Mr. E. Hayward,  
Honorary Secretary,  
Bendigo City Historical Society,  
Specimen Hill Road,  
BENDIGO.

Dear Sir,

RE OLD POLICE BARRACKS.

Referring to your letter of the 18th ulto. requesting that the Council renew its application for the use of the above premises for your Society, I am directed to inform you that the Council recommends that your Society should endeavour to find more suitable premises than the old Police Barracks.

It is recommended that application be made to the State Government for the use of the old Y.M.C.A. premises at the corner of Short and High Streets. These premises, some time ago, were purchased by the Country Roads Board, but have not been used for the Board's purposes up to date.

Yours faithfully,

*F.T. Amer*

re OLD POLICE BARRACKS.

Dear Sir,

It is understood that the Prefab., is now in course of erection, for the class at present being accomodated at the Old Police Barracks.

It would be appreciated if your Council would renew its application for the use of these premises for this Society.

The amount of material on hand is rapidly accumulating, and it is therefore desirable to obtain premises as soon as possible.

Yours faithfully,

E. HAYWARD.

HON. SECRETARY.
