August 8, 2014

President Graham Taylor

Vol. 41 No. 30

Marysville and District Lions Club provided an amazing night of 'world-class opera' with the recent presentation of Opera Australia's 'The Magic Flute.'

Opera Australia included Marysville in their 33-performance eastern states regional tour, along with many major regional cities, and the show was indeed a great one.

Lions worked hard for many days before and after the event, to put on a 2-course Dinner and Show, and facilitate Opera Australia's huge 12mtr x 9mtr stage, all unloaded from a semi-trailer, and re-packed again on the night, after the show! A massive logistical exercise at the Community Centre, but it was worth every minute of it!

Mozart's 'The Magic Flute', is one of the most popular Operas staged by Opera Australia, and our audience reaction on the night verified that! We have also had some wonderfully positive feedback after the event.

There are many in the Community the Lions Club would like to thank, including the Marysville Youth Group who helped with the food service, the wonderful Primary School parents with the dishes, 'Lions Friends' who helped with the set-up and the long pack-up on the

night, Glen Fiske, Kerry McFadzean and their team for the marvellous meal, Marysville Patisserie for their wonderful help with 'desserts', McKenzie's who provided a bus from Healesville, and Richard Uden for his great service from Alexandra. Jamie Fiske and Trudi Ackerman did a great job as 'booking office' at the Visitor Information Centre!

Also a special thankyou to our bar men, Shane and Matt from Alexandra, who volunteered their time and even worked through until almost 2am assisting with the pack-up until finished.

Well done all! Thank you.

All Lions Club members who were 'in town' worked tirelessly to help, and we had 'best wishes' sent from a distance, from Lions who were away! The Community Centre once again proved to be a great venue for such a large production!

The Comedy Festival and The Opera were a

huge commitment from the Lions Club, and we sincerely hope all who took part in the two productions had a great time. We welcomed visitors to Marysville from many different areas of Melbourne, and Opera Australia's troop of about 40, spent the Saturday, and a rest day on the Sunday, patronising local venues. Well Done to All!

Above: Some of the patrons before the show
Top: "Curtain Call" with most of the cast.

Adventurous Cooks

Monday 11th August - 11am

Winter Warmers

Banish the winter chills with Cheese and Leek soup, followed by a Tagine of Lamb with Apricots and Rhubarb (made in the Pressure Cooker, of course). Then we'll make our own Ricotta and use it in Ricotta-Orange-Honey Puffs. And if it is really chilly we might help it all along with some mulled wine.

Join us to chop, chat and develop new skills and techniques. New members welcome. RSVP Thursday 7th August. adventurouscooks@gmail.com or phone Lynne Stone 0417 299 160. Cost \$10.

We need your HELP!!

The Gallipoli Park Precinct Committee of Management needs
your help on

Sunday 17th August at 9.00am.

The posts around the Trevor Harrow Oval at Gallipoli Park
need to be cleaned in preparation for a fresh coat of white
paint.

We have a school group from Carey Grammar coming up to
paint the posts around the oval early in September and they
need to be clean.

There are 100 posts to paint so "many hands will make light
work".

The CFA and their truck might assist with a squirt here or
there if they are available.

There will be sausages on the BBQ and the coffee and tea
will be hot.

**Please call Jers on 0417 344 833 for de-
tails or just turn up with a bucket and a
scrubbing brush.**

Thanks

Marysville Golf Report

Despite cool conditions and high winds the Thursday nine holers played stableford on the front nine holes. When a tree on the golf course fell onto the Marysville Buxton Road the golfers fortunately were safely on the second fairway. The daily winner was Graham Hume with 19 points followed by Roger Thomas with 17 points who also won the nearest the pin on the 4th hole.

On Saturday both the men and the ladies played a Par round for the Monthly Medal. Heather Jenkins was the only lady willing to face the challenging conditions so was the winner of the August Monthly Medal. The men's winner was Adam Littlejohn (18) with +3 followed by Damien Archibald (15) with +2. The nearest the pins were won by Damien Archibald, Yewls Kuan and Sean Williams.

Next Saturday both the men and the ladies will play a stroke round for the first round of the Winter Aggregate.

On Monday Liz Amos, Gail Leigh and Helen Howard played in the Dalhousie District Jean Wallder Bowl at Lancefield. Members would like to thank these three ladies for representing Marysville at this event.

Members and friends are looking forward to the opening of the new 'The Bunker' restaurant on Friday 15th August. To make a booking for this special night contact the club on 5963 3241.

Advertise your regional tourism event for free

Do you hold a tourism event within the Shire of Murrindindi?
Your event may be able to be listed in the Murrindindi Shire Calendar of Events brochure October 2014 to April 2015.

The brochure is distributed to all Visitor Information Centres within Murrindindi Shire, surrounding regions and Melbourne's Federation Square.

Application forms are available from:

- Council's website - www.murrindindi.vic.gov.au/events
- Council offices at Alexandra, Kinglake or Yea
- Email slight@murrindindi.vic.gov.au or call on 5772 0341.

Applications close on Monday 18 August.

Don't forget about adding your event to our online Calendar of Events. Go to www.murrindindi.vic.gov.au/events and click 'suggest an event'.

Mayor's Chair by Cr Margaret Rae

It can sometimes seem in life that each day brings with it a range of hassles and irritations and we seem to spend more time focusing on the things that worry us than the things that give us pleasure.

Not that these things can be avoided but it is also good to stop the world and smell the roses - something I was able to do recently when I pruned my roses and picked three vases of blooms in the process. The perfume from these gave me great pleasure for days.

Not long after, I attended a presentation on garden tourism given by an international authority from the USA. Apart from being a very entertaining presentation combined with some beautiful photographs, it was also a terrific opportunity to gain a much greater understanding of the contribution that gardens make to our society.

While the emphasis was clearly on the economic benefits of gardens in the tourism industry and how gardens (and gardeners) of all shapes, sizes and qualities can contribute in that way - for example, figures in America suggest that visitors to American Public Gardens outweigh the visitor numbers to Las Vegas, and in Australia, some 38% of the population over 15 years of age visit at least one botanic garden each year, making it second only to watching movies as the most popular cultural activity - the real message for me was about the value of the wider benefits of gardening.

Those of us who are gardeners know that getting lost amongst our favourite plants is the best way to restore balance and harmony to life, to feel a sense of achievement, to grow flowers, fruit and vegetables to share with friends and family and to provide endless topics of conversation and opportunities to share knowledge, seedlings, cuttings and much more. Gardening keeps you fit and is undoubtedly addictive!

Our own Open Gardens program has been part of our lives for over 20 years and each year I look forward to the Open Gardens weekend at the end of October. In the middle of winter, just thinking about this event is enough to lift the spirit and to look forward to the joy of spring. Then in November we will be able to share in the Yea Open Gardens weekend, closely followed by the Marysville Open Gardens weekend. No wonder our visiting guru said to me how impressed he was with what he had learned about our wonderful community groups and what they are achieving. He has written a definitive text on the subject and I am pleased to say that I took the opportunity to obtain a copy for our library. 'Garden Tourism' by Professor Richard Benfield will be available in the library in the near future.

For me a garden teaches me patience and reminds me that not only do the best and strongest plants often take the longest to grow but also that the more effort I put into the garden the more I get out of it.

In many ways a very good analogy for life.

Students add new life to Mount Pleasant Reserve
Alexandra Secondary College students braved the cold weather to help plant trees at Mt Pleasant Reserve in Alexandra as part of School Planting Day.

On Thursday 24 July, 16 Year Eight students planted 20 Red Stringybark and 20 Grey Box trees in the Mt Pleasant Reserve that they had raised from seeds collected from the adjacent McKenzies Reserve in 2013. Under a program run by the Murrindindi Climate Network in 2013, the then year 7 students collected tree seed from these species and have spent the past year raising them into tube stock to be replanted.

The Mt Pleasant Reserve in Alexandra is under a Trust for Nature Covenant, managed by a Committee of Management and owned by Murrindindi Shire Council.

Redgate Ward Councillor and Murrindindi Shire Mayor Margaret Rae said that the Reserve represented the now endangered plains grassy woodlands which were once quite widespread throughout the district.

"The tree planting adds to the revegetation that has been carried out by the Committee of Management over many years and helps in its goal of recovering the original vegetation

"The process of collecting seed and then raising tree stock from those seeds has given these students a very hands-on and personal approach to their learning.

"Through the collaboration of Council, Alexandra Secondary College, Murrindindi Climate Network, Upper Goulburn Landcare Network and the Mt Pleasant Reserve Committee, the tree planting project has been integrated into a management plan for the Reserve. This is a fantastic representation of what can be achieved when community groups and government come together to achieve a shared goal.

The tree planting at Mt Pleasant Reserve coincided with Planet Ark's National Tree Day, which took place on Sunday 27 July.

Murrindindi Shire Council's Environment Officer Sue McNair helped coordinate the student tree planting day with the help of members from Mt Pleasant Reserve Committee of Management, Murrindindi Climate Network and Upper Goulburn Landcare Group.

"The students worked well together to plant, guard, stake and water in the plants. Special thanks to the Upper Goulburn Landcare Group's Fire Recovery Officer Chris Cobern who prepared the holes for us.

"Over time we can all enjoy watching these plants grow into mature trees and the students can be proud of the contribution they have made to the future of this precious reserve."

A BIG THANKYOU

I would like to say a big THANKYOU to the community members who over the past 5 years have volunteered 100's of hours to rebuild our communities. The CRC and then the MTCA were the lead groups to help rebuild our communities and as of the 30 June 2014 it was decided to retire these committees. With the majority of the rebuild now completed, it was time to move on, but in saying this you find that a lot of these people are still volunteering their time in other groups and working just as hard for the benefit of the community.

The time spent by the people involved in the CRC/MTCA could vary from 5 hours to 50 hours a week dependant on the projects and funding that was required at that time and to help our community recover effectively. That was time spent away from their own families that needed them also, as they went through their own recovery. I don't think our community understands just how much these people gave up for the good of community and there would be very few projects in this area that these groups didn't have a hand in one way or another.

There will be one last project and that will be to produce a report showing how the rebuild was achieved from the Committee side, not the Government.

So thankyou once again, it was a pleasure working beside the many people that were involved.

Tony Thompson

Department of
Environment and
Primary Industries

Fox control – Lake Eildon National Park, Rubicon State forest, Cathedral Range State Park, Marysville State forest, Yarra Ranges National Park and Toolangi State forest

The Department of Environment and Primary Industries and Parks Victoria are committed to protecting and enhancing the natural values of parks, reserves and state forests across the state. Examples of this conservation management are the control of introduced plant and animal species which can impact on these values.

As part of an ongoing strategy, the Department of Environment and Primary Industries is continuing to lay buried baits containing sodium fluoroacetate (1080 poison) on public land for the control of foxes. Baiting commenced Monday 13th January 2014 and will continue until **Friday 19th December 2014**.

Baits have been laid at strategic sites and other known areas of fox habitat within the above mentioned forests and parks, and within the vicinity of townships Eildon, Rubicon, Taggerty, Buxton, Marysville, Narbethong, Healesville, Warburton and Toolangi.

1080 poison signs have been posted throughout the baited areas and members of the public who are living, visiting or working in the above named areas are advised to take particular care not to disturb or interfere with bait stations. Domestic dogs and cats are particularly susceptible to 1080 poison and should be under effective control, muzzled or kept away from the poisoned areas.

Further details may be obtained by contacting Emily Borton at the Department of Environment and Primary Industries at Alexandra on (03) 5772 0200.

Sweet Victory!

It was the last kick in the last quarter of the last game of the season.

15 seconds left on the clock, five points behind. This kick would mean the difference between going the whole season without a win or sealing a mighty victory. The home crowd held their breath as Heardy lined up for the most important kick of his career. GOAL!!- the stand erupts with a mighty roar - it's victory - sweet victory for the Villains by 1 point - the narrowest of margins!

You'd have thought they'd won a premiership - the boys are delirious - a come from behind win in the dying seconds of the match - it's what Aussie Rules is all about.

The final home match was played on a bright sunny winters Sunday. Emerald, who took the points first time round, were keen to repeat their performance on the Trevor Harrow Oval. But the Villains had other plans and with a full list, plus some extras on the bench, confidence was high for the Green and Gold.

The first quarter was a tight struggle with Emerald taking an early lead but by quarter time their lead was just 2 points

As the half time siren sounded Emerald had increased its lead to a couple of goals but it was still anyone's game.

It was more of the same in the 3rd quarter with both sides having chances to bury their opponents but as the oranges were sucked at the break Emerald still held a 15 point lead.

Coach Dean's final address of the season was a cracker. "Boys" he said "there's just 20 minutes left and I'm asking you for one last mighty effort. We can win this match, we've been nipping at their heels all day, just give it all you've got. All I'm asking is that you leave nothing in the tank - one last gutsy effort and we'll beat these b****'s!"

The Villains had listened to their coach and the fight was on. With 7 minutes to go Coach Dean, leading by example, breaks free from a skirmish and snaps an inspirational goal. The boys have hit the front! But the joy is short lived as Emerald breaks from the centre bounce and put another 6 points on the board.

Dead on their feet, tanks empty, heartbreak just seconds away.

In one last mighty effort, the ball comes out of the centre, a final kick to a packed goal square - everyone flies and when they hit the ground it's Heardy who stands tall - the man who'll still be telling his grand kids 30 years from now that that was his finest moment.

Everyone deserves praise for their effort but special mention has to go to Lucas Russell, James Cowell, Brian Heard, Rod Groeters, Leigh Fisher and Ritchie Timms who were the best of the best on the day.

Final Scores

Marysville 8/11/59 Emerald 9/4/58
