BENEFIT CONCERT FOR THE PEOPLE OF NEPAL- A GREAT SUCCESS

Once again the Narbethong Hall provided the perfect venue for an acoustic concert. A fabulous group of helpers arrived a few hours before the concert began, & decorated the hall with prayer flags & bunting. This was enhanced by John Hunter's slide show, presented with accompanying Nepalese music.

When the audience (approx. 130 people) was settled, Rick E Vengeance, as MC, welcomed everyone with his customary warmth, good humour & fabulous knowledge of music.

Drop of Scotch (David Alleway & Diane Gaylard) opened the concert, playing a range of tunes, on Celtic harp, Scottish Small pipes & fiddle, selected from the Scottish & Irish traditions, along with the Loch Tae Boat Song.

Joe Talia, "Local exponent of National steel guitar", so aptly described by Rick, performed a stunning bracket of tunes from swing jazz to Delta blues. His finger picking guitar & improvisations had the guitarists in the audience spell bound as the rest of us totally enjoyed his performance.

Isaac Sims' intro on the bass steel pan had us all wondering, with anticipation, what the next act would bring. The suspense increased as each member of Pans on Fire gradually found their place behind their instrument & added their notes to the arrangement of the tune, Watermelon Man. They performed music from a variety of genres including their first public performance of 'Africa'. A heart felt & upbeat rendition of Amazing Grace concluded their set.

During interval, the photos of Nepal prior to & following the earthquakes were shown again, a reminder of the beauty & the trauma the Nepalese are experiencing.

Afternoon tea was a culinary delight with an amazing assortment of cakes, slices, sandwiches etc. to tempt everyone.

Rick eventually managed to draw the audience away from the food & back to the concert for the final act, Moving Harps. Although we were saddened by David Rackham not being able to attend, his replacement Jill Findlay, filled his spot, with Andy Rigby & David Alleway, superbly. The trio's selection of pieces is influenced by the music of Ireland, Scotland, France & South America. Once again the audience was delighted by their performance. The sound of "Ahhhh…." being heard through the kitchen walls, following The Lovely Tune, confirmed this.

The concert concluded with the musicians who had performed during the afternoon joining Moving Harps to play Ashokan Farewell. This was followed by a rousing rendition of 'Stand By Me' which the fabulous audience sang along with, some following the lyrics on the screen, but many remembering them from years gone by.

For the indulgence of the musicians, both those performing & those in the audience, we continued with an informal music session after the main concert.

RELIEF AND RECOVERY PLAN DISCUSSIONS

Naomi McNamara from Murrindindi Shire Council, who is working on the review of their Municipal Relief and Recovery plan, addressed the Lions Club of Marysville & District outlining the need for the review, last Wednesday evening at our dinner meeting.

The Relief and Recovery plan aims to involve the community in the planning for relief and recovery and also determines and documents the capacity of Council, the community and other key stakeholders to recover from the effects of an emergency.

With better understanding of the capability and capacity available within our communities, resources can be co-ordinated more efficiently and effectively in times of emergency. To this end, Council encourages participation by community groups and service clubs, in discussion of the draft Plan and provide feedback on what is important to consider in its development.

THE STORY OF THE MARYSVILLE LONE PINE

The battle of Lone Pine was part of the ill-fated "August offensive" during the Gallipoli campaign. The battle lasted for three days and nights and resulted in terribly high casualties among both the ANZAC and the Turkish soldiers.

A single tree stood at the site, giving the battle its name. From the original tree, seeds were kept, and there are now many 'Lone Pine' trees growing as living memorials throughout Australia. Three are in Marysville, one at the Historical Society, one in the Park near the Cenotaph, and one at the Cemetery. As a gesture of respect, goodwill and peace, the Tarabya Rotary Club from Istanbul Turkey donated a lone pine seedling, which in 2010, was planted near the Cenotaph by representatives of the Turkish community and the Marysville RSL.

The rock was placed in front of the tree, in preparation for a plaque that will be attached. A plaque will also be placed in front of the cemetery lone pine. On the 6th of August 2015, a brief plaque unveiling ceremony will be held at the cemetery, and near the cenotaph. The significance of the 6th of August is that it will be exactly 100 years since the start of the battle of lone pine.

Thanks to the Neil and Delice Guscott for the donation of the rock, and to Bruce Ackerman for using his equipment to move it.

A TREMENDOUS SUCCESS FOR WINE AND TRUFFLE TASTING EVENT

On the 11th of July, 80 plus enthusiastic souls braved the cold and warmed to the occasion of the Inaugural Murrindindi Winemakers celebration of Wine and Black Truffles, which was held at Flowerdale Estate. The evening was a great success - so much so that an after party ensued, where Flute, Guitar and Piano accompanied some strong voices well into the early hours!!!

Murrindindi Winemakers is a newly formed group of local wineries coming together to showcase our local wines, with food sourced and produced within the region

The evening commenced at a respectable pace with a pre-dinner wine tasting and canapés. Dinner followed in the McKenzie Room and as each course was presented winemakers gave a brief talk about the wines on offer. Upon arrival of the main course ,the cold wintery night had well and truly been left behind. Much discussion was being had by patrons with winemakers, who were eager to share their passion for the art of winemaking. Laughter, conviviality and general goodwill to all permeated the air, and with the thought and taste of that rarest of winter treats, "The Black Truffle" strong in everyone, the evening drew to a close.

The Murrindindi Winemakers would like to take this opportunity to thank the owners of Flowerdale Estate, Peter and Maria Neville, Chef's Marcus Irwin, Rebecca Lobley and Hyosil Kang and the fabulous floor staff headed by Michelle Tite. They made the evening a wonderful experience for all.

The Murrindindi Winemakers are; Buxton Ridge; Little Cathedral; Little River; Mount Cathedral; Philip Lobley Wines and Sedona Estate. The delightful Truffles were supplied by Riverhouse Truffles.

UNITED AUSTRALIAN EFFORT TO ASSIST WITH CANADA WILDFIRES

Ninety-five emergency personnel from across Australia will fly to Vancouver tomorrow to assist with the escalating wildfire situation in Canada.

Several large wildfires have been raging in Canada's western provinces over the last few weeks with hundreds of new fires starting on a daily basis. There are currently 452 wildfires burning, totalling nearly 1.3 million hectares.

Crews from Victoria, New South Wales, Western Australia, Australian Capital Territory, Tasmania, Queensland, and South Australia and will fly into Vancouver, and then travel to key areas that have been affected in British Columbia and Alberta. Seven liaison officers are already there.

The 102 Australians will fulfill specialist leadership roles in incident management and aircraft support.

In the last 24 hours alone, there have been 111 new fires – 66 of these in British Columbia and 24 within Alberta.

More than 13,000 people were evacuated from their homes earlier this week due to northern Saskatchewan blazes, according to Red Cross.

British Columbia's relationship with Australia in sharing firefighting resources has been in place for over 15 years.

This agreement allows for the exchange of personnel, knowledge, skills, equipment, technology and mutual support in the event of an emergency.

Fire personnel from British Columbia were deployed to Australia in 2007 and 2009 to help respond to busy fire seasons here, given the Australian fire season typically occurs during British Columbia's winter and spring months. Personnel from Australia and New Zealand were deployed to British Columbia to assist with firefighting efforts in 2009 and 2014.

Emergency Management Victoria are coordinating the deployment on behalf of all Australian states and territories.

MAYOR'S CHAIR
BY CR MARGARET RAE

The date for nominating for Council is rapidly approaching and I hope that at least some of you have been thinking about what it means to be a Councillor, how you could contribute to our community in that role and how such a role would fit both with your personal life and your long term goals.

I am sometimes asked similar questions and also what skills you need as a Councillor - my response is that everyone has something to offer. Because these are elected positions, unlike the role of a Director on a Board where the appointments are made as a result of a skills based selection process, the election of a Councillor is not based on a set of predefined skills but on the community's perception and belief that this person is the best one to represent them at that time and that the community feels that its voice will be heard. There are, of course, multiple voices in the community often holding varying points of view.

So, first and foremost, a Councillor must be able to listen, a Councillor must be patient and a Councillor must be tolerant in order to reflect these multiple voices back into the discussions, deliberations and decisions. Working as a team with the other Councillors is a stimulating and rewarding experience and adds immense value not only to the process of decision making but also to personal knowledge and growth. There are, in truth, many ways to describe the role - from completely rewarding to utterly frustrating - but, fortunately, the latter is very much outweighed by the former.

It is indeed a privilege to have the community place its trust in you to do the best you can for our future. It is also very much easier to shout from the sidelines and offer criticism. So my challenge to you is to come on the inside, learn about the complexities, the needs and the wants (and, yes, they are very different) of our many diverse communities, about the constraints that impact on what needs to be done and help us to shape our service delivery for the future.

I very much look forward to multiple nominations in both wards. Nominations will be open from 23 - 28 July 2015 and remember you need to be an eligible candidate by **either residing or being a ratepayer** in any ward in our Shire. Can I encourage you to talk to present and former Councillors about their experiences and please check conditions and requirements on the Victorian Electoral Commission website at www.vec.vic.gov.au

Good luck to all those who put their hands up to be counted!

A FEW THINGS FROM YOUR LOCAL POLICE.

Complaints have been received about driving behaviour in this area, specifically speeding in Woods Point Road, Falls Road, and Buxton Road Marysville, plus the ongoing issue with exceeding the speed limits for Maroondah Highway in Narbethong, Buxton and Taggerty. The majority of those that have received tickets are not from this area. The signs are clear. Locals should be very aware of the limits, so no excuse. Consider yourself warned.

While talking traffic, if you're travelling over the Black Spur, and you see a vehicle in your rear vision mirror, don't assume that they want to travel at the same speed as you. At the very next opportunity please pull over and let them pass. There is no problem if you prefer to drive well under the speed limit – just be considerate and let the faster traffic pass you whenever you can. By letting faster traffic pass, you reduce frustration in others, and the temptation to overtaking in dangerous places.

Do you know somebody that lost their prescription glasses? Two pair were separately found in the Marysville Community Centre after the Comedy Festival on the 13th of June. They are at the Marysville Police station – 59633222.

Retailers that sell cigarettes and tobacco have been hit very hard lately. Both service stations in Buxton have been victims. The problem is widespread and not restricted to this area. Offenders are working in teams and have been using stolen vehicles/plates. Detectives are working on it, and have made some progress. Meanwhile, if you see suspicious activity in the vicinity of a business that sells tobacco, particularly if it is late at night or pre-dawn morning, ring 000 and report what you see. If you have some information, ring crime stoppers on 1300 333 000, or your local police.

THE MARYSVILLE JAZZ AND BLUES WEEKEND UPDATE

So who's playing at the *Turn on the Lights* Concert?

On Saturday 17th October the Marysville Community Centre Stadium will transform into a concert arena with a night of fun and fabulous music on offer.

The night will kick off from 7pm with Redgaters band from Alexandra who are a swing style Jazz band with up to 18 members playing some great numbers. Redgaters will be playing as people arrive for the main event that starts officially at 8pm with Geoff "Coxy" Cox as MC for the night.

At 8pm the traditional jazz band Shirazz will be performing. Shirazz is a six-piece Melbourne trad jazz and dixieland band, specialising in classic hot jazz of the 20s and 30s, and has been fast gaining a reputation as one of Melbourne's premier jazz bands.

Shirazz plays classic trad jazz as it was meant to be played. With hot solos, driving rhythms and tight arrangements, a set from Shirazz is a step back in time, to a jumping New Orleans dance hall where fast, hot tunes intersect with swinging standards and laid-back Louisiana street beats. With the odd original tune and some re-imagined pop classics, Shirazz should be enjoyed irresponsibly, and in excess.

Following Shirazz, Michael Pollit (aka Mr. Black & Blues) whose album *Tracks* was voted 2014 best Australian Blues Album takes the stage. Michael will be performing with special guest renowned blues artist Chris Wilson. The album *Tracks – Live on The Blues Train* with special guest Chris Wilson is Mr Black & Blues second full length album*. Long Road Home*, his first album, was voted 2013 Australian Album of the Year in Rhythms Magazine readers' poll and was Number 1 on the Australian Blues'n Roots Airplay Chart in Dec/ January 2013.

Our final act is the famous 1970s band Spectrum, with lead singer Mike Rudd. Many of us will remember the 1971 No. 1 hit single *I'll Be Gone, (Someday I'll have Money)* and Spectrum will take their audience on a musical journey through the Spectrum, Indelible Murtceps and Ariel albums of the '70s, as well as their special take on the blues plus recent material from the *Breathing Space* series of EPs.

After the show head off to the Crossways Historic Inn for an After Party to remember, where the musos from the night can jam on in this iconic Marysville venue.

Tickets for the *Turn on the Lights* concert are available for $49.94 (conc $44.95) from Trybooking.com or call 0477 123 506 or call into Marysville Triangle Real Estate.

ALEXANDRA FOOTBALL / NETBALL CLUB

Saturday, 11th July, 2015

The Alexandra Football/Netball Club travelled to Yarra Junction last Saturday for round 14 of the YVMDFL 2015 season for competition in two games of football and four games of netball. The second placed **Reserves** took on the fourth placed home side with only one win between the two teams on the ladder, both looking to gain a top 3 position for the Finals. The Rebels, stung after their defeat at Gembrook were keen to get back on the winners list but due to the illness of coach, Corey Jack, Len Jenkins led the side who soon found that Junction was going to be a formidable challenge. Each side was only able to kick one goal in a mistake ridden first quarter but the home side had the better of the second quarter as they kicked five goals to one. Alex was missing targets going forward and "arms length" tackling allowed Junction to break clear often. A "behind closed doors" talk at half-time seemed to have the desired effect as four goals to one in the third quarter got the Rebels back into the game, trailing by six points at the final change-over. The last quarter was a battle of the defenses and Junction was more effective holding the visitors to a solitary goal and going on to win comfortably by 16 points. Best players included Tom Halligan who was at his speedy best as he either won the ball and sprinted away or quickly ran down and tackled opponents, Ben Podger-Carroll continues his good form with another good game, Len Jenkins can still dictate the play even though the legs don't seem to keep up with the mind as easily as they used to, Jes Skerritt won many tap outs with his energetic ruck work, Shaun Graham with another four goals was the most effective forward whilst Jason Krijt defended strongly as he closes in on a 400 game milestone. Awards: Rebels $50 Incentives – Tom Halligan and Jason Krijt, Mt.Pleasant Hotel $20 meal – Jes Skerritt, Commercial Hotel $20 meal – Paul Francis, Commercial Hotel 5 pots – Shaun Graham.

The **Seniors** took on Yarra Junction on a cool but sometimes sunny winter's day to challenge the seventh placed home side. Alexandra still looking for their first win of the season had not won at Yarra Junction since 2010. Alex had made three changes to the team well beaten at Gembrook the previous week, including Michael Miller, Travis Carter and Lyndon Purcell to replace Ryan Carter, Daniel Rouget and Tom Halligan. Alex began to the river end and kicked behinds early, Jake Steyger marked well in defense prior to Alex getting forward where captain Chris Mullins goaled off the ground. Alex was moving the ball well and David Bourke after a typical courageous mark forwarded where Mullins added a second goal. Alex was playing their best football for some time as Ben Cooper marked strongly and kicked a long goal. Perhaps the locals took us a bit lightly as Alex spent most of the quarter in attack, a great diving mark at CHB by Jack Goonan exemplified the commitment by the Rebels. Scott Heveren who was contesting well in the ruck then marked and goaled and was again involved in getting the ball to Jack Tossol for the next goal. In defense Sam Kidd and Michael Miller repulsed the home forwards on many occasions as they went forward where Will Goonan kicked Alexandra's sixth goal off the ground to give Alex a commanding 38 point lead at the first change. Yarra Junction missed opportunities at the river end early in the second quarter as the Alex defense kept them under pressure. As often happens after the ball being in the Junction end continually for some time Alex was able to break forward where Michael Coombs gathered the bouncing ball and goaled on the run. The home side got their first goal 20 minutes into the quarter but Alex was able to reply when a "holding the ball" decision in the goal square allowed an easy goal to Lyndon Purcell and Alex still held a big 41 point lead at half time. Obviously stung by the words of their coach Yarra Junction came out after the long break and looked much more committed as they goaled at the 4 minute mark and again soon after. The game became a series of ball ups as each side threw themselves in attempting to gain possession. A third Yarra Junction goal and a further gift goal as an Alex player was sent off quickly reduced the margin. Alex through the strength of Cooper and Steve Steiner got the ball into attack but Junction moved the ball the length of the ground to goal and the local supporters rose to their feet. The difference now was only a couple of goals but Alex capitalized on a late, high tackle on Bourke and Jordan Purcell who makes good decisions for one so young, forwarded where Mullins goaled. Another fine goal by Matt Steiner from the boundary steadied his team as they went to the last change-over leading by four goals. Yarra Junction was now playing much better and despite the Alex pressure, kicked goals at the river end which appeared the scoring end. A Junction goal for over stepping the hard to see line at the kick-in reduced the margin back to less than two goals. Despite not being able to score in the last quarter, Alexandra through their attack on the ball and commitment, were able to hold on and secure their first win of the season. Best players included Scott Heveren, Ben Cooper, Stephen Steiner, Jordan Purcell, Matt Steiner and Jack Tossol were just ahead in a good team effort. Awards: Molesworth Hotel $20 meal – George and Nancy Anderson; Rebels $100 Incentive – Steve Steiner, Caltex $25 fuel card – David Bourke, Mt.Pleasant Hotel $20 meal – Jordan Purcell, Commercial Hotel $20 meal – Scott Heveren, Commercial Hotel 5 pots – Matthew Steiner.

Also, on Saturday the Club announced before the senior game that Sam Kidd has been re-appointed as senior football coach for the Rebels for the 2016 season.

NETBALL AWARDS:

MARYSVILLE VILLAINS TRAVEL TO EMERALD

Last Sunday, the weather was terrible for the Villains match; players and spectators alike were freezing, it never stopped raining, and at Emerald the fog rolled in.

Players of both teams lined up for a minute's silence- a tribute to 3 teens killed at Avonsleigh recently. Two were junior players at Emerald, the third a daughter of a player. It was a rare thing to see all players wearing 3 black armbands.

Photos: Top: the fog rolling around the players.

Middle: Brian Heard kicking a goal.

Bottom: all players lined up for a minute's silence

MARYSVILLE GOLF REPORT

With slightly better weather conditions this week the golfers left their fire sides and traveled to the golf course for some exercise and camaraderie.

The Thursday nine holers played Par on the front nine holes and the winner was the in form Joe Tricarico with -1. On a four way countback, Bunker chef Brodie Arnott was the runner up with -2. No players were able to reach the green with their tee shot from the 4th tee.

Unlike the players in the British Open Golf Championships at St. Andrews in Scotland the Marysville Saturday golfers enjoyed playing in beautiful sunny and dry conditions. The men played the third round of the Barton Cup and the qualifiers were Mark Bambery, John Trathen, Adam Littlejohn and Ken Whittingham. Mark Bambery (23) was the daily winner with 33 points followed by John Trathen (25) with 32 points. The ladies winner was Sabrina Stow (21) with 38 points followed by Gail Leigh (10) with 26 points. The nearest the pins were won by John Trathen, Ken Whittingham and John Norfolk who also won the golden shot. It was great to see Ken Whittingham back on the course after his recent illness and two former members, Tom Amos and Andrew Hickey, were welcomed to the competition.

Next Saturday both the men and the ladies will play a stableford round. For information about the club visit the website on www.marysvillegolfandbowls.com.au.
