Golden Square.

7th April 1923

The Jubilee campaign is ended and the victory won. Balance Sheet (below) shows a magnificent result. Without further comment may I be permitted to close the appeal by the following para. from the Bendigo "Advertiser" of 22/3/23, unsolicited, uninspired and by to me, an unknown author.

Yours sincerely,
G. A. PETHARD

"The president of the conference, the Rev. T. S. B. Woodfull, will be visiting Bendigo on Easter Sunday in connection with the great Jubilee celebration. It will be a memorable occasion in the history of Golden Square, for it will mark the entire liquidation of the debt on the magnificent church property. The effort finely organised by Mr. G. A. Pethard, and carried to completion largely as the result of his indomitable will to succeed, has been a really wonderful one, and richly deserves the success in which the effort promises to culminate."
