

Ernest Lamb Town Hall
5/6/70

Hon Mr R W Fotherway M.L.A.
Sir

Many thanks for your efforts on behalf of my interested group in the preservation of the old Police Barracks Buildings. I realise you are doing your best for us and that some of the matters raised by the Minister of Education are unfortunately true. I can now only hope that the City Council succeed in obtaining the building for Civil Defence purposes. May I also at this time congratulate you on your return to office at the recent elections. Once again thank you for your interest.

I remain
Yours sincerely
H J S Biggs
