MELBOURNE, C.2.

9th October, 1951.

Dear Sir,

With further reference to your letter of the 18th May last, in reference to the question of securing the old Police Barracks at Bendigo to house historical records, I am directed to say that the Minister of Public Works has now advised the Premier that the Education Department finds it necessary to continue to use the Barracks as an Art Room, and that the provision of prefabricated classrooms at the High School will not affect the decision as far as the use of the Barracks is concerned.

Yours faithfully,

W.J. JUNGWIRTH,
Secretary.

Honorary Secretary,
