SUGGESTIONS FOR CAROLLERS :

- 1—Bring a rug for your own comfort.
- 2—Candles with grease collectors will be on sale (price 6d) on the night. The more candles burning the better you will help to create the Christmas atmosphere—and its easier to see the words. At conclusion please place candle stubs in receptacles provided.
- 3—Local and visiting choristers are invited to take their place in the choir —just come forward, you are welcome.
- 4—Would members of the audience please sit close to the choir, to help with the smooth running of this programme. Then we will become ONE BIG FAMILY, singing with one voice, and sharing a common sentiment.
