"Is there a heart that music cannot melt?  
Alas! how rugged is that heart forlorn.

## An Appeal to every Music Lover on behalf of Bendigo Boys.

THE Orchestral Society of the Bendigo Young Men's Christian Association exists for the uplift of Bendigo through the agency of music. In addition to this it dedicates the whole of its profits to the extension of Christ's work among Boys. Surely this two-fold object is sufficient to warrant a large number of subscribers, and yet we regret to say we find it increasingly difficult to finance the Society, and our Association, in one of the greatest provincial cities in Australia.

We would like to think that it is only sufficient to mention this matter in order to call for an immediate demand for subscribers tickets for our Orchestral Society; in order to remove the "Damoclesian sword" of finance which is perpetually suspended above our heads, and thereby insure a continuance of our Orchestral Society, and the permanence of our Association, which is in business for the men and boys of this fair City.

**Subscriber's Tickets** may be purchased for £1 1/-, which permits the bearer to book two seats for each of Three Concerts. These tickets are obtainable at any period during the year.
