Jazz and Blues Weekend Officially Launched

Last Friday's launch of October's Marysville Jazz and Blues Weekend at the Marysville Community Golf and Bowls Club can only be described as a huge success.

More than 100 guests turned out for a fun evening of music, food and a screening of the iconic and ridiculous movie *The Blues Brothers*.

In line with the movie many came dressed as nuns, Jake and Elwood and members of the constabulary, both good and bad.

To get things moving there were some great blues and rock numbers from Bev and Leigh Fraser.

Meanwhile Russ and his team worked tirelessly in the kitchen to offer a menu to match the movie's theme.

There were a few who had never experienced the movie, but many had seen it previously and awaited the oft quoted phrases such as, "We're on a mission from God."

If you haven't seen the movie and love a good laugh and car chase, *The Blues Brothers* is a must. But right now it's time to secure your tickets for the Marysville Jazz and Blues Weekend on October 16, 17 & 18, 2015.

The organising committee, chaired by Marysville local Peter Guest, has been working for months in putting together a program of some of the best jazz and blues artists from all over Victoria.

Around 30 acts will appearing on the program and one of the many highlights will be a spectacular concert in the Stadium

of the Marysville Community Centre on Saturday 17 October at 7.00pm. The warm-up act for the concert will be a performance by the Redgaters swing band from Alexandra playing some classic jazz and swing standards such as Glenn Miller's *In The Mood*.

One of Melbourne's premier trad and dixieland jazz bands, Shirazz, will open the night followed by award-winning blues artist Mr Black & Blues accompanied by one of Australia's foremost musicians, Chris Wilson. The evening will be capped off by a special appearance by the band Spectrum who will be performing some great numbers, no doubt including their No. 1 hit single "I'll be Gone." Tickets for this concert are strictly limited and will sell quickly and Peter Guest advised that you should get your tickets promptly if you don't want to miss out. A performance by Wilbur Wilde will be opening the Weekend the night before at Crossways Historic Inn. Wilbur will be followed by local Bev Fraser who will be singing with the band *The Company We Keep*. There are too many highpoints of the weekend to list them all here now and over coming weeks we will feature some more details of bands and artists in regular updates in *The Triangle*. Whilst many of the acts are free you will also have the opportunity to see some of the best Jazz and blues performers in the state for as little as \$10 per session.

LAKE MOUNTAIN: READY FOR WINTER FUN

Lake Mountain Alpine Resort is gearing up to welcome record numbers of visitors this snow season and with more on offer than ever before there will be something for regulars and first timers alike.

As the closest place to Melbourne to experience snow, Lake Mountain is renowned for offering an unrivalled first time experience for visitors of any age wanting to enjoy the magic of snow for the first time.

With three toboggan runs and a dedicated village for snow-play – The Snowman's Village – it's easy to see why Lake Mountain is known as the People's Mountain.

"We've expanded our Snowman's Village this year so we can house even more snowmen and included an igloo that the whole family can have fun in. We are also running lots of activities for non-skiers – including a Flying Fox, outdoor laser skirmish and the tube – a popular one with the kids," Resort Manager, Scott Gamble said.

"We've definitely got something for everyone. New snow-shoe trails are a perfect introduction to snow sports and suitable for children and adults. There are short trails or all day hikes and are a great way for anyone to experience the beauty of our renowned cross-country trails without having to ski."

Lake Mountain is also known for offering cross country-skiing to rival any resort globally. Featuring almost 40 kilometres of pristine snow trails and a unique environment, Lake Mountain is the third most visited cross-country ski resort in the world.

"This year we are excited about the opening of the Fischer Nordic Demo Centre. The Centre, the only one of its kind in the Southern Hemisphere, offers a premium learn to ski experience from beginner to expert and provides a dedicated base for the

Fischer Race and Demo Centre."

"The Demo Centre will greatly improve the opportunities for beginner and experienced cross-country skiers. It will bring our ski school operations in line with those of European ski schools and offer world-class demonstration equipment for skiers to try before they buy," Mr Gamble said.

A season launch took place at Southbank in Melbourne this Tuesday, with Lake Mountain and Mt Baw Baw Alpine Resorts bringing snow to the city, attracting media attention in the lead up to season opening.

Local are encouraged to visit this weekend, when the snow season officially opens for 2015. Natural snow falls earlier in the week, combined with snow making, will provide a great start to the season. Highlights of the weekend will include Howling Huskys,, a regional

St Thomas' Church turns 120

On Sunday the 24th of May a Celebration was held for the 120th anniversary of ST Thomas Anglican Church Buxton. A church that had been through the strength of many courageous lives over the years. Through many a winter storm, and through freezing Sundays when the church was closed in the month of August as the gas heater was inadequate and the louvered windows let in the draught. , Weak foundations through the years caused innumerable problems, and the organist in all weathers carried his portable organ to church via horse-back. Many times St Thomas future seemed grim, but the people of Buxton refused to give in. Now here it stands in all its glory.

Bishop John Parkes took the service with our vicar Father John Jessop assisting. St Thomas was filled with worshippers; sixty five people shared lunch held in the Buxton Memorial Hall. Much reminiscing shared, with warm greetings from old friends, laughter and promises of keeping in touch, flowed through the room.

This magical event was made possible by a remarkable group of six women – the Ladies Guild of the Parish of Marysville /Buxton. The work was shared with a camaraderie that is the hall mark of this group of woman. Diana Cherry, President Marg Ackerman, Treasurer and Secretary Val Cockerell, along with members Gillian Pannan, Sue Moss and Beth Page. The magnificent cake with the imprint of ST Thomas in the icing was made by Val Cockerell and cut with much fanfare by Clem Clemens.

Our sincere thanks go to Liz Amos and Peter Cherry for their hard work in the kitchen, our appreciation also to Eileen Slack, Ed Cherry, and Graham Page for preparing the hall.

Our warm appreciation goes to the Buxton Progress Association for the use of the Buxton Memorial Hall and the Buxton Primary school for allowing us the use of their school grounds for parking. To all who made the journey from near and far, please accept our grateful thanks for sharing in this

celebration with us. May we see you in another five years?

A small but enthusiastic group braved the frosty morning for a tour of the possible sites for the Marysville and Triangle bushfire memorial on Saturday 23 May. Three possible sites within Gallipoli Park are being considered:

In the Lions Park, next to the river, near the water wheel

The north western end of Lions Park, near the number 2 bridge and the entrance to Tree Fern Gully Trail

The area behind the Patisserie and next to the swimming pool.

The final site for the Memorial will be decided by a community vote. Voting closes on June 15th. More information and the survey can be found on the memorials web site

Taggerty community projects continue to take shape

The little township of Taggerty just gets better and better as each of its community projects are ticked off for completion. The next in line is the walking track and new suspension bridge.

A pedestrian suspension bridge that crosses Little River linking the new walking path is on track to be finished and open for use in the coming weeks. The bridge is located in Little River Reserve which has only final landscaping works to go before it is also completed.

Cathedral Ward Councillor Christine Challen said that she is thrilled with how all the projects are shaping up.

"Little River Reserve has had a major upgrade and is now a beautiful meeting and stop off point for the community and visitors. Landscaping and weed management has enhanced its presentation and existing furniture has been replaced with seating and tables that complement the natural landscape perfectly. There are also some quiet 'reflection areas' located along the river.

"Once the pedestrian swing bridge is constructed, the walking path will have its missing link and be complete and ready for walkers, runners, and weary travelers who just want to just stretch their legs", said Cr Challen.

Final touches are also being completed to the new community park at the meeting of the rivers. Entrance to the park is via the Town Hall which has had bitumen paving works and further enhancements made to its entrance.

"Add to this the works that were undertaken to the hall in the first half of 2014 to totally replace its roof, and the whole precinct is just looking fantastic", added Cr Challen.

The Project Reference Group have provided valuable input during the course of all projects and have worked with Murrindindi Shire Council to ensure that the community's needs are met.

TRIANGLE TABLE TENNIS TALK

Going from strength to strength, the Triangle Table Tennis Club has been running for over six months and has now settled into its new home at Buxton Hall. Our club has welcomed players of all ages and abilities, from enthusiastic kids (with Mum or Dad's supervision) and some seriously skilled, senior community members in their 70's and older; and all ages and talents in between. The mixed skill and ages of club members means there is a chance for everyone to enjoy a game - whether it's a 'hit and giggle' fun time or 'having a crack' at a more competitive level.

The club was developed to help locals find another social outlet, bringing people together in a fun way, as well as providing everyone with a chance to be more physically active and maintain fitness.

New members are always welcome, no experience needed, simply come and have a go. Our friendly club members (we have over 30 now) are happy to help newcomers develop skills, and understand rules and discover new talents. Come and

As a part of the club you have a chance to play singles, double and mixed games. Why not come along and 'have a go' with like minded locals. Players come from all across the Triangle and as far away as Alexandra as well. Come out and play a few games, enjoy a light supper, a cuppa and meet some new and old friends.

As a recipient of a grant from the Marysville and Triangle Community Foundation, the Club has been able to purchase four quality playing tables and equipment for members and participants use. In use since January, players have enjoyed using these wonderful new tables and gear, and it has been fabulous to see many players show fantastic improvements in their skills and team play.

The Triangle Table Tennis Club meets every Sunday (from 4pm) and every Tuesday (from 6:30pm) during winter. It's only \$5.00 each night, which assists with Hall hire, tea and coffee and supper.

Club membership is available after a few weeks play and this fee (\$35 per adult, cheaper for concession and children) goes towards players insurances and professional association membership with Table Tennis Victoria.

Come and see why table tennis has become such a smash hit across the Triangle.

Marysville Golf Report

On Monday 25th May the Marysville ladies pennant team played in the final of the Division 3 Dalhousie pennant competition. They played Avenel at Kilmore and despite some close matches lost the final 3.5/1.5. Congratulations to the Avenel ladies on their victory and for playing the final in such good spirit. Thanks also to Liz Amos, Gail Leigh, Jenny Coleman, Helen Howard, Bev. Bellman, Lois Hardham, Jan Wheeler and Lesley Rundle for playing in the pennant team and for reaching the final.

Last Thursday the nine holers played stableford on the back nine holes. The in form Kris Carlton was the winner with 17 points followed by Geoff Ferguson with 15 points. No player was able to get on the green from the tee on the 18th hole.

Whilst the 9 holers were playing at Marysville some of the ladies went to Strathbogie to play in the ladies Bowl. They didn't bring home any trophies but enjoyed the day and thank the Strathbogie ladies for their hospitality.

On Saturday the men played the first round of the Matchplay competition and the ladies played a stableford round for the Mavis Hadfield Trophy. The winner of the trophy was Heather Jenkins (24) with 29 points followed by Sabrina Stow (22) with 28 points. The men who did not participate in the Matchplay event played a stableford round and the winner was Peter Axten (32) followed by Robert Coleman (18) with 28 points. The nearest the pins were won by Steve Coker, Sean Williams and new member Wayne Healy. Congratulations to all our weekly winners.

Next Saturday both the men and the ladies will play a stableford round for the monthly medal and the ladies will also play the second round of the silver spoon.

For more information about membership, green fees and the Bunker Restaurant ring the club on 59633241.

Good Golfing. Lesley Rundle

Mayor's Chair Cr Margaret Rae

Recently I attended the Annual Conference of the Australian Local Government Women's Association (ALGWA) which was held over two days in Seymour. The theme of the conference was *'Imagine: People, Purpose and Passion - Pathways to Success'*.

Over the years I have been to many conferences – I have to say of variable quality and content – but this one would rank as one of the best I have experienced. The speakers encompassed a wide age range and a diversity of life experiences and they shared these with us with passion, empathy and understanding and I thought it was worth highlighting some of them for you.

There was Col Jan McCarthy ARRC (Ret) who spoke about the history of nurses serving in the field during wartime, the issues they had to deal with, the privations they experienced and the professionalism and dedication they demonstrated. She herself served as a theatre nurse in Vietnam but, as is so often with women, her talk did not focus on her and her achievements but was entirely about others and their enormous contributions.

Prof Jill Keeffe OAM PhD spoke about her career and her work in the field of blindness and low vision, the wonderful people she had worked with, including Fred Hollows, and achievements in improving things for disadvantaged communities. She mentioned, very briefly, that she is now located in India working to reduce the level of vision impairment.

A complete contrast was the talk given by Audrey Flannery who is Mitchell Shire's Young Citizen of the Year for 2015. An inspiring and articulate 15 year old, she held us captivated for nearly half an hour speaking about her goals for the future and what motivates her. Her passion in particular is for Breast Cancer awareness which she wants to get introduced as a program into secondary schools to raise awareness of its occurrence in younger women. She lost a close friend and mentor recently - a 30 year old mother of three – thus her motivation.

We were also totally grounded by two women who shared their life stories from the experience of disability. Joann Formosa OAM recounted the story of how she overcame extreme disability - having been told she would never walk, ride or do anything again, following an accident – to not only have the child she had been told was impossible but also to finally go to London with her beloved horse to represent Australia and come home with a gold medal.

The other speaker was someone many of you will know. Wendy Kelly, who works with Nexus Health and who also does much work with organisations in our Shire including Council, shared her personal story of career challenges, setbacks and highlights, all set in the context of family life. Her story of perseverance and meeting life head on is well worth hearing.

Both these women focused on what they saw as possible, not what the world might have decided was impossible, and they are both shining examples of courage and achievement.

And then there was Jenny Gray, the CEO of Zoos Victoria who is probably the most inspirational speaker I have ever heard. She was able to recount the journey of the zoo's revitalisation with her own life journey and in doing so to give us a set of principles which are completely transferable to our own contexts - all with humour, entertainment and anecdotes. She had every one of us captivated.

There were many other speakers too, with their own stories – shared in considerable detail with women in the audience who also have their stories, their challenges, disappointments and successes.

It was a privilege to have these inspiring women share their lives with us. I can say with certainty that we all came away totally re-energised and re-invigorated.

Have you booked your tickets for the Comedy Festival yet?

If not, get on to it now!

This year, the Melbourne International Comedy Festival Roadshow visits Marysville on Saturday June 13th, so time is running out to reserve your seats! Also, just announced, Ben Mitchell and The Stylists, one of the attractions at the October Jazz and Blues Festival, will perform during Dinner at The Comedy Festival!

The hilarious Justin Hamilton will MC the night, the former host of Triple M's weekend breakfast show with Charlie Pickering, Justin is a long time star of The Comedy Festival and has won awards for 'best comedy show' in Melbourne and Adelaide!

"An unforgettable performance.....his jokes are intelligent, witty and entertaining! A show not to be missed!" – Adelaide Advertiser.

Along with Justin is London comedian Lloyd Langford, "A lugubrious Welshman, with a knack for churning out juicy one-liners," – The Guardian. An international comedy star, right here in Marysville!

And it doesn't end there! Anne Edmonds, the stand up comedienne and banjo player, was invited to appear at the 2013 New York Comedy Festival. David Quirk, "Blunt, brazen and brilliant...", The Age., and last but not least, Tom Ballard, "consistently and acutely hilarious" – The Herald Sun, "a comedian rightly being touted as one of Australia's brilliant new talents," – Chortle (UK).

Marysville and District Lions proudly presents the Melbourne International Comedy Festival as a key annual fundraiser, and it's a bargain at \$65/head (15 and over), includes sumptuous 2 course dinner and show, bar facilities available!
