Dear Mr Taylor,

re: Proposed Memorial to the late Amy Huxtable

Further to the meeting of Mr Delecca and myself with you last week, the Amy Huxtable Memorial Committee met on Monday and were most enthusiastic about your suggestion for an entirely new entrance to the Conservatory Gardens.

This Committee is envisaging a park type cast iron seat for four people to be sited under a pergola and Mr Delecca and Mr Stan Osborne are designing and making same. It will require two seats to balance the design, and it is hoped that the second seat will be provided by the Business and Professional Womens Club of Bendigo.

We are very willing to co-operate in every way with the Council, it's employees, or any person they may employ to carry out the designing of the proposed gate, path and the suggested pergola to ensure that the final result is aesthetically pleasing and a fitting Memorial to Amy.

We are proceeding with the work on the seat and look forward to hearing from you when you wish to involve us in discussions re the design and site of the Memorial.

Yours faithfully,

Chairman
Amy Huxtable Memorial Committee

Dear Miss Young,

Thank you for your letter of 4th March, I am glad to hear that your committee has accepted the concept of a new gateway at the Conservatory Gardens. Andrew Taylor is at present on annual leave and as soon as he returns I will bring to his notice your letter, we will then be able to instigate preliminary procedures for the design and construction of the new gateway.

In the meantime if your committee continues with the construction of the seats we will contact you in the not too distant future, as soon as we have some definite information with regards to location, size, design etc.

Yours faithfully,
