... It appears, from information sent to the Police, that on yesterday morning the bodies of two Chinamen, named Lein You and Thua Yooa, were found dead in their tent at Jackass Flat, and from enquiries made it was ascertained that for some time past they had both been in a very bad state of health, and were apparently suffering from a decline, and had been unable from the want of means, to procure the attendance of a medical man, nor had any of their countrymen living near them been in more favourable circumstances. An inquest will be held on the bodies today by the Coroner.
