

Brigade written on.

~~The~~^{Some} were washing their blue collars with soap and salt water and the dye was coming out.

Some of them were smaller than Frank and some ~~far~~ as big as Butcher two doors from us.

One of them was calling another names and the officer caught him and asked what he was calling the other boy and he said 'Lunatic'.

This was Saturday and the officer told them to come to him the next day (Sunday) then ~~when~~ when they went away he told the people that he would make them dig a hole while the others were loafing.

A trolley runs from Queenscliff to Swan Island on rails and pulled by ^a horse it is about 3 miles
