

HAPPY DAYS AT LAUREL STREET

taking a deep breath

1984

Jodi, Simone and Vicki either

falling over or doing aerobics.
The grade five girls doing the
can-can!

Amanda taking a deep breath.

The boys in grade six pretending
to be windmills.

Every morning the grade fives and sixes did star jumps.

Lined up to try out the long jump.

More dancing!

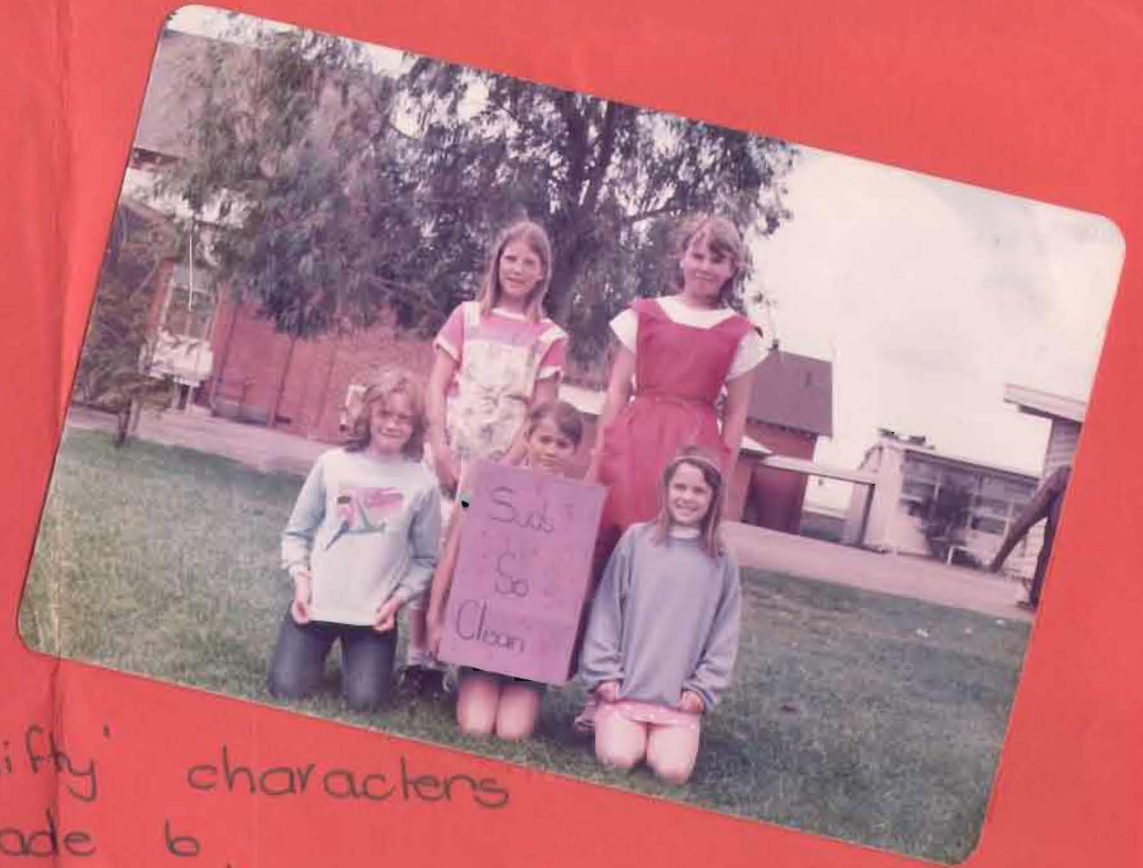

And the line went on and on

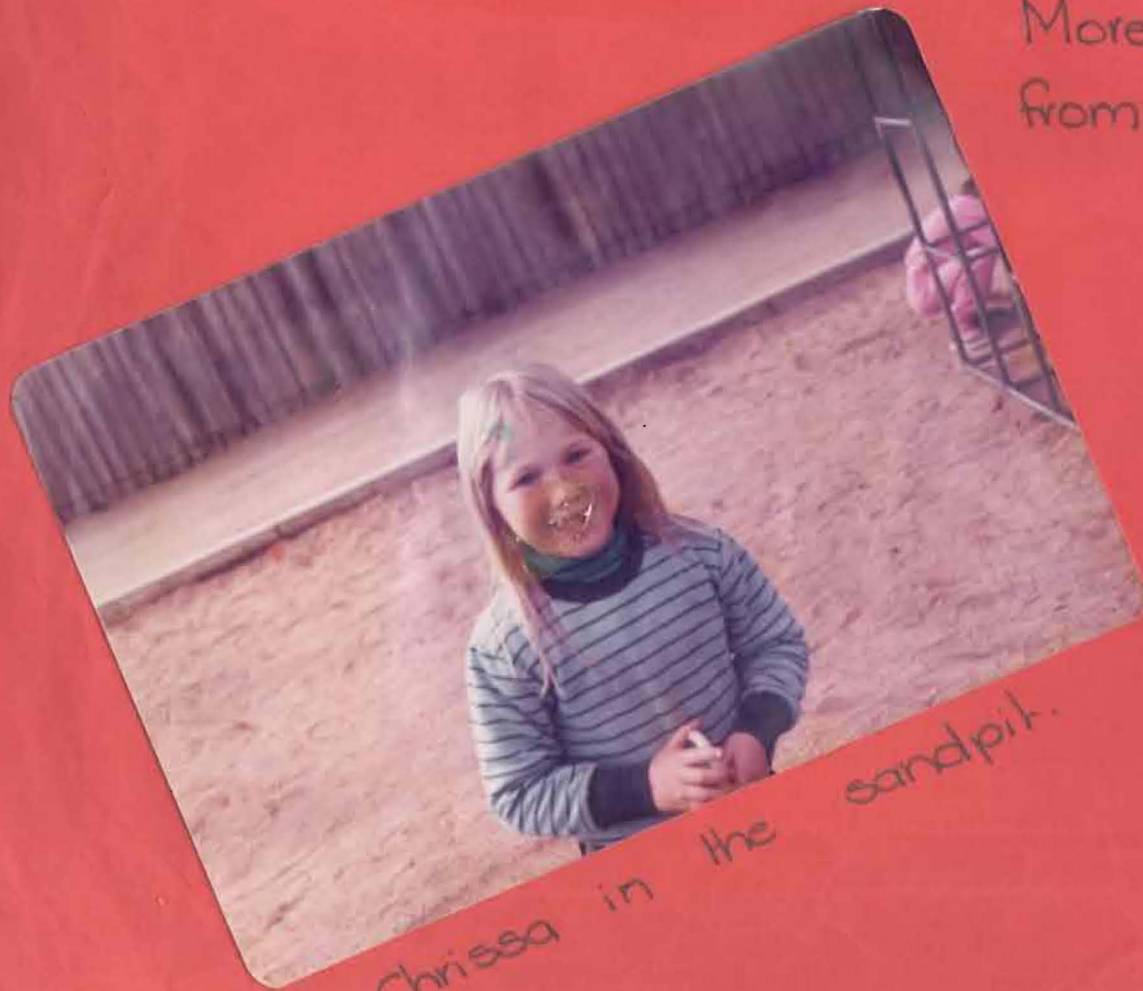

Grade six and their advertising project.
Would you buy something from some-one who looks like them?

More 'shifty' characters from Grade 6.

Chrissa in the sandpit.

Tonya making sand-castles.

Rodney and Ben catching grasshoppers?

Even the grade one's jumped the hurdles.

Steven has the chief raking job.

Our athletic heroes at the sports.

More of Laurel Street's sporting people, and the cricket coach, Mr Rodda. All children performed well throughout their sport's season.
