Dear Miss Mathison,

The Council has requested me to submit a list of  
Historic Buildings in Bendigo which require urgent  
maintenance attention.

The preparation of the list will serve two purposes :-

- (i) The information will enable the Council to make applications to the Australian Government for financial assistance for renovation; and
- (ii) Consideration could be given to having the buildings included in the Register under the Historic Buildings Act.

Would you let me have a list of any buildings which you consider should be included.

Yours faithfully,

  
A. J. WATTS,  
TOWN CLERK.

Dear Mr. Watts,

Thank you for your letter of 14th April re Historic Buildings. I apologize for the delayed reply, but the committee did not meet until June to consider the matter.

Enclosed are lists of buildings in three categories:

- a. Buildings requiring maintenance.
- b. Buildings suggested for inclusion in the Historic Buildings Register.
- c. Buildings whose preservation is desirable as part of the environment in which they stand.

Would you please note that we now have a post office box for National Trust mail, and amend your records accordingly.

Yours faithfully,

Miss E. Mathison,  
Hon. Secretary.
