Launch of Marysville Jazz & Blues Weekend

For a fun night of live music and laughter come along to the Marysville Community Golf and Bowls Club on Friday 29 May for the official launch of the **Marysville Jazz and Blues Weekend**.

Whilst the inaugural Marysville Jazz and Blues Weekend itself will be held over the weekend 16 – 18 October later this year, the launch event will see the release of the program for the weekend with live music supplied by Marysville's own Bev and Leigh Fraser and a screening of the cult classic movie *The Blues Brothers*.

And one of the best features of the night is that it is **FREE**, although donations to help support the weekend will be very welcome.

If you haven't seen the Blues Brothers before you are in for one of the wildest rides of your life, and if you have seen it, it's probably time you started out again on another "mission from God". Follow the adventures of Jake and El-

wood as they attempt to reform their old blues band after Jake has completed his stretch on the 'inside'. Together, Jake and Elwood form the most dangerous combination since Nitro and Glycerine!

The Marysville Jazz and Blues Weekend marks another major step forward in the new Marysville as a destination for all occasions and enhance its growing reputation for some great music, a reputation that was commenced by the formation of our pans bands following Black Saturday. Marysville resident and Festival Director, Mr Peter Guest, said that the Jazz & Blues Weekend will provide visitors with an opportunity to catch some great jazz and blues but will also offer the district a chance to showcase some of the fine musicians we have in the area. Local artists and bands will be a feature of the Weekend which will also see one of the first performances of the Alexandra Brass Band now reformed as The Redgaters.

The launch and the screening will commence at 8.00pm and will be free. **Although not compulsory, there will be prizes for the best male and female who come along dressed in the style of a Blues Brothers inspired character.**

The Bunker Restaurant at the Marysville District Golf & Bowls Club will be putting on a special *Blues Brothers* themed menu for dinner from 6 o'clock, although you can come along for just the launch, live music and film from 8 o'clock. **Bookings for the dinner are essential** and can be made by phoning the Bunker Restaurant on 5963 3241.

More information about the launch event and the Marysville Jazz & Blues Weekend can be found at www.marysvillejazzandblues.com.au or by phoning 0419 393 292.

Mayor's Chair Cr Margaret Rae

It has been an intensely busy period recently - we often talk about life happening in peaks and troughs and Council life is no different. The commitment we have made to working on behalf of our communities and making representation for our Shire is constant and we are working very hard to raise the level of understanding within government and other agencies about the good things that are happening and the potential for achieving much more.

Part and parcel of that is, of course, the need to highlight where deficiencies and obstacles exist particularly in respect of those issues where there is limited ability for direct Council action and where the cost of undertaking appropriate work is outside our capacity. This is very true of matters in respect of planning, for example, where support from the State Government's Flying Squad to assist audits, data management and documentation is essential to assist in the development of structure plans. In addition, representation to the Minister for Planning, his advisers and the department regarding the long term benefit of undertaking development investigations is extremely important so that we can gather additional understanding towards planning for future growth in our shire. Increasing our rate base, as we all know, will bring benefits for everyone.

The issue of improved telecommunications is another critical one. Many of you will have heard me refer to 'black miles' rather than 'black spots' but it is true that we have many areas and lengths of highway in our Shire where connectivity is simply not possible. Improvement in this area will be of assistance not only for residents, for safety and for emergency services but also would enable increased business activity, increased education opportunities, and improved event management. I was at a presentation a little while ago that outlined smart ways for business to attract overseas visitors - apparently their first need is for available/ free/fast Wi Fi. This was reinforced only last week by a group of Vietnamese delegates who visited us - their first request was for access to Wi Fi.

These and many other issues have therefore been the focus of our activities over the past week. Just to give you a flavour, apart from hosting the Vietnamese delegation I just referred to, we also met with the Parliamentary Secretary for Tourism, Major Events and Regional Victoria, Danielle Green together with the member for the Northern Victoria Region, Jaclyn Symes; with the leader of the Victorian Greens, Greg Barber; with the Minister for Planning, Richard Wynne, and with the Ministerial Adviser to Natalie Hutchins, Minister for Local Government. I also attended the Rural Councils Victoria Forum where many current issues were discussed including the State Government's rate capping proposal. This provided interesting insight into the current thinking of the Essential Services Commission which is considering submissions in order to inform its report to Government on how this might be implemented. There were also presentations on other topics which included Federal Financial Assistance Grants, the work of the Independent Broad-based Anti-corruption Commission (IBAC), on Regional Development Victoria (RDV), together with addresses by the Minister for Local Government and the Minister for Planning. We will continue to take each and every opportunity to make our voice heard on behalf of our communities.

Letter to the Editor

Dear Editor,

As part of my commitment to consult, I am conducting the 2015 Budget Impact Tour (BIT) and inviting all residents of Indi to participate.

The 2015-16 Federal Budget contains measures that will benefit Indi, including the Partnership for Regional Growth. This document outlines how the Government plans to foster growth and development in our regions. Also announced on Budget day was a \$12 million commitment through the National Stronger Regions Fund for three major projects, making Indi the number one recipient in Victoria.

BIT survey forms are available online at www.cathymcgowan.com.au/bit or the Wodonga and Wangaratta offices. People can also attend a Listening Post, visit the BIT website for information. The BIT is running until May 31.

The survey information will be compiled in the 2015 Indi Budget Impact Tour Report. This report will be made public, presented to Parliament, and given to key Ministers and Senators.

You can contact my office on 03 5721 7077 for further information or to volunteer in the BIT.

Regards

The Village Walk

Shop to Let or Sales Position

By the Falls Homewares & Decor is in process of expanding their retail space and business in the Village Walk as part of a 'makeover' of the retail precinct.

The adjoining shop in the central courtyard has become vacant and is available at a modest rental.

Alternately, consideration is being given to establishing a concept store, the first in Victoria, of highly attractive and marketable products to tourists, accomm. establishments, and local residents.

We require a suitable person to manage the business, preferably with retail experience, but just as important, with enthusiasm and good 'people skills'.

A third option could be a 'pop-up' shop for the winter with the prospect of continuing thereafter.

MARYSVILLE GOLF REPORT —

This week is "Volunteer Week", a time when we thank those who give their time freely. At the Marysville Community Golf & Bowls Club we would like to take this opportunity to thank the band of volunteers that help at the club. To the volunteers who help Kellan on the course — Geoff Ferguson, Bob Emblin, Liz Amos, Roger Thomas, John Hardham & Michael Wood — thank you. Thanks to the new committee — Travers Stow, Rebecca Lee, Sean Williams, Alan Howard, Steve Coker, Heather Jenkins & Adam Littlejohn for taking on the task of managing the club. Many of these members have renewed their commitment to the club by joining the committee again this year. Thanks to Ken Whittingham, our retiring President, who oversaw the redevelopment of the club but is now taking a well-earned rest. To the Captains, Adam Littlejohn & Lesley Rundle, many thanks. Particular thanks to Lesley who also acts as the Ladies Secretary, organising our tournaments, putting in the entries to our Dalhousie events, & writing the weekly report which goes into The Standard, The Triangle & out to members. To Sabrina Stow, Helen Howard & Peter Lilley, who are always willing to put up their hand for any task, & to all those I have overlooked but who do their bit to support the club, it is much appreciated.

The committee has been working at several streams of promotion for the club. These include tee sponsorships, sending flyers about Marysville to golf clubs throughout Victoria, marketing to motorcycle & car clubs, & establishing annual competition days between Marysville & Melbourne golf clubs. Expressions of interest are being sought for a sub-committee that can work on marketing strategies for the club. Please contact Heather Jenkins on heatherjenkins10@internode.on.net or 0429 1465 763 if you are interested.

In wintry conditions with on & off drizzle, the Thursday 9 holers played Par on the back 9. The daily winner again on plus 1 was Russell Cohen, followed by Brodie Arnott on a count back from Geoff Ferguson both on -3, Kris Carlton on minus 4 and Roger Thomas on minus 5. In similar conditions, five ladies from Marysville played in the Broadford Tournament on Thursday. They enjoyed the day & thank Broadford for their hospitality.

The Ladies played pennant on Monday at Euroa against Yea and Marysville continued their good form by winning 4-1. Thanks to the team Gail, Liz, Jenny, Bev and Lesley for their steady performance. On Monday they will play Euroa at Strathbogie in the final qualifying round but are currently equal top on the ladder and will play in the final at a later date. Meanwhile, the Men's Pennant team are playing in the final at Broadford against Eildon on Sunday but results were not to hand.

The weather improved dramatically for Saturday's play of a Par round. The Men's winner was Steve Krueger (19) with an excellent +5 & runner up was Robert Coleman (19) on +3. There were four qualifiers for the Par Shield — Steve Krueger, Robert Coleman, Ming Kuan & John Norfolk. The Ladies winner was Gail Leigh (9) with -3 & runner up was Heather Jenkins (24) with -4. Nearest the pins were Gail on the 4th & 11th (also the money hole), & Ray Jones on the 9th. Next week is a Stroke round & 3rd round of the Barton Shield for the ladies. Match Play will be on 30th May.

Heather Jenkins.

ANZAC Centenary Roadshow visits Yea

Murrindindi Shire residents were transported back in time at the Yea Council Chambers recently in commemoration of the role of ANZACs in World War One (WWI).

The community roadshow entitled 'Anzac Centenary – Victoria's Journey of Remembrance' visited Yea on Wednesday 13 May. Over 60 people gathered and were treated to storytelling, a live theatre performance, video, interactive content and talks from guest speakers. The performance was attended by Councillors, RSL members, members of the community and students from Yea High School. The roadshow is a key part of the Victorian Government's commemorations to mark one hundred years since the start of The Great War and was launched on 29 July 2014.

Travelling to communities across the state during 2014-15, the free program is delivered to local communities and secondary schools to educate attendees about Victoria's WWI history and to encourage them to discover personal connections and inspire them to initiate their own Centenary projects.

Attendees took home an Anzac Centenary Commemoration information pack, which contained a brief history of Victoria's contribution to the war effort, profiles of Victoria Cross recipients and a small token of remembrance.

Murrindindi Shire Council Mayor Margaret Rae said she and other Councillors in attendance found the performance and displays very engaging and informative.

"Council is so pleased to have had the chance to host this important event. It is important that we keep the memory of the role of the ANZACs in WWI close to our hearts. This interactive display is a great way to remind us of the sacrifice of the ANZACs and to teach the younger generations about their role", said Cr Rae

Energy Enlightened Workshop

Murrindindi Shire Council has started changing street lights across the municipality to energy efficient lights as a part of the Watts Working Better project. To assist residents and the community in switching to more energy efficient practices, Council are holding a free 'Energy Enlightened' workshop on Wednesday 27 May.

Have you ever tried to select an energy efficient appliance? The 'Energy Enlightened' workshop is the next level of thinking when it comes to energy efficiency in your own home. The two hour workshop will take you beyond the brochures, developing your understanding of energy and electricity and how this relates to your own appliances and electricity bill.

The workshop will be delivered by local energy expert and facilitator Rob Carolane. Rob has a sound understanding of what to consider when making sustainable purchases. Rob has maintained a stand-alone home power supply for over 30 years. From his experience and expertise, he can assist people to compare capital, operating and lifecycle costs of purchases. He will work with you to understand the considerations for making wise decisions about lighting and other energy efficient purchases.

A light supper will be provided. Places are limited in this free workshop so please book early to avoid disappointment.

What: Energy Enlightened workshop - Understand your energy use.

When: Wednesday 27 May 2015

Time: 6.30-8.30pm

Location: Alexandra RSL, 44 Grant St Alexandra. Bring a power bill.

Cost: Free

COMMUNITY MEMORIALS CONSULTATION

The Murrindindi Memorials Working Group and Murrindindi Shire Council are seeking further community input and advice on the final location of the Marysville Bushfire Memorial site.

It has been agreed that there will be two central memorials located in the Kinglake Ranges and Marysville with four local memorials at Narbethong, Castella/Toolangi, Kinglake West and Flowerdale.

Three possible sites within Gallipoli Park are being considered for the Marysville central memorial:

- In the Lions Park, next to the river, near the water wheel
- The north western end of Lions Park, near the number 2 bridge and the entrance to Tree Fern Gully Trail
- The area behind the Patisserie and next to the swimming pool.

Voting can be done on line, simply go to <http://www.murrindindibushfirememorials.wordpress.com/>.

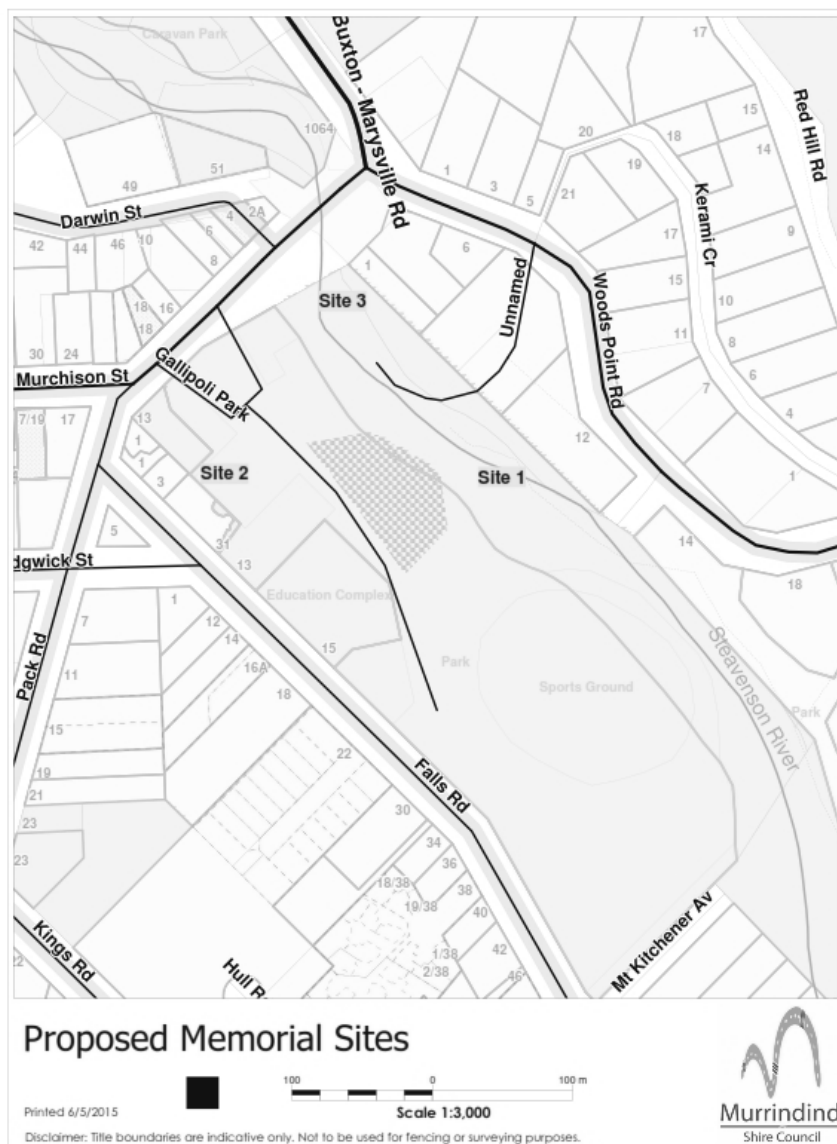

If you don't have a computer you can vote at the mobile library on a Tuesday afternoon, at the visitor information centre or if you wish you can ring Jenny Branton on the number below and she will register your vote and any additional comments.

Your feedback is sought by Monday 15 June 2015.

A community tour and discussion of the sites is to be held at 10.00am on Saturday 23 May 2015. Please meet outside the Visitor Information Centre. Morning tea will be served by the Marysville Lions Club in the Community Centre at the conclusion of the community tour. There will be i-pads and people to assist you if you wish to vote and have your comments recorded.

The selection of the team to design the memorials, in the Murrindindi Shire, will commence in early June 2015 with advertising calling for expressions of interest to be considered to complete the designs. A short list of respondents will be selected to provide more detailed concept designs (not the final designs) including 3 dimensional drawings or models, which will be put on display around the shire for comment and to enable people to indicate via a survey which they prefer.

More information about the sites or to make comment please contact Jenny Branton on 0417 532 344.

Early Years Conference delivers inspiration

After months of planning by the Murrindindi Children's Network, the *Three Wishes Early Years Conference* took place on Thursday 7 May amidst the picturesque hills of Eildon at the Holmesglen Institute Learning Centre.

The beautiful setting was perfect for the 85 participants, early years' professionals from within and outside the Shire of Murrindindi. The 2015 Conference followed the success of the inaugural conference held last year in Marysville.

Master of Ceremonies Anne Leadbeater set the stage for a variety of key note speakers including behavior specialist Jo Lange; Justine Walsh and Nicole Bourke from Journey into Play and Lisa Lorimer-Derham from Alexandra District Health. Breakout sessions were held throughout the day on the topics 'Food and Nutrition' with Jaime Poorter from Lower Hume Primary Care Partnership, 'Theraplay' with Kate Lewer and Suzanne Reed from Nexus Primary Health. Kerry Rogers ran a session called 'Supporting Outdoor Play' and Marissa Ayoubi from Alexandra Primary School addressed the important issue of 'Cyber Safety'.

Naomi McNamara, Murrindindi Shire Council's Manager Community Services, said the speakers engaged brilliantly with participants, through sharing both their inspiration and wide ranging expertise.

"Feedback received at the end of the conference was positive and participants felt that the day brought about very effective collaborations which we hope will lead to better outcomes for our all children and families", said Ms. McNamara.

The conference was a collaborative effort of all agencies involved in the Murrindindi Children's Network. Funding was provided by Murrindindi Shire Council, the Child First Alliance and Berry Street, whose support ensured that inspirational guest speakers were able to present and that participant costs could be kept to a minimum.

The continued support of Family Care, Nexus Primary Health, Alexandra District Health and the Lower Hume Primary Care Partnership also assisted in making the conference a great success.

The Murrindindi Children's Network is thrilled with the outcome of the conference in its second year and is confident the conference will return into the future.

Wendy's Fountain given new life.

The fountain in Gallipoli Park Lake, known as Wendy's Fountain was originally installed in 1986 approx through the efforts of local identity Lloyd Gould in memory of his daughter Wendy. The fountain was originally connected directly into the township water supply system although a pump system was installed in approx 1990 and mounted on an existing timber bridge which crossed a small arm of the lake near the fern walk. The February 2009 bushfire destroyed the bridge as well as the pump system which was attached. The bridge was reinstated in late June 2013 although time did not permit the pump to be reinstated prior to the end of funding in June 2013. Murrindindi Shire Council worked with the Gallipoli Park Precinct Committee of Management who contributed \$2,000 towards the reinstatement of the fountain. This was the balance of a gift from Marks IGA Mansfield Community Benefits Program. A small group of locals including Wendy's daughter Jodie attended the small official opening of Wendy's Fountain on Thursday 7th May 2015. The fountain will run on a timer 7 days a week, 8 hours a day on the hour for 15 minutes. The times will be increased during daylight saving hours.

The Gallipoli Park Committee of Management would like to thank the Murrindindi Shire Council, Marks IGA Mansfield, Jay Williams Electrical and Bruce Ackerman for their contributions to get Wendy's Fountain working again.
