Service of Uniting Care to provide a place of quiet reflection for the partners and families of those that have lost their lives in transport related accidents.

Already there are 60 names recorded by plaques on the striking memorial structure where many visitors to Alexandra stopped to view the structure.

Alexandra's main street traders who opened their stores for business on the day also reported excellent trading.

So too did the dozen or so local community organisations who provide the food and refreshments service on the Sunday with most reporting successful trading and will be devoting their profits to local projects involving sporting and service clubs, schools and kindergartens.

The long queues which formed for a cup of soup, a sausage in a roll, a hamburger or an egg and bacon sandwich also showed how much the affordable offer of something to eat or drink is appreciated by visitors to the Show.

The day's entertainment from the main stage was provided by the much appreciated appearance by Greg Champion from ABC Radio's Coodabeen Champions, the Jetty Road country and western band and up and coming young entertainer Emma Hales.

Kenworth trucks were successful in winning fifteen of the awards in the Truck category with the Truck of the Show Award being claimed by Anthony Latorre with his new spectacularly signwritten K200 model.

In the Ute category the fifteen awards were well shared round and the Ute of the Show Award went to Ragman with his Holden VU SS entry.

In the Rod category there were ten section winners with their restored vehicles which ranging from a 1930 Ford Coupe and Roadsters to a 1974 XB Ford Coupe.

The nineteenth annual Alexandra Truck Ute & Rod Show will be staged again on the Sunday of the Queen's Birthday Weekend in 2015.
