Mr. C. M. Gray, 129 Neale St., Bendigo Phone 3-6945.

BENDIGO METHODIST CIRCUITS

Put Christ into your Christmas

This was the message of the posters being offered for our use by the Victorian Council for a Christian Christmas received in this mornings mail. It seems contradictory to suggest there could be any other kind of Christmas save that in which the birth of the Saviour is celebrated, but then we all know something of the way this sacred season is misused. The mention of Christmas suggests a number of things to the modern mind, for some a "holyday," to others just a holiday with little or no thought for Him who was born in Bethlehem.

Sometimes of course the picture of the baby Jesus and of angels and wise men is so highlighted that it would be almost impossible not to spare a passing thought.

Christmas does not just remind us of a child, but also of the man who proved Himself to be the Son of God, the Saviour of the world. It is truly wonderful to know and love the story of His birth, but our faith must grow up, it cannot remain for ever sheltered in the manger, it belongs out in the highways and byways of life.

Ours is a faith to live by and we are being urged by the leaders of our church to study carefully the documents relating to Church Union. We will have to express an opinion on the proposals next year and we ought to take the trouble to be well informed. We have taken a lot for granted in the past but now we ought to be prepared to shift our thinking out of the manger of our own denominational shelter into the big, wide world where the Church ought to be at work as the Body of Christ.

Yes, let us put Christ where He belongs, not just into Christmas but let Him take His rightful place as the Lord of Life.

Before this present plan of services has run its course we will be saying farewell to the Fletchers of Quarry Hill. Theirs has been a long and fruitful ministry in this city and we wish them God's continued blessing as they pack and plan for their new appointment.

E. B.G.
