

ELTHAM FESTIVAL PARADE

update

Dear Eltham Shire Banner-makers,

In 1986, your group took part in the exciting and successful Eltham Banner Project. Beautiful, colourful banners were created during the project, most of which were carried in the 1986 Festival parade. This year's festival parade is only 4 weeks away, being on the 7th Nov. at 12pm. It would be fantastic if the "As We Are" banners could come out of the closets, off the walls and parade down the main street of Eltham once again in this year's parade.

My job, as Community Artist, has been to co-ordinate this year's festival parade by getting people involved and helping them on their parade entries.

I would be more than happy to help your group, if you should also wish, to be creative in the carrying of your banner, by making for example, a float, masks, costume, puppets etc.

I sincerely hope that we see your group and their banner in this year's parade, once again. It is essential that you fill in the enclosed parade entry form, if you wish to participate. If you have any further enquiries, or wish to contact me, regarding the parade, please call me on 439 3366, or leave a message on 430 1171..

Happy parading,

Jude

ELTHAM FESTIVAL PARADE

update

Dear Potential Parader,

Entries for the Festival parade are coming along excellently, with lots of community groups busy working on exciting environmental paraphernalia. There are only 4 weeks to go, with still some projects, that I think would look fantastic in the parade, not completed. I need some Community groups or schools to take on these projects, to see them through so that they can be part of this year's parade. I thought you might be interested in taking on one of the following:

Kites- of birds or butterflies, etc.

Windsocs- Already, Eltham High School have made 5 beautiful wind-socs, but I think the parade needs some more.

Umbrella Flowers or Mushrooms- I have about 40 umbrellas that I got from the Railways Lost property and think they would make fantastic opening and closing flowers or mushrooms. If only a group could make them!!!!!!

Huge walking puppet heads, on poles- I saw these recently on a small scale at an exhibition and think they would really make the parade.....interested????

I am really hoping I find some more groups, interested in participating in the parade, to take on some of the above.

If you or your group are interested, please contact me on 439 3366 or leave a message on 430 1171.

Hoping to hear from you soon,

Jude kenny
